It has been held that consumption  
is hereditary, and the fact that one  
person of a family had died with  
consumption was considered a sure  
sign that others of that family could  
not escape it. This is partly true  
and partly untrue. A man with  
weak lungs is likely to transmit that  
weakness to his children. But there  
is no reason in the world why weak-  
ness should be allowed to develop.  
Keep the lungs full of rich, red,  
wholesome blood and the weakness  
will disappear. Decaying tissues  
will be thrown off, and new material  
will be added until the lungs are  
well and perfectly strong again.  
This is the thing that Dr. Pierce's  
Golden Medical Discovery does.  
This is what makes it cure 98 per-  
cent of all cases of consumption  
where it is taken according to di-  
rections. It searches out disease  
germs wherever they may be in the  
body and forces them out of the  
system. It supplies the blood with  
rich, life giving properties. It  
makes the appetite good, digestion  
perfect. Send 21 cents in one-cent  
stamps to the World's Dispensary  
Medical Association, Buffalo, N. Y.,  
and receive Dr. Pierce's 1008 page  
"Common Sense Medical Adviser,"  
profusely illustrated.

Through the St. Louis Tornado.  
Here is an illustration of the way  
the wind handled things during the  
big St. Louis tornado. This bicycle,

owned in St. Louis, was struck by  
three barrels of syrup, a tierce of  
lard and one barrel of vinegar. Ab-  
solutely the only uninjured parts  
are the saddle and the Morgan &  
Wright quick repair tires, which  
were full of air when the machine  
was found. Even if these tires had  
been punctured, unless severely  
torn, any one of the holes could  
have been repaired by the quick-re-  
pair device in them, without trou-  
ble. Riders of these tires, when  
they have a puncture, need only be  
careful to pump as much air as  
possible into the tire before insert-  
ing the quick-repair tool. The re-  
pair can be made in two minutes,  
at the roadside, without taking the  
tire off the rim.

## Young Boys Have a Time.

Saturday night about 11 o'clock a  
number of young boys were on the  
streets "having lots of fun." Yorke,  
Wadsworth & Co. left several large  
bells sitting in the front of their  
store and in some way the boys  
contrived to fasten a piece of iron in  
one where the clapper ought to have  
been, tied a string to it and began  
ringing the bell. No one was near  
the bell and it was some time before  
the police discovered the cause of  
commotion among the bells.

## CASTORIA

For Infants and Children.

A Genuine Coon.  
Something that attracts attention  
is a "coon," one of the genuine coon  
coons. Mr. John R Wood, who  
lives on North Spring street, is the  
owner. He has it chained to a stake  
in his yard, where hundreds of peo-  
ple have been to see it.

## Electric Bitters.

Electric Bitters is a medicine  
suited for any season, but perhaps  
more generally needed, when the  
languid exhausted feeling prevails,  
when the liver is torpid and slug-  
gish and the need of a tonic and  
alterative is felt. A prompt use of  
this medicine has often averted  
long and perhaps fatal bilious fevers.  
No medicine will act more surely in  
counteracting and freeing the system  
from the malarial poison. Headache  
indigestion, constipation, dizziness  
yields to Electric Bitters. 50c and  
\$1.00 per bottle at Fetzner Drug  
Store.

Dr. Miller's Electric Bitters are guaranteed to stop  
Headache in 10 minutes. "One cent a dose"

## Held a Wheel Until Money was Pro- duced.

Last week a negro and a white  
man went out to No. 7 township on  
a campaign tour, both riding bicy-  
cles, and wearing McKinley badges.  
The two men became very hungry  
and stopped at the home of a Mr.  
Rhinehardt, a son of Mr. Mike  
Rhinehardt, of this city, and asked  
to be accommodated to dinner. Mr.  
Rhinehardt fed them, after which  
the men declared that they had no  
money and could not pay him for  
their dinner. Mr. Rhinehardt then  
took possession of one of the bicy-  
cles and would not give it up until  
the money came forth, which the  
men were very willing to pay after  
seeing that their scheme to beat was  
no good.
