Weekly Crop Bulletin.
 The weather during the week ending Saturday 12th, 1896, continued remarkably dry, almost no rain at all having fallen, except a few very light local showers in several western counties. The first part of the week was cool (7th and 8th), but during the latter part the temperature rose again above 90 degrees. The weather has been clear and favorable for cotton picking, but was not otherwise beneficial. Streams and wells are reported to be getting very low.

Western District: Excepting very light local showers on the 11th at scattered points in five counties, the entire week was dry and clear. The 7th and 8th were cool, but higher temperatures prevailed at the close of the week. These conditions were favorable for picking cotton, which progressed rapidly; cotton is estimated to be from one-half to two thirds open. The entire crop will be out at least three weeks earlier than usual. Field peas are being gathered, pods were formed sparingly. Where rains occurred turnips are making fine growth, but many farmers have planted turnip seed three times without securing a fair stand. Cane being cut and mclasses being made. Pastures injured by drought in western valleys.

MOUNT PLEASANT, N. C.

Died in a Waiting Room.
 Mrs. Fox, wife of Rev. Dr. J B Fox, pastor of the Lutheran church at Newberry, S. C., was suddenly taken ill last Friday at Alston, on the Southern train, while on their return from their summer vacation. She died of heart failure that afternoon in the waiting room of the Southern depot, whither she was conveyed upon the arrival of the noon train.

Dr. Fox is well known in this city and county, being a nephew of Mr. Martin Bost. He was also a student of North Carolina College in 1878. His home is at Newberry.

Serious Shooting Affair.
TARBORO, Sept. 12.—John Hardy, a young white man who lives near Rocky Mount, came here today to witness a game of baseball. Late this afternoon he was over the river near U G Peel's bar, where he got into a difficulty with John Miller, colored, who shot him in the right side. Hardy's condition is critical. Miller disappeared and has not yet been arrested.

Paralyzed While Preaching.
 Rev. R C Morrison, pastor of the Presbyterian church at Matthews, was stricken speechless with paralysis Sunday while in the midst of his sermon. He stopped in the midst of a sentence, and turning around walked to a chair and sat down. Some of the congregation hurried to him and found that he was speechless.—Charlotte Observer.

When a man owns a blooded horse he is always careful of its health. He looks after its diet and is particular that the feeding shall be regular and right. While he is doing this it is likely as not that he is himself suffering from some disease or disorder. When the trouble gets so bad that he cannot work, he will begin to give himself the care he gave the horse at the start. Good pure, rich, red blood is the best insurance against disease of any kind. Almost all diseases come from impure or impoverished blood. Keep the blood pure and strong and disease can find no foothold. That is the principle upon which Dr. Pierce's Golden Medical Discovery works. It cleanses, purifies and enriches the blood, puts and keeps the whole body in perfect order; makes appetite good, digestion strong, assimilation perfect. It brings ruddy, virile health, it builds up solid, wholesome flesh (not fat) when, from any cause, reduced below the healthy standard.

R. B. Glenn at Weldon.
WELDON, N. C., Sept. 12.—R B Glenn spoke to an immense crowd here today. The speech was a powerful arraignment of the monometallism, and a strong plea for free coinage. Great enthusiasm prevailed. Many populists and colored people were in the audience. Old Halifax will do her full duty.
