WHOLE NO. 1,544

TO THE VOTERS.

Chairmen Caldwell and Young Appeal to the People.

To the Voters of Cabarrus County.—As Chairman of the People's Party of Cabarrus, I desire to state that the State and National tickets sent me by Chairman Hal. W. Ayer are now in my safe and that they contain the eleven electors presented by the Democratic and Populist parties, to wit: Locke Craig and Robert B. Davis, electors-at-large; Ralph Howland, of the 1st district; H. F. Freeman, of the 2nd district; C. R. Thomas, of the 3rd district; W. S. Bailey, of the 4th district; William Merritt, of the 5th district; B. F. Keith, of the 6th district; Theo. F. Klutz, of the 7th district; Tyre York, of the 8th, and R. D. Gilmer, of the 9th district. This is the ticket which I shall have placed at every precinct in the county and it is the ticket for which every true Populist will vote. As I stated in my appeal in the Vestibule of October 28th 1896, to scratch Democratic electors is to elect McKinley and I again warn Populists not to defeat Bryan by voting for only Populist electors. I make this special plea because it has come to my knowledge through an official circular issued by Chairman Ayer and Chairman Manly that bogus tickets are being circulated which contain only the Populist electors. This is a scheme to defeat Bryan by playing upon the prejudice of Populists, but this movement is of a Republican side-show. There is no patriotism in it, but it is another "game of politics," which I repudiate and denounce as unworthy of any man who claims to be a Populist. The people cannot be fooled by any such scheme. Let us be true to Bryan by giving him the eleven electoral votes of North Carolina. MORRISON CALDWELL.

Chairman People's Party Ex. Com. Oct. 31st, 1896. As Chairman of the Democratic Executive Committee of Cabarrus county, I respectfully call upon all Democrats and others who desire the election of Mr. Bryan, to vote the entire ELECTORAL ticket above mentioned and none other. If any tickets appear at any of the voting precincts with any of the above electors omitted the same are spurious and fraudulent. A. B. YOUNG.

Chairman Dem. Ex. Com. Cab. Co. The Discovery Saved His Life. Mr. G. Cailloutte, Druggist at Beaverville, Ill., says: To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it. Get a free trial at Fetzer's Drug Store.

To The Voters of Cabarrus County.

G. E. Kestler, of Concord, has had gotten up and distributed to points all over the State a one-sided ticket, that is, one that has on it only the five Pop electors. He appeals to the Pops to vote this ticket claiming that the Dems have violated their contract to take S-wall down when he and every one else knows that no such contract ever existed. In proof of this statement is the fact that the Dems and Pops through their Executive Committees have fused on the electoral ticket and made a solemn compact to vote a ticket composed of five Dems, five Pops and one silver party man. As further proof I refer to Maj. Guthrie's card below and also the fact that Senator Butler has telegraphed to several persons in this State that these tickets being distributed by Kestler must be suppressed.

Chairman Manly and Ayer both say this is a scheme of an enemy of Bryan—this is true.

I therefore as Chairman of the Democratic Executive Committee of Cabarrus county earnestly appeal to all Democrats not to scratch anything where fusion has been agreed upon but to vote the ticket as named in the card below from Chairmen Manly and Ayer and be not deceived.

A. B. YOUNG, Chairman Cabarrus Democratic Executive Committee.

ADDRESS BY MANLY AND AYER.

RALEIGH, Oct. 30.—It has come to our knowledge that a ticket is in circulation purporting to be the Populist ticket, headed "Straight Populist Ticket," on which are only five Populist electors. We desire to state that this is a bogus ticket, gotten out by an enemy to Mr. Bryan and one who desires his defeat. The undersigned, as chairman of the Populist party, has duly sent out the regular Populist ticket to each of the precincts in North Carolina, where there are Populist voters, which ticket contains the eleven electors presented by the Democratic and Populist parties, to-wit: Locke Craig and Robt. B. Davis, electors at large; Ralph Howland, of the first district; H. F. Freeman, of the second district; C. R. Thomas, of the third district; W. S. Bailey, of the fourth district; William Merritt, of the fifth district; B. F. Keith, of the sixth district; Theo. F. Klutz, of the seventh district; Tyre York, of the eighth district; R. D. Gilmer, of the ninth district.

As chairman of the executive committees of the respective parties, to-wit: Democratic party and People's party, who have jointly presented this ticket as the Bryan electoral ticket, we respectfully call upon all Populists and Democrats and all others who desire the election of Mr. Bryan to vote this ticket and none other.

