Negro Magistrates Galore.
A special in today's paper from Tarboro gives the information that not a single white man was elected magistrate in Edgecombe county on Tuesday. The additional information is conveyed that by the next election, when the terms of the appointed magistrates expire, Edgecombe will not have a single white magistrate.

The people are very soon getting an object lesson of the result of Tuesday's election. All the white people who voted with the fusionists need to repent of their action. This is the big dose of negro that they are scheduled to get. Nothing else will cure them.—News & Observer.

Through the St. Louis Tornado.

Here is an illustration of the way the wind handled things during the big St. Louis tornado. This bicycle,

owned in St. Louis, was struck by three barrels of syrup, a tierce of lard and one barrel of vinegar. Absolutely the only uninjured parts are the saddle and the Morgan & Wright quick repair tires, which were full of air when the machine was found. Even if these tires had been punctured, unless severely torn, any one of the holes could have been repaired by the quick-repair device in them, without trouble. Riders of these tires, when they have a puncture, need only be careful to pump as much air as possible into the tire before inserting the quick-repair tool. The repair can be made in two minutes, at the roadside, without taking the tire off the rim.

EXCURSIONS TO THE CIRCUS.

Cheap Rates to Ringling Brothers' Famous World's Greatest Shows.

THE STANDARD takes pleasure in announcing that special arrangements have been made with transportation lines to which all who wish to attend the performances of Ringling Bros.' World's Greatest Shows, which exhibit at Charlotte Monday, November 16, can do so at greatly reduced excursion rates. This will be the only place in this vicinity where this big show will exhibit during the present season, and our readers should not miss the opportunity to see what is now beyond all comparison the largest and grandest combined circus, menagerie, hippodrome, spectacle and horse fair ever organized. The performances will be given in every particular the same as during the phenomenal three weeks' engagement of Ringling Brothers' Shows' at the Tattersalls Amphitheatre in Chicago where press and public united in declaring the exhibition superior to any amusement enterprise in the world. In this community the name of Ringling Brothers is synonymous with all that is high-class in institutions; the show is itself a guarantee of its excellence. It begins with a glorious reproduction of the Festival of Olympus, a resplendent picture of the pomp and luxury of old Greece; then follows a superb programme, presented in three rings, two stages, in mid-air and upon a great quarter mile track, the whole enlisting the services of 300 celebrated performers, and hundreds of other people; and finally, a thrilling revival of the exciting sports, contests and races of the ancient Roman hippodrome bring to a close a performance the like of which has never before been presented to the American people. The capital invested in this stupendous show is over \$3,500,000, and the daily expenses \$7,450. Ringling Brothers have also made especial efforts this year to give their street parade upon a scale of magnitude and beauty never before attempted. They have succeeded, and no one should fail to see this wonderful free spectacle, which leaves the show grounds every morning between 9 and 10 o'clock and passes over the principal downtown streets. Information in regard to excursion rates, etc., can be secured from the local railroad ticket agents.
