The forecast predicts for showers tonight and tomorrow; warmer to-night.

There were fifty-eight negroes in the Mecklenburg jail Monday night. It wouldn't take many houses full like that to make a landslide for some man.

At the meeting of county commissioners Monday, no business of special importance was transacted outside of the usual payment of monthly bills.

At the home of Mr. and Mrs. J N Brown Monday night a number of young folks gathered to meet Miss Nealie Capps, a pretty little girl of Salisbury who delighted the company with a number of recitations.

At the meeting of the Hose and Reel company last night, five members of the company were instructed to remain in the hall tonight and be in readiness to move in case of fire.

The North Carolina University football team was defeated by the Y. M. C. A. team of Charlotte Monday afternoon by a score of 8 to 0. The game is said to have been one of much merit and intense interest.

Miss Sallie Cunningham, who was visiting at the home of Mr. D M Cross in No. 8 township, and was taken sick there, died Monday afternoon. She was affected with Bright's disease and at the time of her death she was 84 years of age. Her remains were taken to her old home at Gold Hill for interment.

October was a pretty good month for marriages. Twenty-eight licenses were sold, twenty-one of which were to white couples. Register Weddington says the business is not as brisk as a year ago.

Always ready—Ayer's Cherry Pectoral. It needs no mixing, no shaking, no disguise—nothing but a spoon. At dead of night, your child startles you with a croupy cough. Immediately that you give this remedy, the little one is relieved, and the household is again at rest.

Ayer's Sarsaparilla acts directly and promptly, purifying and enriching the blood, improving the appetite, strengthening the nerves, and invigorating the system. It is, therefore, in the truest sense, an alterative medicine. Every invalid should give it a trial.

The cure of Rheumatism has often taxed medical skill, but its prevention has been very easy by an occasional use of Simmons Liver Regulator. It keeps the liver well regulated, and the system free from poison. Therein is the secret of health. "I have used it for years for Indigestion and Constipation, and also found it gives one relief from a touch of Rheumatism."—J. Hughes, Lordsburg, N. M.

Paul Means, a mulatto boy about 15 years of age, met with a painful accident at Brown Bros. livery stable this (Tuesday) morning about daylight. He was assisting the hands in currying the horses and was in the act of tying a halter rein in a ring when the horse lunged backward, catching his fingers, two of which were severed from the hand. Dr. J E Smoot dressed the wound. The boy is not bright—he could not tell his age or from whence he came.

The Discovery Saved His Life.

Mr. G. Cailloutte, Druggist, at Beaverville, Ill., says: To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it. Get a free trial at Fetzer's Drug Store.

Couldn't Tell His Own Name.

Mr. C E McInnis, a young gentleman residing at Forest Hill, called at the Register of Deeds office this morning for marriage license and when being questioned by Miss Weddington, the efficient clerk, the young fellow forgot his own name, so badly excited he became. A friend who accompanied the applicant, succeeded in giving "Cleve's" full name, and the necessary papers were then properly drawn up, which will unite Mr. McInnis to Miss Loula Freeze.

His Suffering at an End.

The inevitable came at last to Mr. Mike H Lefler, whose illness has been noted from time to time through the columns of THE STANDARD. His death occurred Monday night at 12 o'clock, while his bedside was surrounded by affectionate members of his devoted family and a group of loving friends. Mr. Lefler has been identified with Cabarrus for many years as a substantial farmer and highly esteemed citizen, and was one of the most influential men of No. 9 township. Mr. Lefler was stricken with paralysis more than a year ago and had rallied and was able to go about, but a complication of diseases took hold and wore his life away. His remains will be interred at Cold Springs church tomorrow (Wednesday) morning at 10 o'clock. Rev. M D Giles, of Mt. Pleasant, will conduct the funeral.

Mr. Lefler was an earnest Christian gentleman and was always prominent in church affairs. He was in his 52nd year and leaves a wife and seven children to mourn their loss. They have the sympathy of the community in their sad bereavement.

Mr. Miller Didn't Like It.

Mr. John L Miller was very indignant at the presumption of the Republicans who placed his name on the fusion ticket for the office of Magistrate. He wants THE STANDARD to state that it was a trick and was placed on the ticket without his consent or knowledge, and that he is not of that ilk.

WHERE DID YOU GET

That Pretty Dress?

It certainly is beautiful, and My! What a fit.

I bought this from Gibson & Morrison. They always keep a full line of fashionable and cheap dress goods, and they have Butterick's Patterns, which you will find the most stylish and easiest to fit. I always use these patterns. Isn't my cape pretty, too? Look what splendid material, and the very latest style! They get new wraps every few days.

And don't forget their shoes. Mine are so much admired and make my foot look so "swell" and as for cheapness and wear they are the best. Take my advice and get your children shoes there. They have them all sizes and they will last till you are tired of them. In fact you will find anything they sell you good and cheap. Go to see them and you will believe me. Fashion sheets free.

The Year Round

Some Medicines belong to one season and some to another.

DR. KING'S ROYAL GERMETUER IS IN SEASON ALL THE YEAR ROUND.

IN THE SPRING

It purifies the blood, removes languor and depression, invigorates and exhilarates the whole system.

IN THE SUMMER

It overcomes the relaxation and debility caused by hot weather and corrects bowel troubles that are so prevalent then. Besides, it makes the most delightful and refreshing drink.

IN THE FALL

When malaria "rides on every passing breeze," it is the great preventive and the unfailing cure of troubles resulting from that cause.

IN THE WINTER

It is still needed for curing Colds, Grip, Catarrh, Rheumatism, and the ills that belong to cold seasons.

It does these things, not in a feeble and uncertain way, but with assured and triumphant power.
