Thos. Dixon, Jr., Conine.
 Rev. Thos. Dixon, Jr., the New York spectacular political divine, is to visit this State under the auspices of the Republican executive committee.

The far-famed robbin killer is expected to reach Raleigh in about two weeks. The first point at which he will speak in the interest of McKinley and gold will be Wilmington. It has been suggested that Buck Kitchin be sent to meet the Rev. Thomas.—Greensboro Record.

Some years ago, Rev. Thomas Dixon, Jr., made himself some notoriety by declaring that he could "not be a politician and a Christian." He must have abandoned any effort to be the latter, or else discovered some process by which he can be both at the same time.—Raleigh News.

Fall Communion and Special Collections.

It was announced Sunday that fall communion would be administered at the First Presbyterian church Sunday morning at 11 o'clock. Preparatory services will be held at that church Friday evening and Saturday morning. At the Sunday morning service a special collection will be taken for the poor and needy, preparatory to the coming winter. Sunday night a collection will be taken for the foreign mission cause.

A Sixty Mile Race.

Probably the longest race on record was made recently at Deer Lodge, Mon., to test the powers of endurance of two celebrated horses. The race was a go-as-you-please and the better horse made the sixty miles in four hours and twenty-eight minutes, winning a purse of one thousand dollars. He seemed fresh and anxious to finish out the hundred while his competitor could not be coaxed beyond the fifty-fifth mile.

Through the St. Louis Tornado.

Here is an illustration of the way the wind handled things during the big St. Louis tornado. This bicycle,

owned in St. Louis, was struck by three barrels of syrup, a tierce of lard and one barrel of vinegar. Absolutely the only uninjured parts are the saddle and the Morgan & Wright quick repair tires, which were full of air when the machine was found. Even if these tires had been punctured, unless severely torn, any one of the holes could have been repaired by the quick-repair device in them, without trouble. Riders of these tires, when they have a puncture, need only be careful to pump as much air as possible into the tire before inserting the quick-repair tool. The repair can be made in two minutes, at the roadside, without taking the tire off the rim.

Rimertown News.
 The funeral of Mrs. Eliza Goodman and son Charlie, both of whom died during last spring, will be preached at Paniel's church Sunday afternoon at 3 o'clock, by the Rev. J. Q. Weriz, of China Grove.

Miss Alice Cruse is confined to her room with chronic bronchitis.

Mr. George Fisher has moved to Albemarle, where he will conduct a livery business, having bought the stables of Mr. Tom Johnson, of that place.

There came near being a disastrous fire at Mr. Davis Barrier's gin at this place last week. Three bales of cotton caught fire from the engine and had it not been discovered when it was there might have been a serious loss to Mr. Barrier.

Shooting matches are becoming quite popular in this community. One took place at Mr. Bill Sides' last Friday and one Charlie Dry hit the bull's eye four times. He drove the beef, pike, tail and all home on foot. B. & S.

Hasseltine Captured in the Woods.

LANCASTER, S. C., Sept. 28.—Young Hasseltine, the defaulting clerk in the bank here, was arrested in the woods near Ocoola, on the Georgia, Carolina and Northern Road, Saturday night. All day Sunday they had him in the bank averbauling the bank's money deposits. The directors of the bank refuse to let out much news concerning the affair. Much sympathy is felt for his father here, who is a man in every sense of the word.

The Local Newspaper.

The advantages of a local newspaper are thus set forth by a minister who evidently knows exactly what he is talking about: "Your local paper tells you to go to church, to county court, and when to send your children to school or anywhere else you want to go. It tells you who is dead, who is sick, who is married, who is born and many other things you would like to know. It calls attention to public enterprise, advocates the best law and order in your town. It records the death of your son, the illness of your wife. It sets forth the advantages of your town and is the first to welcome new comers. Yet, in spite of all these benefits some say the home paper is too often neglected by those who benefit by it"—Chapel Hill News.

The Morgan & Wright Guarantee.

The guarantee of the "good tires" is broad enough to cover almost any kind of ailments and to satisfy the most exacting rider, but the line must be drawn somewhere, and Morgan & Wright are trying to make it known to riders everywhere that the guarantee does not cover damages resulting from the carrying of anti-leak preparations inside the tire. By having as much air as possible in the M. & W. quick-repair tire before putting the tool into the puncture, and following the few other simple instructions in the catalogue, a permanent repair can be made in two minutes, at the roadside, without removing the tire from the rim.
