SHORT LOCALS.

The regular services may be expected at the First Presbyterian church tomorrow.

Mr. C. F. Walter was seized suddenly with sickness Friday and is quite sick today.

Court-plaster is often used to make a lover stick to her promise. —Anderson Intelligencer.

Don't be too severe on the man who scolds his wife in public. Perhaps that is the only time he dares to do so. —Anderson Intelligencer.

Our goods are on display. Look at them, examine them, price them. It will cost you nothing. We cordially invite you and shall be disappointed if you don't come. A. J. & J. F. YORKE.

Mr. Thos. J. White returned Friday afternoon from a week's trip to Rowan county, where he had been gunning for quail. He was successful, too, having killed more than one hundred birds.

From the Anderson Intelligencer we learn that three shrewd counterfeiters were captured there and the fear is that it was only a part of a gang. The imitation was a counterfeit of silver.

Daniel Sides, the young man whose skull was crushed in some time ago by the kick of a horse, and who it was thought could not live, is able to walk about. He is getting along nicely.

OF INTEREST TO LADIES.—The scalp may be kept white and clean, and the hair soft, pliant and glossy, by the use of Ayer's Hair Vigor. This preparation never fails to restore to faded and gray hair its original color. Sold by druggists and perfumers.

The Raleigh correspondent to the Charlotte Observer of the 20th says: This morning six empty box cars were wrecked on the Southern Railroad, near Walnut creek bridge, a mile south of Raleigh. A draw-head pulled out and there was a lively smash. The embankment is lofty. Out of one car, which was almost reduced to kindling wood, three tramps emerged, Weary Waggle, Dasty Rhodes and Gutta Thrust, the latter an Eytalian, all three saying, "Dey didn't do a ting to me," and away they went. How they escaped instant death is a puzzle to all who saw the wreck. Tramps, these three, at least, have a special providence "which watcheth over them as over a sparrow's fall."

Says the forecast: Partly cloudy tonight; Sunday threatening with occasional showers.

There will be no preaching at St. Andrews' Lutheran church tomorrow, Rev. McCullough being yet too unwell to conduct the services.

About two years ago, the Rev. Mr. Surf, of Blue Springs, Nebr., lost his hair after fever, and became nearly bald. He finally resolved to use Ayer's Hair Vigor, and now has as fine a head of hair as could be desired. This is certainly a fact worth remembering.

Friday afternoon a difficulty arose between Will Kerns and John Taylor, both white, in which both men played a heavy part in a fist-cuff, each bringing blood, but neither seriously hurt. Mayor Morrison fined each participant \$6 and they went their way—but whether rejoicing we are unable to say.

The great John R. Gentry, the champion harness pacer of the world that covered a mile in two minutes and one-half second was sold on the 19th in New York for \$19,900. That is probably about the value of all the horses in Cabarrus county and it is doubtful whether Tom Swinson would swap his ox for him for his own uses.

The mite meeting of the Ladies Aid Society of the First Presbyterian church at Mrs. R. A. Brown's Friday night was a unique and interesting entertainment. The entertainment consisted of splendid music and excellent recitations, social chat and general converse. More than \$5 was realized and turned over to the society's treasurer.

There are two reasonable things which everybody should do; take good care of one's health; and if lost, regain it quickly, and to this everybody will agree. And there are a great multitude of people who are agreed that for both purposes Simmons Liver Regulator is the best helper. "I am troubled with torpid liver and nothing gives relief so quick like Simmons Liver Regulator."—R. R. Strange, Lake City, Fla.

On Thursday next, Thanksgiving day, the Charlotte Y. M. C. A. football team and a team from Greensboro will meet in Charlotte. The Charlotte boys have made arrangements with the railroads leading into that city for special rates, which will be one fare for the round trip. Both elevens are composed of old college players of some note in the State and consequently the game will be an interesting and exciting event.

THE STAR OF HOPE.

"I had lost all hope and gone to my father's to die," said Mrs. MOLLY EVANS, of Mound, Coryell Co., Texas. "I gave birth to a baby a year ago, the 5th of June last," she adds, "and seemed to do very well for 3 or 4 days, and then I began to feel very bad, my feet began to swell, my stomach was all wrong and I seemed to suffer with every thing that could be borne. I was in bed 5 months and there was not a day that I seemed I could live. We had the best doctors that our country afforded. I was a skeleton. Every one that saw me thought that I would never get well. I had palpitation and pain in the heart, terrible pain in my right side just under the ribs, terrible headaches all the time; a bearing down sensation; a distressed feeling in my stomach all the time; could hardly eat anything and it looked as if I would starve. All the time I would take such weak trembling spells, and it seemed as if I could not stand up. There were six doctors treating me when I commenced taking your medicine. I had lost all hope and gone to my father's to die. I commenced taking Dr. Pierce's Golden Medical Discovery and his 'Favorite Prescription' together, and I took them regularly until I felt as if life was worth living again."

"I weigh more than I have weighed for ten years. My friends say that I look better than they ever saw me. The first two bottles did me more good than all the medicine I had taken. My stomach has never hurt me since. I can eat anything I want and as much as I want. If you want to use this in favor of your medicine, I am a living witness to testify to it, and will, to anybody who wants to know further of my case."

Mollie Evans.

WHERE DID YOU GET

That

Pretty

Dress?

It certainly is beautiful, and My! What a fit.

I bought this from Gibson & Morrison. They always keep a full line of fashionable and cheap dress goods, and they have Butterick's Patterns, which you will find the most stylish and easiest to fit. I always use these patterns. Isn't my cape pretty, too? Look what splendid material, and the very latest style! They get new wraps every few days.

And don't forget their shoes. Mine are so much admired and make my foot look so "swell" and as for cheapness and wear they are the best. Take my advice and get your children shoes there. They have them all sizes and they will last till you are tired of them. In fact you will find anything they sell you good and cheap. Go to see them and you will believe me. Fashion sheets free.
