Main's circus is in Salisbury today. A number of Cabarrus people have gone to see the street parade. The same thing will be in Charlotte Monday.

The street force has done some very good service in all parts of the town since the 1st of October. The rain has stopped the work and the force can now lecture.

A little white child in the up-country of South Carolina was recently bitten by a "blue gum" negro, and now the child has spasms and it is thought that it will die.

Korner predicts that the State and county is safe—Watson and the balance of the Democratic ticket will be elected. He's pretty good authority for some things—we'll see what we'll see.

It is now stated that the marriage of Dr. White to Miss Thomas was a runaway affair, or rather the couple were married at Blacksburg, S. C., and not at the bride's home in Stanly county, as we stated.

Mr. M F Teter, of No. 1 township, we are sorry to learn, is not improving from his complications that have confined him ever since June. His many friends will note this with keen, but disappointed interest.

Charlotte is to have four circuses this year. They are most as numerous as the campaign speakers, but as to acrobatic performances they will never be able to compare with the man that jumped three political parties in one campaign.

Dr. S C Webb, Liberty, Miss., says: "I have been using Ayer's Pills for over twenty-five years, and recommend them in cases of chronic diarrhoea, knowing their efficiency from personal experience, they having cured when every other medicine failed."

A man walked into the depot Friday and asked Mr. C A Pamplin the price of a ticket to South Carolina. When asked to what point, the man said: "Oh, it don't matter—just any old place. I want a return ticket—there are two of us." Mr. Pamplin did not know the couple, but Gretna Green was playing a part. They have gone to have the matter fixed up.

Invalids should remember that the causes of sick and nervous headaches may be promptly removed by taking Ayer's Pills. These Pills speedily correct irregularities of the stomach, liver, and bowels, and are the mildest and most reliable cathartic in use.

This is the day of anti-this, and anti-that, but what people need most nowadays is the anti-bilious medicine, Simmons Liver Regulator, the King of Liver Medicines, and Better Than Pills. "I have used no other anti-bilious remedy for six years and know from experience that for ladies of a constipated habit nothing equals it."—Laura V Craig, Ellenbury, Fla.

Lutheran Observer: A New York paper of last week states that "Within a few days Mr. Bryan will receive a gold headed cane, set with two large diamonds. The cane was put up at a fair in aid of the new German Evangelical Lutheran Church, Brooklyn, the conditions being that it should go to the Presidential candidate receiving the largest number of votes from patrons of the fair. When the contest closed Bryan was 400 votes ahead.

## Revised Registration List.

Completed and revised registration lists show a decided increase over two years ago. It is charged that a great many negroes are illegally registered, but the legitimate increase is at least 25 per cent. in every ward of the city. Following is the corrected list for the four wards of the city.

Ward 1—White 334, colored 62; total 396.

Ward 2—White 335, colored 20; total 355.

Ward 3—White 71, colored 30; total 101.

Ward 4—White 152, colored 170; total 322.

Total registered voters in the entire city 1,174.

In all the wards except No. 3 the challenging was quite lively to-day, and the vote will be considerably less than the registration. Everything seems to be correct in Ward 3, and it is not thought there will be a single voter challenged there.

That

Pretty

Dress?

It certainly is beautiful, and My! What a fit.

I bought this from Gibson & Morrison. They always keep a full line of fashionable and cheap dress goods, and they have Butterick's Patterns, which you will find the most stylish and easiest to fit. I always use these patterns. Isn't my cape pretty, too? Look what splendid material, and the very latest style! They get new wraps every few days.

And don't forget their shoes. Mine are so much admired and make my foot look so "swell" and as for cheapness and wear they are the best. Take my advice and get your children shoes there. They have them all sizes and they will last till you are tired of them. In fact you will find anything they sell you good and cheap. Go to see them and you will believe me. Fashion sheets free.

## NOT LIKE OTHERS

There is a difference between medicines and medicines.

Those of to-day, as a rule, differ from those of the past in many respects.

Fully as great is the difference between Dr. King's

## ROYAL GERMETUER

and the ordinary medicines of to-day. It is unlike them in

**THESE FIVE THINGS:**

1. It does not taste like a medicine. It is as pleasant to take as lemonade and makes a most refreshing drink.

2. It never nauseates the most delicate stomach.

3. It does not swap off one disease for another. It does not set up one form of disease in order to relieve another as is so often the case.

4. It contains no alcohol or opium in any form and is always harmless even when given to a babe one day old.

5. It does not patch simply, it cures. It reaches as nothing else does to the hidden sources of disease in the blood and removes the cause. It does this with an ease and power that have never been equaled.

For all troubles of the Blood, Stomach, Bowels, Kidneys and Nerves, and for all forms of MALARIAL POISON it stands pre-eminent—without a rival or a peer.
