ABOUT CONCORD.

What an Augusta Gentleman Who Visited Our Beautiful Little City Thinks of It.

Situated about 215 miles from Augusta on the Southern Railroad in North Carolina will be found the pretty little city of Concord.

In visiting that little city an Augusta person is reminded of their own fair city on the banks of the beautiful Savannah. First by the fact that the life of the town is the cotton mills and second by the hospitality of its people. And wherever you find honest weavers and spinners you find some of earth's best people.

In the beginning I will first state the position, location and size of the town.

Concord is in a rolling country, 21 miles above the city of Charlotte. The inhabitants of the town number about 6,000. It has 14 churches there representing every denomination, except the Catholic. A splendid school for the white and a large colored seminary, four large cotton mills, a bleachery, two flour mills, and electric plant and two policemen. The policemen we are told go to bed at 12:30 every night. The town hasn't any barrooms and hold police court about once or twice every three months.

There is no water power there and consequently the mills are set in motion by steam power.

On Sunday I attended Sunday school down at a church near the Cannon mills. It was in the mill district, and though a cold disagreeable misty rain was falling there was a church full present. On the way to church I was impressed by the looks of the houses, all neat, roomy and comfortable. I was told that they were owned by the operatives of the mill, and that there was scarcely any renting done. This Sunday School and also the First Methodist Sunday School is under the charge of the Superintendent of Cannon Mills, Mr. L D Duval, a gentleman well known in Augusta.

The people of Concord believe in attending church. Of all the 14 churches, and through the disagreeable rain I noticed throngs gathering. It was my pleasure of listening to a very able sermon at the first Methodist church, from an old and long loved pastor of many a North Carolina church.

The streets of Concord are not very good, I was told that the town was in debt some and that they were busy paying that before they improved their streets. The town has four wards and 8 members of council. They have fitted up a nice electric plant and water tower and are grading several streets.

There are no pines in that country, but the beautiful cottonwood, oak and hickory groves and shade trees make it as pretty a town as will be found anywhere. Main street almost sets a rival pace by the side of our world famous Green street.

Taking all the little North Carolina city as a whole with its generous, kind hearted people, and you find a pleasing comparison to our own people here. Of a truth, I forgot the fact that I was in Concord and felt like I was mingling with the people I come in contact with here daily.—J. A. H. in Daily Augusta Tribune.

MAY BE GOVERNOR.

Probabilities Point to Hileman as Lieutenant Governor—What a Chestnut!

Among the people posted on such matters of State government, it is current now that Ambrose Hileman, the successful candidate to the House of Representatives from this county, may become Lieutenant Governor to succeed Lieutenant Governor-elect Reynolds, who will succeed Russell. It will come about in this way. Russell is either to become a cabinet officer or a minister to a foreign land. Reynolds will take his place at the State's Capitol, and Hileman being the senior member of the Legislature and high in fusion faith, will be chosen by the next General Assembly as Lieutenant Governor. The above comes from one who is supposed to be good authority.

Jerusalem! What a chestnut.

Much Praise is Due Them.

The entertainment at Central Methodist church Monday night was not in any way disappointing. Much praise is due Miss Callaway and Prof. Keesler, together with their assistants, Miss Nannie Alexander, Mesdames Harris and Brower and Rev. A K Poole for the excellent productions. The following programme was carried out:

Flauto—"Overture to Stradella"
—Organ—Prof. R L Keesler.
Tennet—"Nearer to Thee"—
Quartet—Misses Callaway and Alexander, Messrs. Keesler and Poole.

Westendorf—"Son of My Soul"—

The most significant part of the entertainment was the collection, which amounts to \$12.45.

It is needless for us to comment upon the excellence of the music, for to say it was good would be expressing it very lightly.

Mr. S R Fisher was visiting his son, J T Fisher in Salisbury, last Sunday. Mr. Fisher is employed in the Salisbury cotton mills.

The singing school closed at Mike's church last Saturday night. There will be a two day's meeting at Mike's church, beginning on the fifth Sunday of this month.

The school at the Fisher school-house will not begin until the 1st of December. There is some repairing to be done on the house before the school can start.

There will be no preaching at Lower Stone Sunday. Rev. D K Fulkerson has accepted the call at Lower Stone.

Mr. L M Holshouser, of Rockwell, has been spending about every other Saturday night at Mr. Fouz's. We think he will soon take her in.

A Household Treasure.

D. W. Fuller, of Consoharie, N. Y., says that he always keeps Dr. King's New Discovery in the house and his family has always found the very best results follow its use; that he would not be without it, if procurable. G. A. Dykeman, Druggist, Catskill, N. Y., says that Dr. King's New Discovery is undoubtedly the best cough remedy; that he has used it in his family for eight years, and it has never failed to do all that is claimed for it. Why not try a remedy so long tried and tested. Trial bottles free at Fetzer's Drug store. Regular size 50c. and \$1.00.

A Distressing Accident.

HICKORY, Nov. 9.—Charles Rowe, living near here, suffered the death of his little 4-year-old daughter, Kansas, on Saturday evening last, at 5 o'clock, under peculiarly distressing circumstances. A young man named Yount had exchanged guns with Mr. Rowe, and was mounted on his horse in the yard, having the loaded shot gun in his hand. The horse, being somewhat unruly, he let the gun fall, causing it to fire, the shot taking effect in the groin and side of little Kansas, who was playing in the yard and was running to keep out of the way of the prancing horse. She lived 24 hours, and her burial took place here yesterday.

ASK the recovered dyspeptics, bilious sufferers, victims of fever and ague, the mercurial diseased patient, how they recovered health, cheerful spirits and good appetite; they will tell you by taking SIMMONS' LIVER REGULATOR.

The Cheapest, Purest and Best Family Medicine in the World!

For DYSPEPSIA, CONSTIPATION, Jaundice, Bilious attacks, SICK HEADACHE, Colic, Depression of Spirits, SOUR STOMACH, Heartburn, etc.

This unrivaled remedy is warranted not to contain a single particle of MERCURY, or any mineral substance, but is

PURELY VEGETABLE, containing those Southern Roots and Herbs which an all-wise Providence has placed in countries where Liver Diseases most prevail. It will cure all Diseases caused by Derangement of the Liver and Bowels.

The SYMPTOMS of Liver Complaint are a bitter or bad taste in the mouth; Pain in the Back, Sides or Joints, often mistaken for Rheumatism; Sour Stomach; Loss of Appetite; Bowels alternately costive and lax; Headache; Loss of Memory, with a painful sensation of having failed to do something which ought to have been done; Debility; Low Spirits; a thick, yellow appearance of the Skin and Eyes; a dry Cough, often mistaken for Consumption. Sometimes many of these symptoms attend the disease, at others very few; but the LIVER, the largest organ in the body, is generally the seat of the disease, and if not regulated in time, great suffering, wretchedness and DEATH will ensue.

The following highly-esteemed persons attest the virtues of SIMMONS' LIVER REGULATOR: Gen. W. S. Holt, Pres. Ga. S. W. R. R. Co.; Rev. J. R. Felder, Perry, Ga.; Col. E. K. Sparks, Albany, Ga.; C. Master-son, Esq. Sheriff Bibb Co., Ga.; J. A. Butts, Bainbridge, Ga.; Rev. J. W. Burke, Macon, Ga.; Virgil Powers, Supt. Ga. S. W. R. R.; Hon. Alexander H. Stephens. We have tested its virtues personally, and know that for Dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world ever saw. We have tried forty other remedies before Simmons' Liver Regulator, and none of them gave us more than temporary relief; the Regulator not only relieved, but cured us.—ED.