CLEMENT MANLY, Chairman Democratic State Executive Committee.
HAL. W. AYER, Chairman People's Party State Executive Committee.

A CARD OF DISCLAIMER FROM CHAIRMAN AYER.

Special to The Observer.

RALEIGH, Oct. 30.—Please announce that any ticket which bears only the names of Populists or only the names of the Democratic electors has no approval at the People's party headquarters, and is not the official ticket. Please say for me also that all of the People's party tickets are at their destination and will be at their proper places on election day, all reports to the contrary notwithstanding.

HAL. W. AYER, Chairman People's Party Executive Committee.

MAJ. GUTHRIE'S CARD.

I again repeat the warning that you be careful to read all the names on your ballots before they are deposited in the ballot-box, and I do so the more earnestly because I have now before me a printed ballot entitled "Straight Populist Ticket," which has printed on it the names of only the five Populist electors, when it should have the names of the eleven Bryan fusion electors. This ticket has already been issued, and circulated to deceive and mislead the voters, but by what authority or whow I do not know. Is this a scheme of Mark Hanna? Remember that trite old saying that "Eternal vigilance is the price of liberty," and be watchful.

W. A. GUTHRIE, Raleigh, N. C., Oct. 30 1896. SENATOR BUTLER'S TELEGRAM.

Raleigh Correspondence Charlotte Observer. "Senator Butler telegraphed to three persons in the State saying that these tickets must be suppressed and proper ones issued."

Through the St. Louis Tornado. Here is an illustration of the way the wind handled things during the big St. Louis tornado. This bicycle,

owned in St. Louis, was struck by three barrels of syrup, a tierce of lard and one barrel of vinegar. Absolutely the only uninjured parts are the saddle and the Morgan & Wright quick repair tires, which were full of air when the machine was found. Even if these tires had been punctured, unless severely torn, any one of the holes could have been repaired by the quick-repair device in them, without trouble. Riders of these tires, when they have a puncture, need only be careful to pump as much air as possible into the tire before inserting the quick-repair tool. The repair can be made in two minutes, at the roadside, without taking the tire off the rim.

LIVER OR GOLD.

Better than either is a healthy liver. If the liver is O. K. the man is O. K. His blood is kept pure, his digestion perfect, and he can enjoy life and act intelligently and patiently upon the questions of the day. You all know what to take. You have known it for years. It is Simmons Liver Regulator—

For years you and your fathers have found it of sterling worth. It is and always has been put up only by J. H. Zeilin & Co. Take none but the genuine. It has the Red Z on the front of the wrapper, and nothing else is the same, and nothing so good.

CHILDREN ought to be brightened by a mother's daily cares and help her to be strong, capable and cheerful. It is not right for mothers to feel the burden of life growing heavier and heavier year by year because of child-bearing and child-rearing. That shows something is wrong in the mother's physical condition. There is some unnatural weakness in her delicate organism which disqualifies her for motherhood. When this is wrong everything is wrong. A woman's physical life is wrapped up in the special organs of her sex. When these are restored to health and strength the whole woman becomes healthy and strong. Dr. R. V. Pierce of Buffalo, N. Y., has made a life-study of this problem of restoring health and strength to women. His "Favorite Prescription" is the most successful remedy that has ever been known for women's peculiar ailments. Its sale exceeds the combined sales of all other medicines for women. It cures the most obstinate uterine diseases. It goes directly to the internal organism which is the real seat of all the troubles. It imparts vigor and health where they are most needed; heals ulceration; stops the weakening drains; promotes regularity, restores muscular power to the ligaments, thus correcting displacements of special organs in the only natural way.

Complete information regarding the "Favorite Prescription" and testimonials from hundreds who have used it, are embodied in Dr. Pierce's Common Sense Medical Adviser, a standard medical work of 1008 pages, profusely illustrated, which will be sent free on receipt of 21 one-cent stamps to cover cost of mailing only. This work is a complete family doctor book and should be read by both young and old. The profits on the sale of 680,000 copies at \$1.50 has rendered possible this free edition. The Morgan & Wright Guarantee.

The guarantee of the "good tires" is broad enough to cover almost any kind of ailments and to satisfy the most exacting rider, but the line must be drawn somewhere, and Morgan & Wright are trying to make it known to riders everywhere that the guarantee does not cover damages resulting from the carrying of anti-leak preparations inside the tire. By having as much air as possible in the M. & W. quick-repair tire before putting the tool into the puncture, and following the few other simple instructions in the catalogue, a permanent repair can be made in two minutes, at the roadside, without removing the tire from the rim.
