One load of Thanksgiving turkeys have been on the market. It is rather early, but they were here nevertheless.

Cook's omnibus is a beauty. Besides having been remodeled a new horse is worked to the front. Henry Overton is as proud of the pretty transfer as is a small child over its first doll-baby.

Mr. Luther M Hartsell, of No. 10 township, is soon to become a resident of this city. He is a young man of sterling ability and will find a good field for the practice of his profession—that of law. Concord will welcome him.

Considerable devilment was done in new town at Forest Hill Tuesday night. Besides bridges being torn up and houses turn over the electric light wires were cut and no lights have been had since. The electricians will have a little extra work to do.

Ayer's Sarsaparilla acts directly and promptly, purifying and enriching the blood, improving the appetite, strengthening the nerves, and invigorating the system. It is, therefore, in the truest sense, an alterative medicine. Every invalid should give it a trial.

The defeat of G Ed. Kestler, the little Cabarrus Pop-Rad., who got out the electoral ticket to defeat Bryan in this State, shows that sometimes a little trickster is repudiated. Those who are in bigger places have won the contempt of all honest men—their punishment will come later.—News and Observer.

The most disgusting and abominable man on earth is the one who will go where there is a lady and in her hearing curse and swear. It is bad enough at any time, whether in the presence of anyone or alone. A man was in the postoffice this morning in conversation with a gentleman, and about every other word uttered was an oath. The ladies in the postoffice got full benefit of the man's language.

The water supply for drinking purposes is now sufficient for the demand, the pump at the Reed mine reservoir being in working order. The tank ran over Thursday night for the first time in several months.

The Standard Oil Company's safe was blown open in Greensboro Tuesday night and \$92 were obtained. Mark Hanna is interested in the Standard Oil Company and evidently some fellow did not feel sure that he had his share.

There seems to be a sigh of relief over the country that business is to have no sudden jar whether ultimate results be satisfactory or not and gold is coming out of hiding. It is being offered for currency without stipulating for legal tender in New York and Boston.

Always ready—Ayer's Cherry Pectoral. It needs no mixing, no shaking, no disguise—nothing but a spoon. At dead of night, your child startles you with a croupy cough. Immediately that you give this remedy, the little one is relieved, and the household is again at rest.

Ed. Martin, a negro boy of this city, was arrested and tried before Esquire W J Hill Thursday evening for cutting the rope and carrying the water bucket away from Mr. Alfred Litaker's well. Evidence pointed to his guilt and in default of \$50 bail he was sent to jail.

Healthy, happy children make better men and women of us all. A little care and a little planning before birth is often more important than anything that can be done after. On the mother's health and strength depend the life and the future of the children. A weak and sickly woman cannot bear strong and healthy children. Most of the weakness of women is utterly incurable. Proper care and proper medicine will cure almost any disorder of the feminine organism. Dr. Pierce's Favorite Prescription has been tested in thirty years of practice. It is healing, soothing, strengthening. It is perfectly natural in its operation and effect. By its use, thousands of weak women have been made strong and healthy—have been made the mothers of strong and healthy children. Taken during gestation, it makes childbirth easy and almost painless and insures the well being of both mother and child. Send 21 cents in one-cent stamps to World's Dispensary Medical Association, Buffalo, N. Y., and receive Dr. Pierce's 1008 page "Common Sense Medical Adviser," profusely illustrated.

WHERE DID YOU GET

That Pretty Dress?

It certainly is beautiful, and My! What a fit.

I bought this from Gibson & Morrison. They always keep a full line of fashionable and cheap dress goods, and they have Butterick's Patterns, which you will find the most stylish and easiest to fit. I always use these patterns. Isn't my cape pretty, too? Look what splendid material, and the very latest style! They get new wraps every few days.

And don't forget their shoes. Mine are so much admired and make my foot look so "swell" and as for cheapness and wear they are the best. Take my advice and get your children shoes there. They have them all sizes and they will last till you are tired of them. In fact you will find anything they sell you good and cheap. Go to see them and you will believe; me. Fashion sheets free.

The Year Round

Some Medicines belong to one season and some to another.

DR. KING'S ROYAL GERMETUER IS IN SEASON ALL THE YEAR ROUND.

IN THE SPRING

It purifies the blood, removes languor and depression, invigorates and exhilarates the whole system.

IN THE SUMMER

It overcomes the relaxation and debility caused by hot weather and corrects bowel troubles that are so prevalent then. Besides, it makes the most delightful and refreshing drink.

IN THE FALL

When malaria "rides on every passing breeze," it is the great preventive and the unfailing cure of troubles resulting from that cause.

IN THE WINTER

It is still needed for curing Colds, Grip, Catarrh, Rheumatism, and the ills that belong to cold seasons.

It does these things, not in a feeble and uncertain way, but with assured and triumphant power.
