A bouquet of lovely, rare roses and chrysanthemums adorn our office. They are the gift of friends, who are friends, and truly we appreciate them.

Prof. McGee, of Clemson College, S. C., was showing his senior class a new corn shredding machine last week when his coat was caught by the saws and he was jerked on the saws and received a wound in the side from which he died in a few hours.

Always ready—Ayer's Cherry Pectoral. It needs no mixing, no shaking, no disguise—nothing but a spoon. At dead of night, your child startles you with a croupy cough. Immediately that you give this remedy, the little one is relieved, and the household is again at rest.

The cure of Rheumatism has often taxed medical skill, but its prevention has been very easy by an occasional use of Simmons Liver Regulator. It keeps the liver well regulated, and the system free from poison. Therein is the secret of health. "I have used it for years for indigestion and constipation, and also found it gives one relief from a touch of Rheumatism."—H. Hughes, Lordsburg, N. M.

Ayer's Sarsaparilla acts directly and promptly, purifying and enriching the blood, improving the appetite, strengthening the nerves, and invigorating the system. It is, therefore, in the truest sense, an alterative medicine. Every invalid should give it a trial.

Mrs. Mary Blackwelder, of No. 4 township, is rapidly sinking at the home of her son, Mr. Robert Blackwelder. Mrs. Blackwelder is nearly 90 years of age and has been an invalid for seven years. She is the mother of the veteran policeman of Charlotte.

All Saints Day.

Tomorrow the Episcopalians are to have their new window in. It being November first, "All Saints Day" and as their little church is named "All Saints" they love to mark the day by this offering.

The window was made by Charles Booth, of New York, and is a marvel of beauty for its cost. The colors are subdued and harmonious. The Cross and Crown stand forth, from the centre and the inscription "Be thou faithful unto death and I will give you life," is underneath.

It will be placed in the porch of the church, and complete the set of windows in the church. Services tomorrow will be particularly beautiful with the music for the day.

We congratulate the church people who, though small in number, are ever active in work for their church and the works of charity.

We are requested to say also, that the sermon will be on the history, meaning and uses of this day's services.

WATCH YOUR TICKET.

Republican Schemers Have Proposed to Carry the State for McKinley.

It cropped out in Friday's Charlotte Observer that tickets had been printed in that city and sent out over the State bearing only the names of the Bryan and Watson electors, leaving off the Sewall electors. We warn every man that is favorable to Bryan's election to be on the alert. The tickets arrived in this city Friday and were sent to the different precincts for distribution Friday night.

Men, bestir yourselves to your duty and see that they are not voted.

WHERE DID YOU GET

That Pretty Dress?

It certainly is beautiful, and My! What a fit.

I bought this from Gibson & Morrison. They always keep a full line of fashionable and cheap dress goods, and they have Butterick's Patterns, which you will find the most stylish and easiest to fit. I always use these patterns. Isn't my cape pretty, too? Look what splendid material, and the very latest style! They get new wraps every few days.

And don't forget their shoes. Mine are so much admired and make my foot look so "swell" and as for cheapness and wear they are the best. Take my advice and get your children shoes there. They have them all sizes and they will last till you are tired of them. In fact you will find anything they sell you good and cheap. Go to see them and you will believe, me. Fashion sheets free.
