COUNTY CONVENTION.

Nominations Made by Cabarrus Democrats That Are to be Elected November Next—A Large Attendance Hears Hon. Theo. F. Klutz.

The Democratic Convention of Cabarrus county met in the court house as per call of the Executive Committee at 12 o'clock.

The convention was called to order by Dr. R S Yoang, chairman of the executive committee.

J L Hartsell and J D Barrier were asked to act as secretaries.

The temporary organization was made permanent.

Chairman Yoang announced the object of the meeting.

Mr. W G Means was accorded the floor and in a neat speech declined the nomination to the State Senate.

Owing to Mr. Means' declination, no nomination was made on the first and a second ballot was in order, whereupon Mr. C D Barringer, of No. 8 township, received the nomination for the Senate by acclamation.

Mr. M F Nesbit was nominated on first ballot for the House representative. His vote was made unanimous.

The nomination for sheriff fell to the lot of Mr. Thos. J White, on the third ballot.

Mr. John K Patterson, for Register of Deeds, was nominated on first ballot.

A dark horse was run in for the office of cotton weigher and after considerable discussion the name of W H Bost was nominated on the fourth ballot.

Caleb W Swink, the clever and courteous merchant of this city, received the nomination for treasurer on second ballot. The vote was made unanimous.

John H Long was renominated for county surveyor on first ballot.

Last but not least, the nomination for coroner took place. The name of John C Wadsworth was put before the convention and was received with a great demonstration of cheers and enthusiasm. The nomination of Mr. Wadsworth was made unanimous.

For County Commissioners, L J Foil and J S Harris were nominated on first ballot, and M L Brown was nominated on second ballot.

The representatives from No. 12 township named the following for magistrates, viz: A B Young, Jno. A Cline, W L Robbins, R F Coble, Joseph Young, H M Goodman, Philip Correll, J M Mabrey, H McNamara.

In the effort to have the vote faultlessly correct, much time was necessarily consumed, but the convention was harmonious and good humored and the entire ticket may expect the unanimous enthusiasm of the Democrats of Cabarrus.

Hon. Theo. F Klutz, in his usual splendid address enthused the audience with a speech much too short for the audience, he only being afraid of wearying his attentive hearers. He is the right man at the right place as elector for this, the 7th district. He is a Democrat to the bone and a strong believer in the theory of free silver. He believes unreservedly that Bryan and Sewall will be elected, and believes all Democrats will be willing to acquiesce in the results of the experiment and acknowledge their error

if results are against their present convictions.

He urged fidelity and the immediate co-operation of all for the election of our whole ticket. He does not think the grand old Democracy dependent upon any one campaign, but that it was of great importance that the whole ticket be carried.

He stated emphatically that the tariff and the centralization issues were too great to admit of one's voting for McKinley though he does not subscribe to the theory of free coinage. He thought no one could read the tirade in the Republican national platform against Democracy and the Cleveland administration, considerably, without being too much averse to the party to vote for or encourage the election of McKinley.

He said the country needed rest from tariff tinkering and that the Wilson tariff should be let alone and that the unfortunate bond affair would not have been necessary if the Supreme Court had not decided against the income tax.

His hope was that a new phase of the Supreme Court would yet sustain the income tax when revenues would be sufficient.

Marvelous Results.

From a letter written by Rev. J. Gunderman, of Diamondale, Mich., we are permitted to make this extract: I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist church at Kives Junction she was brought down with pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results. Trial bottles free at Fetzter's Drug Store. Regular size 50c and \$1.00.

Will Sue for a Divorce.

Mr. A H Newsom, whose daughter was so illy mated, the particulars of which have appeared in the World, will sue for a divorce for her from Goodman at the next term of Cabarrus court. Mr. Newsom says that he has been attempting to secure a divorce for his daughter ever since she returned home.—Salisbury World.

ASK the recovered dyspeptics, bilious sufferers, victims of fever and ague, the mercurial diseased patient, how they recovered health, cheerful spirits and good appetite; they will tell you by taking SIMMONS' LIVER REGULATOR.

The Cheapest, Purest and Best Family Medicine in the World!

FOR DYSPEPSIA, CONSTIPATION, Jaundice, Bilious attacks, SICK HEADACHE, Colic, Depression of Spirits, SOUR STOMACH, Heartburn, etc.

This unrivaled remedy is warranted not to contain a single particle of MERCURY, or any mineral substance, but is

PURELY VEGETABLE, containing those Southern Roots and Herbs which an all-wise Providence has placed in countries where Liver Diseases most prevail. It will cure all Diseases caused by Derangement of the Liver and Bowels.

The SYMPTOMS of Liver Complaint are a bitter or bad taste in the mouth; Pain in the Back; Sides or Joints, often mistaken for Rheumatism; Sour Stomach; Loss of Appetite; Bowels alternately costive and lax; Headache; Loss of Memory, with a painful sensation of having failed to do something which ought to have been done; Debility; Low Spirits; a thick, yellow appearance of the Skin and Eyes; A dry Cough, often mistaken for Consumption. Sometimes many of these symptoms attend the disease, at others very few; but the LIVER, the largest organ in the body, is generally the seat of the disease, and if not regulated in time, great suffering, wretchedness and DEATH will ensue.

The following highly-esteemed persons attest to the virtues of SIMMONS' LIVER REGULATOR: Gen. W. S. Holt, Pres. Ga. S. W. R. R. Co.; Rev. J. R. Felder, Perry, Ga.; Col. E. K. Sparks, Albany, Ga.; C. Master-son, Esq., Sheriff Bibb Co., Ga.; J. A. Butts, Bainbridge, Ga.; Rev. J. W. Burke, Macon, Ga.; Virgil Powers, Supt. Ga. S. W. R. R.; Hon. Alexander H. Stephens. We have tested its virtues personally, and know that for Dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world ever saw. We have tried forty other remedies before Simmons' Liver Regulator and none of them gave us more than temporary relief; the Regulator not only relieved, but cured us.

WAYNE HOARDE IN JAIL.

Chught at Davidson College Friday— Tried to Effect a Compromise But Failed—Will Await Court.

It will be remembered that on one Sunday night about the last of July that a sensational housebreaking occurred at Cannonville, when a drunken white man entered the bed room of two daughters of Mr. John A Ritchie with evil intent in his heart, and who was frightened away by the appearance of the father of the young ladies. Hoarde evaded the officers and got away, going to Huntersville where he secured employment in a cotton mill under an assumed name. But he was soon suspicioned and when a description and papers were sent the officers nabbed the gentleman and held him until Chief of Police Boger went over to Davidson College and brought him back Friday night.

Hoarde was given a preliminary hearing before Equire Hill this (Saturday) morning, when he submitted that he had entered the house, that he was under the influence of strong drink and was unaware of the seriousness of the infamous crime he was about to commit. Hoarde made an effort to effect a compromise, but Mr. Ritchie would not hear to it.

In default of a \$200 bond, he was remanded to jail.

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed, when the languid exhausted feeling prevails when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, indigestion, constipation, dizziness, yields to Electric Bitters. 50c and \$1.00 per bottle at Fetzter's Drug Store.
