**SHORT LOCALS.**

An ideal autumn day!  
Heavy frost this morning.  
Christmas comes on Friday this year. Already the little folks have begun to save their nickles.  
Hillyer's troupe arrived in the city this morning and will appear at Armory Hall tonight.  
If you wish to buy a present in Sterling or cut glass call on A J & J Yorke.  
Wheat made another jump Friday, advancing four cents a bushel. Prices closed Friday at 76 1/2.  
Mr. E B Kirk, a young business man of Louisville, Ky., spent Friday in this city with his cousin, Mr. Walter Kirk.

Many farmers were in the city today. The countrymen generally regret the result of the election, and especially that of Russell for Governor.

The usual services may be expected at the Presbyterian church tomorrow. The subject of the morning sermon will be "The Theology of the Twenty-Third Psalm."

Mr. Jacob B Brown, of Grahamville, S. C., was troubled with chills and fever, and unable to procure relief until he began to take Ayer's Pills, for all complaints of stomach, liver, or bowels.

Surveyor John H Long, who has been visiting his children in Davidson county, did not know of his defeat as county surveyor until today (Saturday). The result was not a surprise to him.

Contractor D A Caldwell will begin to build four new houses on Mill street next week. Two are for Mr. C B Wagoner and two for Mr. J L Hartsell. All of these houses will be neat, cottage size.

The charity concert by the young ladies of the city at the home of Judge and Mrs. W J Montgomery Friday night was a success, financially and otherwise. There was quite a large attendance and a snug sum was realized.

There is to be an organ recital at the Central M. E. church on next Monday night at 7:30 under the management of Miss Calloway and Prof. Keesler. No admission, but a collection will be taken up for the benefit of the church expenses.

Stanly county furnished Concord merchants with 100,000 eggs during the month of October, and then eggs were scarce. The Cabarrus crop was not so plentiful. More eggs and chickens are shipped from this city than any point on the Southern's main line.

Mr. J M Baker and Miss Mattie E Fisher, both of Cabarrus, were married Thursday by Rev. V R Stickle, of Enochville. Rev. Stickle also officiated at the marriage of Mr. W D Corriher to Miss Minnie Brown, of Miranda, Rowan county.

There will be no preaching at St. James' Lutheran church to-morrow morning. Rev. C B Miller will be at China Grove, where he will preach the dedication sermon at St. Mark's Lutheran church. Rev. V R Stickle, of Enochville, will preach at St. James' tomorrow night at 7 o'clock.

To relieve headache, correct disorders of the stomach and increase the appetite, and for the cure of liver complaint, use Ayer's Cathartic Pills. They are perfectly safe to take, and invariably promote a healthy action of the digestive and assimilative organs.

There is nothing that causes women greater discomfort and misery than the constantly recurring Headache. Men suffer less with headache. "My wife's health has very indifferent, having headache continually and just two packages of Simmons' Liver Regulator released her from all headache and gave tone and vigor to her whole system. I have never regretted it's use."—M B DeBord, Mt. Vernon, Ky.

Three teams ran away from the wood yard at the Odell factories this morning. One team ran into the front window of Furr's store, doing damage amounting to about \$10. Several articles of value, just inside the window, were broken to pieces, among which was an eight day clock. A small boy was thrown from one wagon, but was not hurt. One horse was right badly bunged up. It all happened in less than fifteen minutes and was real exciting for the time being.

**A Household Treasure.**

D. W. Fuller, of Canajoharie, N. Y., says that he always keeps Dr. King's New Discovery in the house and his family has always found the very best results follow its use; that he would not be without it, if procurable. G. A. Dykeman, Druggist, Catskill, N. Y., says that Dr. King's New Discovery is undoubtedly the best cough remedy; that he has used it in his family for eight years, and it has never failed to do all that is claimed for it. Why not try a remedy so long tried and tested. Trial bottles free at Fetzer's Drug store. Regular size 50c. and \$1.00.

A queen is only a woman after all, and every woman is a queen if she be a perfect woman. The crown of womanhood is motherhood. There is no higher thing than this. There is no better thing than any woman can do than to be a mother of bright and happy children. That is the best and highest thing that anybody can do in this world. It cannot be achieved by a woman who isn't healthy, who suffers from any of the weaknesses or disorders peculiar to her sex. A false idea of modesty which prevents the acquisition of knowledge, and the carelessness which prevents an application of knowledge are the most prolific causes of this kind of sickness. Thirty years ago, knowledge of the prevalence of such disorders induced Dr. R. V. Pierce, then as now, chief consulting physician of the Invalid's Hotel and Surgical Institute, at Buffalo, N. Y., to devote a great amount of time and study to the preparation of a remedy that would invigorate and strengthen the womanly organism—that would cure perfectly and positively all forms of female weakness—that would take the danger away from childbirth, and greatly lessen the pains of labor. This remedy is called Dr. Pierce's Favorite Prescription. That it accomplished the object for which it was intended is proven by its remarkable and continued success for 30 years. Women will gain much knowledge by reading Dr. Pierce's great thousand page "Common Sense Medical Adviser." A free copy will be sent on receipt of 21 one-cent stamps to cover cost of mailing only. Address, World's Dispensary Medical Association, Buffalo, N. Y.

WHERE DID YOU GET

**That Pretty Dress?**

It certainly is beautiful, and My! What a fit.

I bought this from Gibson & Morrison. They always keep a full line of fashionable and cheap dress goods, and they have Butterick's Patterns, which you will find the most stylish and easiest to fit. I always use these patterns. Isn't my cape pretty, too? Look what splendid material, and the very latest style! They get new wraps every few days.

And don't forget their shoes. Mine are so much admired and make my foot look so "swell" and as for cheapness and wear they are the best. Take my advice and get your children shoes there. They have them all sizes and they will last till you are tired of them. In fact you will find anything they sell you good and cheap. Go to see them and you will believe me. Fashion sheets free.
