Salisbury World: Her many friends were glad to see Miss May Belle Wright out Saturday for the first time since her recent illness.

Dr. S C Webb, Liberty, Miss. says: "I have been using Ayer's Pills for over twenty-five years, and recommend them in cases of chronic diarrhoea, knowing their efficiency from personal experience, they having cured when every other medicine failed."

A tramp, giving his name as John Greer, was arrested at Forest Hill this morning for stealing a coat from Mr. Will Mabrey. In default of bond the weary hobo was sent to jail. He had entered the house and had tried on several others before fastening on to the one he had.

This is the day of anti-this, and anti-that, but what people need most nowadays is the anti-bilious medicine, Simmons Liver Regulator, the King of Liver Medicines, and Better Than Pills. "I have used no other anti-bilious remedy for six years and know from experience that for ladies of a constipated habit nothing equals it."—Laura V Craig, Ellenbury, Fla.

The country roads are in excellent condition for wagners.

Miss Belle Honeycutt, of Forest Hill, is confined to her room with mumps.

The meeting at the Baptist church is still in progress, and much interest is manifested. The meeting will continue through the week.

All honest Populists should heed the sound advice of Maj. Guthrie. He says to them: "Don't stultify yourselves by voting for a free silver President and then tie his hands by voting for a goldbug Congressman."

Invalids should remember that the causes of sick and nervous headaches may be promptly removed by taking Ayer's Pills. These Pills speedily correct irregularities of the stomach, liver, and bowels, and are the mildest and most reliable cathartic in use.

Press dispatches from New York say that the McKinley odds are on the decrease, and that but few bets are now taken at even money, owing to the favorable indications of Bryan's election. It is now believed that Bryan will carry New York.

## They We're After Him.

A certain young gentleman of this city went out to visit friends at Mt. Pleasant Monday, and after being there for a few hours "the boys" put him on to the "tick tack" racket to scare the Seminary girls at Mont Amena. He was "out for fun" and the scheme was a good one, he thought. At 10 o'clock the "gang" went down and fastened the strings to the blinds at the seminary and the young gentleman from Concord was to manipulate the workings.

About the time to "pull the string" one of the college boys who had been posted, appeared in his shirt sleeves, caught the string and followed it until he had nearly reached the boys, when the Concord boy gave a yell and started to run. The college boy, of course, opened fire on the young gentleman from Concord and the last seen of the "kid" he was going across the creek a mile below town saying to a friend: "Don't tell them that you saw me, for they will know the rest," etc.

At last accounts he had not returned to his former home—Mt. Pleasant—or to his present home in this city.

## Mayor's Court.

Now that the election is nearly upon us, money is flowing freely into the town treasury. Mayor Morrison had five cases on docket Monday night.

E H Brewer, S P McLester, Watt Oxford and Frank Mills were up for assault, each of whom were fined \$5, except Mills, whose fine was only \$3.

Adam Allman was fined \$3 for being drunk and disorderly, and was bound over to court in the sum of \$50 for carrying a pistol.

## For Sale.

**WHERE DID YOU GET**

**That Pretty Dress?**

**It certainly is beautiful, and My! What a fit.**

I bought this from Gibson & Morrison. They always keep a full line of fashionable and cheap dress goods, and they have Butterick's Patterns, which you will find the most stylish and easiest to fit. I always use these patterns. Isn't my cape pretty, too? Look what splendid material, and the very latest style! They get new wraps every few days.

And don't forget their shoes. Mine are so much admired and make my foot look so "swell" and as for cheapness and wear they are the best. Take my advice and get your children shoes there. They have them all sizes and they will last till you are tired of them. In fact you will find anything they sell you good and cheap. Go to see them and you will believe me. Fashion sheets free.
