Mrs. W. F. Goodman, who lives on Spring street, has a good reed organ that she will sell cheap. If you want a bargain see her at once.

George Sides, white, was arrested and placed in jail Monday afternoon for retailing liquor. Two charges were brought against him. In default of \$100 he was committed to jail.

It is said that a certain man who went to Charlotte Monday to attend the circus didn't see the side show until this morning. He has been seeing snakes ever since his return.

If you will look at the top of this column you will find some valuable information in regard to the recent change of schedule of the Southern. Everyone should look over it.

Economy is something that everybody tries to practice, and yet just a little oversight will sometimes rob the most frugal and thrifty family of a year's saving. You want to do as J. P. Hickmann, of Monticello, did. He writes, "For six years I have kept Simmons Liver Regulator in my house, and used it in my family and have had no need for a doctor. I have five as healthy children as you can find."

Joe McCulloch, the venerable editor of the St. Louis Globe Democrat, is confined with a complicated number of essentially fatal diseases and is not likely to ever edit the paper again.

Miss Ada Burris, daughter of Mr. J. F. Burris, of Locust township, Stanly county, will teach at the McGraw school house in No. 11 townshin, beginning Monday, November 23rd.

Joshua Benson, grandfather of Messrs. W. J. C. W. and Fred Swink, and Mrs. Dr. H. C. Herring, of this city, died at his home in Iredell county Saturday last. Mr. Benson was quite an aged man.

The Epworth League of Central Methodist church will meet with Mrs. A. S. Dayvault, on Main street, tonight. The subject for discussion will be "Moses." It is hoped that a large attendance will be present.

THE STANDARD will tomorrow give considerable space to a well prepared paper, delivered by Miss Callie Lips at the meeting of the Woman's Home and Foreign Missionary Society at Mt. Hermon Saturday last.

An English admiral, says: "It is true, the life-saving service of America is not equaled anywhere in the world." It is also true that Ayer's Cherry Pectoral saves, annually, thousands of lives. Invaluable in sudden colds, throat and lung troubles.

Bishop Galloway, of Wilmington, who will preside over the Methodist conference at Salisbury this week preached to a mass meeting of Methodists at Tryon street Methodist church in Charlotte Monday night.

"Prepare for the worst, but hope for the best," says the old proverb. Hope for health, but be prepared for colds, coughs, croup, bronchitis, pneumonia, or any other throat or lung difficulty by having Ayer's Cherry Pectoral always at hand. It is prompt to act, sure to cure.

Bingham school football team, of Asheville, can't play a little bit. On Saturday they were defeated by the Y. M. C. A. team of Charlotte and on Monday they scored four to twelve in a bout with the Davidson College boys.

The Dramatic Club of Mt. Pleasant, will render that splendid production "The Little Ruby," in the Masonic hall at that place Friday night. The proceeds will be donated to the Mt. Pleasant cornet band.

Since the election Mr. G. F. Barnhardt has resumed work in the insurance business. The method and plan of "The Farmers' Mutual Fire Insurance Association of North Carolina" which he represents is the simplest, safest and best plan of insurance extant. Mr. Barnhardt is a hustling and active worker and is meeting with success.

A great many people look healthy and are not. There are many forms of sickness which leave an outward semblance of health. This fictitious health is like a bubble that bursts at a touch. It is like an empty egg shell that the slightest pressure will crush. The outside of the body may look all right long after disease has begun its dreadful work inside. If a man looks well and doesn't feel well, he had better be governed by the feeling not by the looks. A great many apparently strong and vigorous men collapse suddenly. They have what is known as nervous prostration. They go along persistently, day after day, working hard and thinking hard, and some day they go home and go to bed and don't get up again. The trouble didn't all come at once. It came on gradually. A strong man can live on his nerves and his health for a long time without apparent injury, but it isn't a safe thing to do. Whenever there is nervousness, or insomnia, or undue fatigue from ordinary work, when irritability takes the place of contentment, when a man "isn't sick but doesn't feel quite well"—then is the time he should begin to take Dr. Pierce's Golden Medical Discovery. It is the best tonic medicine and nerve food, is the best tonic medicine and nerve food, is the best tonic medicine and nerve food, is the best tonic medicine and nerve food.

Send 21 one-cent stamps to pay for mailing only, and receive free a copy of Doctor Pierce's great thousand page book, "Common Sense Medical Advice," in paper cover, or send 50 cents for postage and extra cost of binding and get it in cloth. World's Dispensary Medical Association, Buffalo, N. Y.

Gen. E. W. Pettus will be the new United States Senator from Alabama. Morgan and Pettus are both from the same town, Selma. It looks like those Alabamians have no East or West, North or South when they choose a Senator, but in simplicity of patriotism they try to find the best man or the man of their choice within reference to section.

WHERE DID YOU GET

That

Pretty

Dress?

It certainly is beautiful, and My! What a fit.

I bought this from Gibson & Morrison. They always keep a full line of fashionable and cheap dress goods, and they have Butterick's Patterns, which you will find the most stylish and easiest to fit. I always use these patterns. Isn't my cape pretty, too? Look what splendid material, and the very latest style! They get new wraps every few days.

And don't forget their shoes. Mine are so much admired and make my foot look so "swell" and as for cheapness and wear they are the best. Take my advice and get your children shoes there. They have them all sizes and they will last till you are tired of them. In fact you will find anything they sell you good and cheap. Go to see them and you will believe me. Fashion sheets free.
