LOWE & DICK,

The cool cutting winds are commencing to blow and it is a well known fact that it has to be guarded against and to know where it can be done well and at a moderate cost is the subject that has to be studied well now.

We have a few facts, plain and unadulterated, that we want to lay before the buying public.

It will be dollars and cents in your pocket to read what we have to say and be governed by it.

He left this (Tuesday) morning for Auburn, N. Y., and from what information could be obtained, he has gone for good. The school has been left to the management of Miss Montgomery, who for several years taught in the school at Asheville.

Be On the Lookout.

It wouldn't be a bad idea for the registrars to be on the lookout for those who are not entitled to legal registration. In Salisbury several warrants have been issued for ex-convicts and new comers, who registered at that place on Saturday. Keep your eyes open.

Give the Devil His Dues.

Some preachers make the serious mistake of dwelling all the time on the faults and shortcomings of the people to whom they preach. The effect is most discouraging and demoralizing. We do not say that these faults and shortcomings should be overlooked, but that they should not receive a too exclusive attention. The true policy is to commend and endorse such virtues and graces as actually exist. This was the plan which the Lord Jesus himself used. Even in writing to the backslidden churches of Asia, he was careful to give them the utmost credit to which they were entitled. It is certainly the policy of wisdom to follow his example.—Nashville Christian Advocate.

SILVER OR GOLD.

Better than either is a healthy liver. If the liver is O. K. the man is O. K. His blood is kept pure, his digestion perfect, and he can enjoy life and act intelligently and patiently upon the questions of the day. You all know what to take. You have known it for years. It is Simmons Liver Regulator—

For years you and your fathers have found it of sterling worth. It is and always has been put up only by J. H. Zeilin & Co. Take none but the genuine. It has the Red Z on the front of the wrapper, and nothing else is the same, and nothing so good.
