VOL. XIII.—No. 192

CONCORD, N. C., FRIDAY, DECEMBER 4, 1896.

WHOLE NO. 1,571

## BREVETTES.

The National Tobacco Growers' convention will convene in Ocala, Fla., Jan. 12.

It is rumored that Governor-elect Russell has an eye on the Senatorship.

A severe earthquake shock was felt in Cairo, Ill., Dec. 1.

Short term of Congress will convene next Monday.

Vice-President Stevenson says in an interview that the Dingley bill will not pass the Senate.

Rev. M S Cross, who for many years governed the Catholic church in North Carolina, died in Washington, D. C., on last Tuesday.

Greensboro and Wilmington football teams will play in Wilmington next Saturday.

J Henry Davis (Dem.) will contest the seat of E C Duncan (Rep.), of Carteret, in the next General Assembly.

Senator Pritchard has gone to Wilmington to have a conference with Governor-elect Russell.

Convicts at the State prison attempted to poison their guards by giving them morphine in coffee.

Water is still rising at Chippewa Falls, Wis., and the ice gorge is 18 feet high.

Sharkey was badly hurt in the fight Wednesday, and Fitzsimmons may be arrested if he does not improve soon.

## Brilliant Meteor.

Many of the people who were on the streets at 8.20 o'clock last night had their attention attracted to the passage across the northwestern skies of a meteor of intense brilliancy and of unusual size. It made a broad sweep across the skies and its brilliancy was startling. In its wake was a trail of sparks of a dull red, which were visible for a moment after the meteor had vanished.—Charlotte Observer.

The young man who sat down so suddenly on the street this morning saw stars in broad daylight, and he can still see the "dull red" places—but not in the firmament.

## Coldest Yet.

Seventeen above zero!  
That is where the mercury stood at 7 o'clock this morning. The snow that melted yesterday is ice today. Wherever water stood last night ice was found this morning. The roads are full of it and horses can not pull even a small load. The pond below the depot is frozen over and the boys will have an opportunity to enjoy skating by tomorrow.

## Clerk Sims.

Sheriff Sims, of Cabarrus, will be chief clerk in the office of Auditor-elect Hal Ayer. This fact has been known to THE STANDARD for some time, but at the request of the Sheriff mention was not made of it. Mr. Sims' appointment is but a just reward for services rendered, for he aided Ayer materially in securing the nomination for Auditor. He is in every way fitted for the office to which he has been appointed, and the Sheriff carries with him in his new field the best wishes of hosts of friends of all parties in this county.

Mr. Sims will go to Raleigh about the 1st of January, but will not remove his family for some time.

## Harris-Messenger.

Friends of the contracting parties in the city are in receipt of the following:

"Mr. and Mrs. Robert P Savage request the honor of your presence at the marriage of their daughter, Bunnie Savage Messenger, to Mr. Brevard Ervin Harris, Wednesday, Dec. 16, 1896, at 12:30 o'clock, Presbyterian church, Danmore, Pa."

The bride-to-be is well known in Concord, having spent some time in this city visiting, and is a universal favorite.

Mr. Harris is the popular cashier at Cannons & Fetzer's. There is not a man in the county better or more favorably known than Brevard Harris—a sterling young business man, with a bright and promising future. He numbers among his friends all who know him, and he justly deserves in every way the happiness he has won.

Mr. and Mrs. Harris will visit Washington, Philadelphia, New York and other points in the east and will return to Concord about the 1st of January, after which time they will be at home to their friends at the St. Cloud hotel.

THE STANDARD extends congratulations in advance. Mr. Harris will leave Monday for Pennsylvania.

## Forest Hill's New Pastor Arrives.

Rev. J D Arnold, the new pastor for Forest Hill Methodist church, arrived on yesterday's evening train. He was met at the depot by some of the officers of the church and taken to the parsonage where a beautiful supper had been prepared by the ladies of the congregation. The parsonage had been thoroughly renovated and the larders well filled with the necessaries of life sufficient to last for some time.

Mr. Arnold enters immediately upon his work, conducting prayer meeting tomorrow night and preaching Sunday at the usual hours.

## Impromptu Dance.

The young society folk who attended the snow last night enjoyed a delightful impromptu dance after the performance. The hall was cleared of chairs, and to the splendid music of Backler's orchestra, a number of couples were soon on the floor enjoying to the fullest extent this delightful pastime.

## The Show.

Buckler's Comedy Company played to a fairly good house last night, notwithstanding the inclement weather. The title of the play was "The Wages of Sin." The characters were well taken and admirably portrayed. Though playing at popular prices, this is no cheap show—there is not a stick in the company. The music was especially fine, the orchestra being in charge of Prof. H L Blaker, a celebrated clarinet soloist.

Your attention is especially called to the change of play tonight from "East Lynne" to "Monte Cristo." The change was fixed upon for satisfactory reasons today and the audience may expect a treat new and rare.

The Cheapest, Purest and Best Family Medicine in the World!

**PURELY VEGETABLE,**

containing those Southern Roots and Herbs which an all-wise Providence has placed in countries where Liver Diseases most prevail. It will cure all Diseases caused by Derangement of the Liver and Bowels.

The SYMPTOMS of Liver Complaint are a bitter or bad taste in the mouth; Pain in the Back, Sides or Joints, often mistaken for Rheumatism; Sour Stomach; Loss of Appetite; Bowels alternately constive and lax; Headache; Loss of Memory, with a painful sensation of having failed to do something which ought to have been done; Debility; Low Spirits; a thick, yellow appearance of the Skin and Eyes; a dry Cough, often mistaken for Consumption.

Sometimes many of these symptoms attend the disease, at others very few; but the Liver, the largest organ in the body, is generally the seat of the disease, and if not regulated in time, great suffering, wretchedness and DEATH will ensue.

The following highly-esteemed persons attest to the virtues of SIMMONS' LIVER REGULATOR: Gen. W. S. Holt, Pres. Ga. S. W. R. R. Co.; Rev. J. R. Felder, Perry, Ga.; Col. E. K. Sparks, Albany, Ga.; C. Masterson, Esq., Sheriff Bibb Co., Ga.; J. A. Butts, Bainbridge, Ga.; Rev. J. W. Burke, Macon, Ga.; Virgil Powers, Supt. Ga. S. W. R. R.; Hon. Alexander H. Stephens. We have tested its virtues personally, and know that for dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world ever saw. We have tried forty other remedies before Simmons' Liver Regulator, and none of them gave us more than temporary relief; the Regulator not only relieved, but cured us.—ED.
