FETZER'S DRUG STORE.

HARRY P. DEATON, local reporter.

SHORT LOCALS.

Mr. Joe Reed is clerking at Fetzer's drug store.

Miss Lillie Nussman, of Nussman's, is quite sick with chills and malaria.

The Charlotte Observer failed to arrive this morning and there was general disappointment.

Mr. C E Earnhardt, of No. 5 township, has a pumpkin measuring two feet in diameter.

The bleachery has been closed down for several days on account of the filter being put in.

A potato in the shape of the letter Y was dug from the patch of Mrs. Cross, in No. 6 township.

One hundred and eight bales of cotton were sold in Concord yesterday. About the ruling price was 7.10.

If you want to get rid of your corns, buy your shoes from Ould. See his advertisement in another column.

It is said that McKinley has not got as good a show as Buffalo Bill, although he will be in the ring with a large number of scape goats and acrobats.

Mr. Wm. Freeze, an aged citizen of Enochville, died this (Thursday) morning. He had been confined to his bed for a long time with typhoid fever. His remains will be interred at the Methodist burying ground at that place tomorrow.

Between disease and the many cheap preparations which are palmed off under the name of blood purifiers, take your chances with disease, until you can procure Ayer's Sarsaparilla—the only reliable blood purifier. Sold by all druggists and dealers in medicine.

The meeting at the Baptist church is growing in interest at every service. Rev. Payseur, assisted by Rev. Pruett are doing some excellent preaching. Every afternoon and night at church, and every morning at 8 o'clock a service is held at the old school house at Cannonville.

Mr. C M Sappenfield is now ready to serve the public with oysters and quail on toast, by Wilse McMoore, whose reputation as a cook is unequalled. His restaurant is in the brick row, rooms formerly occupied by Lawyer W G Means. o23

The remarkable number of cures of gout and rheumatism which have followed the use of Ayer's Sarsaparilla, point conclusively to the fact that this remedy comes nearer being the specific for complaints of this nature than any other medicine in pharmacy.

Several weeks ago THE STANDARD made note of the fact that the Standard Oil Company would soon build a tank near the depot and start a delivery wagon. On Wednesday a gentleman called at this office and wanted to hire to us, stating that he could drive a wagon as good as anybody. We don't need anybody to drive unless he can handle the quill promiscuously.

A good recommendation for Simmons Liver Regulator is, that it is purely vegetable and strongly tonic. Then too, it is better than pills because easier to take in liquid or powder and with no griping, while the relief from Constipation, Biliousness, Sick Headache and Dyspepsia is quick and sure. "I find Simmons' Liver Regulator a very safe and valuable family medicine." —Rev. J M Rollins, Fairfield, Va

The Ideal Panacea.
 James L. Francis, Alderman, Chicago says: I regard Dr. King's New Discovery as an Ideal Panacea for Coughs, Colds and Lung Complaints, having used it in my family for the last five years, to the exclusion of physicians' prescriptions or other preparations.
 Rev. John Burgus, Keokuk, Iowa, writes: I have been a minister of the Methodist Episcopal church for 50 years or more, and have never found anything so beneficial, or that gave me such speedy relief as Dr. King's New Discovery. Try this Ideal Cough Remedy now. Trial Bottles free at Fetzer's Drug Store.

He Didn't Buy.
 It was going over town this morning that Mr. Luther Shirey, clerk at the St. Cloud Hotel, had purchased the livery establishment of Mr. J W Cook, but upon investigation, the rumor was started without foundation. He didn't buy, and has not entertained any thought of doing so.

Mr. Hileman In Grief.
 Mr. Hileman started out saying nothing as to his vote for United States Senator if elected to the House. He would not answer the question in No. 1 township. In No. 2 he said he would be governed by the fusion caucus which it was understood would name a Republican (Pritchard). In No. 3 yesterday he declared he would vote for a free silver man regardless of consequences. Does this look like the fusion bargain? Can Mr. Hileman play at fast and loose and the parties concerned know what to expect of him in the crisis? We think we would be afraid to confide in him.
 If Mr. Hileman had fine sensibilities we think this canvass might turn his hair gray.

The Electoral Ticket.
 The Democratic and Populist electoral ticket that will be voted for on Tuesday week by the great bulk of North Carolinians are:
 At large—Locke Craig, R B Davis.
 1st district—Theo. White,
 2nd district—H F Freman,
 3rd district—C R Thomas,
 4th district—W S Bailey,
 5th district—William Merritt,
 6th district—B F Keith,
 7th district—Theo. F Klutz,
 8th district—Tyre York,
 9th district—R D Gilmer.

It is the duty of every friend of silver to vote the entire ticket without a scratch. And again, we warn the people not to vote for members to the General Assembly who will not support a free silver man to the United States Senate.

NOT LIKE OTHERS

There is a difference between medicines and medicines. Those of to-day, as a rule, differ from those of the past in many respects. Fully as great is the difference between Dr. King's

ROYAL GERMETUER

and the ordinary medicines of to-day. It is unlike them in

THESE FIVE THINGS:

1. It does not taste like a medicine. It is as pleasant to take as lemonade and makes a most refreshing drink.
2. It never nauseates the most delicate stomach.
3. It does not swap off one disease for another. It does not set up one form of disease in order to relieve another as is so often the case.
4. It contains no alcohol or opium in any form and is always harmless even when given to a babe one day old.
5. It does not patch simply, it cures. It reaches as nothing else does to the hidden sources of disease in the blood and removes the cause. It does this with an ease and power that have never been equaled.

For all troubles of the Blood, Stomach, Bowels, Kidneys and Nerves, and for all forms of MALARIAL POISON it stands pre-eminent—without a rival or a peer.
