He will either make it in Franklin township or in China Grove, perhaps in the former. The test is to be made in this county complementary to Hon. Kerr Craige, Assistant Postmaster General. A fine head of hair is an indispensable element of beauty. Ayer's Hair Vigor maintains youthful freshness and luxuriance, restores to faded and gray hair its original color, prevents baldness, removes dandruff, and cures scalp diseases. It gives perfect satisfaction.

Daniel Sides, the young man that was kicked on the head by a horse, was brought to town this afternoon, having been carried all the way from near Misenheimer's springs to the city on a stretcher. Twelve men assisted in bringing him in.

"I was troubled for a long time with an itching humor on the scalp," says Mr. D P Davis, Neal's Landing, Fla., "but at last, being recommended Ayer's Hair Vigor, I tried it, and a complete cure was effected." Everyone who has used it speaks well of this dressing.

A felt want is that gnawing at the stomach after you have eaten a full meal, and can't eat any more, and yet there is that feeling as though you had eaten nothing. What is wanted then is a dose of Simmons Liver Regulator, the best Dyspepsia cure, for that is what the gnawing means. Simmons Liver Regulator is all that is recommended for indigestion."—A. R Dyche, London, Ky.

Ed. Isehour, son of Wm. Isehour, of No. 4 township, was seized suddenly with apoplexy Monday afternoon while riding horseback on the public road near Glasses, and fell violently to the ground. It is said that the young man is an inveterate cigarette smoker and attribute Mr. Isehour's trouble to the effect of the nefarious things. He was reported as dead, but Dr. Lafferty says he is now alright.

Death Takes a Young Mother.

News reached us that Mrs. John Holdbrooks, of No. 5, died Monday night at her home. She is the daughter of Mr. and Mrs. J J Baringer and sister of Mrs. J A Cline, of this city. Some time ago she took a mother's bed and complications followed that defeated all medical skill till death relieved her of lingering disease. The mortal remains will be placed in the cemetery at St. John's tomorrow at 12 o'clock after funeral rites by her pastor, Rev. Steffy.

Mrs. Holdbrooks was not yet in the zenith of life, being about 30 years old.

She leaves a husband and five small children, both parents and seven sisters to mourn her untimely departure.

Mr. Holbrooks has the sympathy of every tender heart and the dear little children that know not their loss have the deepest commiseration of loving bosoms.

The Morgan & Wright Guarantee.

The guarantee of the "good tires" is broad enough to cover almost any kind of ailments and to satisfy the most exacting rider, but the line must be drawn somewhere, and Morgan & Wright are trying to make it known to riders everywhere that the guarantee does not cover damages resulting from the carrying of anti-leak preparations inside the tire. By having as much air as possible in the M. & W. quick-repair tire before putting the tool into the puncture, and following the few other simple instructions in the catalogue, a permanent repair can be made in two minutes, at the roadside, without removing the tire from the rim.
