NOT LIKE OTHERS

There is a difference between medicines and medicines. Those of to-day, as a rule, differ from those of the past in many respects. Fully as great is the difference between Dr. King's

ROYAL GERMETUER

and the ordinary medicines of to-day. It is unlike them in

- THESE FIVE THINGS:
1. It does not taste like a medicine. It is as pleasant to take as lemonade and makes a most refreshing drink.
 2. It never nauseates the most delicate stomach.
 3. It does not swap off one disease for another. It does not set up one form of disease in order to relieve another as is so often the case.
 4. It contains no alcohol or opium in any form and is always harmless even when given to a babe one day old.
 5. It does not patch simply, it cures. It reaches as nothing else does to the hidden sources of disease in the blood and removes the cause. It does this with an ease and power that have never been equaled.

For all troubles of the Blood, Stomach, Bowels, Kidneys and Nerves, and for all forms of MALARIAL POISON it stands pre-eminent without a rival or a peer. Sold by druggists, new package, large bottle, 100 Doses, One Dollar. Manufactured only by THE ATLANTA CHEMICAL CO., ATLANTA, GA. WRITE FOR 48-PAGE BOOK, MAILED FREE. FETZER'S DRUG STORE
