A Commendable Example.

In these days of coercion of the  
laboring men's vote it is refreshing  
to read of the manufacturers who  
ask their employees to vote as they  
think.

The Granite Cotton Mills and  
Thos. M Holt Manufacturing Com-  
pany Mills, of Haw River, are  
among the largest in the South and  
are owned by the estate of the late  
Gov. Holt, his son Charles being  
president, and his son-in-law, A W  
Haywood being vice-president.  
Both these gentlemen are earnest  
free silver men.

Some time ago at the request of  
the employees of these mills, Mr.  
Haywood made them a short talk  
on the issues of the day and told  
them that no man in the employ of  
the Granite Mills or the Thomas H  
Holt Manufacturing Company  
Mills should lose his job on ac-  
count of the way in which he voted  
at the coming election; that the  
owner of the mills wanted every  
employee to vote his honest senti-  
ments at the polls, and that no man  
should be molested or discriminated  
against for so doing.

This is not only the fair course  
but the lawful course.

We commend it to all mill men  
who have given out intimation that  
their employees must vote as they  
did or look out for another job.  
The laws of our State punishes se-  
verely all coercion or attempts at  
coercion of employees by employ-  
ers, and all who violate this law  
should be severely dwelt with.—  
Durham Sun.

The big hearty, healthy man is a  
continual irritation to his dyspeptic  
friend. Constipation is the root of  
nine-tenths of the sickness of men,  
and a large proportion of the sick-  
ness of women. It can be cured  
easily, naturally and quickly. Na-  
ture is constantly working as hard  
as she can throw off impurities, and  
to force out poisonous refuse matter.  
When there is an impediment, Dr.  
Pierce's Pleasant Pellets set the  
wheels working again without any  
trouble. They assist nature in a  
gentle, healthful, efficient way.  
There is nothing violent about  
their action, and yet it is just as  
certain as is it were twice as violent.  
"You do not become a slave to  
their use." They are different and  
better than any other pill for the  
cure of constipation, headache and  
kindred derangements. Almost all  
druggists understand this, and are  
conscientious enough to tell you so.  
The druggist who tries to sell you a  
substitute is not a safe man from  
whom to buy medicine. Send 21  
cents in one-cent stamps to World's  
Dispensary Medical Association,  
Buffalo, N. Y., and receive Dr.  
Pierce's 1008 page "Common Sense  
Medical Adviser," profusely illus-  
trated.

Rabbits Caused Diphtheria.

WEBSTER CITY, Ia., Oct. 18—  
Rabbits have caused an epidemic of  
diphtheria in the eastern part of  
the country, and it has spread to  
Dows, Iowa Falls, Jewells Junction  
and Adel. A dozen deaths have  
been reported.

By last reports, diphtheria has  
broken out annually in the vicinity  
of the Tybithra Lutheran church,  
which is used as a school building.  
A large number of rabbits have been  
hibernating in the building for a  
long time, and the physicians have  
reached the conclusion that the lit-  
tle animals have planted the germs  
of the disease, which spread among  
the children. The church will be  
burned.

BACKACHE AND RHEUMATISM relieved  
by Dr. Miles' Nerve Plaster.

Why should Mr. Gudger say  
the Democrats wanted a free  
fight in '60 when he knows that  
the Republican party was bent on revo-  
lutionizing the country for the de-  
struction of slavery? Without say-  
ing it was right or wrong the Re-  
publican party was bent on what  
could not be done without war.  
They got the war and got the free-  
dom of slaves but the reference to  
it in this connection is the variest  
nonsense.

Our Republican speakers in re-  
fusing joint discussion are a little  
like some men of white skin who  
are gathering the negroes into groups  
at night stuffing them with all kinds  
of perversions of the truth. When  
men's deeds are evil they like dark-  
ness rather than light.

It May Do as Much for You.

Mr. Fred Miller, of Irving, Ill.,  
writes that he had a severe Kidney  
trouble for many years, with severe  
pains in his back and also that his  
bladder was affected. He tried  
many so called kidney cures but  
without any good result. About a  
year ago he began use of Electric  
Bitters and found relief at once.  
Electric Bitters is especially adapt-  
ed to cure all Kidney and Liver  
troubles and often gives almost in-  
stant relief. One trial will prove  
our statement. Price 50c and \$1.00  
at Fetzer's Drug Store.

Mr. Gudger must have known  
better than to say that the silver  
advocate asked to get down on a  
level with the silver standard heathen  
countries. If he had left that out  
his hearers might have had higher  
respect for his veracity or his good  
sense.

TO CURE A COLD IN ONE DAY

Take laxative Bromo Quinine Tab-  
lets. All druggists refund the  
money if it fails to cure. 25c.

Mr. Gudger lately left the Demo-  
cratic party and there is room to  
suspect why he did it. Who is the  
bug in the barn yard rolling the  
ball backward? Is not it Mr.  
Gudger's picture?

Through the St. Louis Tornado.

Here is an illustration of the way  
the wind handled things during the  
big St. Louis tornado. This bicycle,

owned in St. Louis, was struck by  
three barrels of syrup, a tierce of  
lard and one barrel of vinegar. Ab-  
solutely the only uninjured parts  
are the saddle and the Morgan &  
Wright quick repair tires, which  
were full of air when the machine  
was found. Even if these tires had  
been punctured, unless severely  
torn, any one of the holes could  
have been repaired by the quick-re-  
pair device in them, without trou-  
ble. Riders of these tires, when  
they have a puncture, need only be  
careful to pump as much air as  
possible into the tire before insert-  
ing the quick-repair tool. The re-  
pair can be made in two minutes,  
at the roadside, without taking the  
tire off the rim.
