The universal prevalence of scrofula is a fact well known to physicians. The only medicine that has hitherto proved a specific for this dreadful complaint is Ayer's Sarsaparilla, which expels every germ of poison from the blood. You can not begin to use it too soon.

Messrs. Ernest and Ralph Barrier, of Mt. Pleasant, were in the city today. It will be remembered that THE STANDARD noted Ralph's fearful fall recently. He is somewhat tied up yet but in fine spirits. He is very much pleased that he is living and doing well.

Mr. T. E. Willey, 146 Chambers st., New York City, says that Ayer's Sarsaparilla cured him of a dry and scaly humor, from which he had suffered intolerably. He adds: "I have not now a blemish on my body, and my cure is wholly due to Ayer's Sarsaparilla."

The Woman's Missionary Conference of Salisbury District will be held Central church, Concord, Oct. 23-25. Each Auxiliary and Light Bearers' Band is requested to elect two delegates, at once, to attend this conference. Mrs. J. R. Moose, District Secretary.

A felt want is that gnawing at the stomach after you have eaten a full meal, and can't eat any more, and yet there is that feeling as though you had eaten nothing. What is wanted then is a dose of Simmons Liver Regulator, the best Dyspepsia cure, for that is what the gnawing means. Simmons Liver Regulator is all that is recommended for indigestion.—A. R Dyche, London, Ky.

## Death Again.

Death has again invaded the family of Rev. W O Alexander and has found a victim in little Willie, a son of only three summers. A short funeral discourse took place at the house by Rev. A K Pool assisted by Rev. Parker, when the remains were laid to rest in the city cemetery. Willie was taken with disease some two weeks ago but no special alarm was felt till Tuesday night; that fearful scourge, diphtheria, developed and with resistless force did its deadly work. If a knowledge of sympathy makes the tears of affliction less scalding, and the heart aches of bereavement more bearable, Rev. Alexander and family may be assured that the community are pouring upon them this source of alleviation.

## A New Machine.

## Apples, Chestnuts and Cabbage.

Nearly every grocery man in the city handles fruit, but the mountain wagons are seemingly "doing" the merchants on the apple trade. Every day a number of mountain wagons strike town loaded with apples, chestnuts and cabbage, which are peddled from house to house. The merchants don't mind the competition, as the mountaineers hold up prices.

THE NEARER THE BONE THE SWEETER THE MEAT.

It is an old and homely adage and finds an application here. The maker of merchandise has reached the end of his summer. His season is over; yours has just begun. HERE THEY ARE:
