LOWE & DICK,

A VERY BAD ACCIDENT.

A Young Lady's Ankle Broken and the Bones Protrude Through the Flesh.

Miss Hattie Carroll, a young lady of Poplar Tent, Cabarrus county, was escorted to the city by a gentleman friend yesterday to hear Bryan. They spent a few hours with friends in the city and then started home. As they were near Newell's, the horse attached to their buggy became frightened and ran away. Miss Carroll was thrown out and struck the ground with violence. Her right ankle was so badly crushed that the broken bones protruded through the flesh. She was conveyed to the home of Mr. Frank S Neal, where her injuries were attended to by Dr. Will Pharr, of that neighborhood and Dr. Misenheimer, of Charlotte. It will be some days before she will be able to leave Mr. Neal's home.—Charlotte Observer.
[Miss Carroll is the daughter of Mr. S L Carroll. Her many friends in this city learn of the terrible accident with regret.]

A Provoked Clergyman.

Rev. Dr. J G Mason, a native of Jonesboro, Tenn., who is now a pastor of a church at Metuchen, N. J., was in the city this morning, and was landed here by some misunderstanding. He was very much provoked, too. The reverend gentleman was traveling on a clergyman rate ticket, which was void on the vestibule, although the passenger came from Jacksonville Friday without any kick on the part of the conductors until he reached Charlotte. He was put off at this point, and after demanding his valise, which was checked through to Washington, he discovered it to be badly used up, the lock being broken off and otherwise damaged. The gentleman was very much mortified, not only at being put off and treated very discourteously, but because he would not reach his home and congregation until Sunday morning, very much to his displeasure. He did not blame the conductor that put him off the train, but his heart was turned against the agent at Jacksonville, who told him that there would be no trouble.

The Discovery Saved His Life.
Mr. G. Cailloutte, Druggist at Beaverville, Ill., says: To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up, and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or horse without it. Get a free trial at Fetzter's Drug Store.

A Sad Sight.
A sad, heartbroken woman with four small children passed through the city last night from Asheville to High Point. It was the family of Joe Jackson. "What has my husband done and what has become of him?" was the query of the broken-hearted woman. When informed by the local reporter that he had been taken to Statesville for trial she wept and exclaimed, "I have no one to help me." The youngest child was three years old and one girl was totally blind.—Salisbury World.
