A Hogish Affair.

The contest for the prize hog is still going on. Cabarrus heads in this, as in many other things. Mr. R W Misenheimer, of No. 8, killed two hogs, 11 months old, this week and they netted him respectively 375 and 379 pounds.

John W Phillips, of No. 12, killed two 11 months old porkers this (Wednesday) morning and they tipped the beam at 335 and 375 respectively.

Cabarrus farmers don't handle the razor-back breed of hogs, and therefore they all have plenty of hominy on hand too.

CASTORIA

For Infants and Children.

The famous signature of *Dr. H. H. Mitchell* is on every wrapper.

Narrow Escape.

A countryman, whose name could not be learned, together with his wife and child, was returning home from the city at a late hour Tuesday evening, driving a two-horse wagon. Just as he reached the hill near Brown's gin house, a negro came down the hill with a wagon, driving rapidly and yelling at the top of his voice. The countryman's horses became frightened and backed off into the ditch, which is about eight feet deep at that point. The occupants escaped with a few bruises, however, but the wagon and harness was badly demolished.

When bilious or costive, eat a Cascaret, candy cathartic, cure guaranteed, 10c, 25c.

ORCHESTRA ORGANIZED.

And New Music Ordered for the Holidays.

Concord is to have her own orchestra, and a first-class one in every respect. Recognizing the need of our little city in this line, a number of young men, all of whom are talented musicians, met and effected a permanent organization, and at once ordered the latest music, to be ready for the many social functions that will take place during the holidays. The orchestra will consist of five pieces, the make-up of which is as follows:

Prof. R L Keesler; leader, pianist. Albert Freeze, Wade Barrier, clarionetists.

Jay Sims, cornetist.

Q E Smith, bass violinist.

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed, when the languid exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, indigestion, constipation, dizziness yields to Electric Bitters. 50c and \$1.00 per bottle at Fetzler Drug Store.

IN MEMORIAM.

Died on Nov. 14th, 1896, in No. 3 township, Cabarrus county, N. C., little Viola Lee, only child of Mr. and Mrs. Lee Smith, aged about fifteen months.

She was an unusually bright and interesting child, and though just budding into the sweet flower that was the joy and comfort of her devoted parents, yet it pleased God in His all-wise and mysterious providence to remove her from the loving embrace of earthly parents ever to be with Him who said: "Suffer the little children to come unto Me and forbid them not for of such is the Kingdom of Heaven."

And our loved one has departed, while we tarry broken hearted, She has ended life's brief story, She has reached her home in glory.

Hush thy sobbing, weep no more, She has only gone before; Are we not upon the river, Sailing fast to meet forever?

Every hour that passes o'er us Brings us nearer joys before us, If our faith and hope and love Are all in Christ and things above.

"H."

Death in Stanly.

Parties in from Stanly county today bring the intelligence of the death of Mr. Phillip Ridenhour, who died at Copal Grove, Stanly county, yesterday, of paralysis. Mr. Ridenhour had reached the advanced age of 88 years, and was well known throughout this county. The funeral took place to-day.

We gave our readers a letter from our friend "C. A. M." this week. We are always glad to hear from him and his. We remember with much pleasure and thankfulness the Xmas he refers to and thank him for the invitation, but it is our time to furnish the supper this year and if he will come and pay us a visit we will try to furnish substantial evidences. Come brother, by person or letter.

We have read the President's great message and have endeavored to condense it, leaving out parts that Congressmen can comprehend and appreciate more than we and our readers. The beautiful phraseology of the author also has to be largely eliminated but we trust our efforts will be beneficial to those who want the substance and yet have not the time to read the whole message.

TWO DEATHS.

One in No. 5, the Other in No. 10 Township.

News reached the city this (Wednesday) morning of the sudden death of Mrs. Nellie Cook, an aged widow lady of No. 5 township. Mrs. Cook had been in feeble health for some time, but was able to be up and attend to her household duties, and her death yesterday was entirely unexpected. Heart failure is thought to have been the cause of her death. She was buried at 3 o'clock today at Mt. Gilead church.

Mrs. Gadd, wife of Robert Gadd, who lives near R ed's Gold Mine, in No. 9 township, died of heart disease yesterday morning. Mrs. Gadd went to her breakfast with the rest of the family, and appeared to be in her usual good health and cheerful spirits, and was attending to her duties, when death suddenly overtook her. The funeral will take place to-day at Center Grove church.

Why is it that one man is old and decrepit at 45 and another hale and hearty at 80? It depends on the care he takes of himself. Often a man's body gets out of repair—the trouble grows until it lays him out in bed. Whenever a man feels that he is not as well as he ought to be, whenever he is listless, without energy and without vitality, whenever he finds that he is losing weight and that his ordinary work gives him undue fatigue, he needs Dr. Pierce's Golden Medical Discovery. If he keeps on working with his liver inactive and his blood impure—he keeps his nerves and his body under a constant nervous strain. He will not be hearty when he is old. The "Golden Medical Discovery" cures many so-called diseases because nearly all illness springs from the same thing—bad digestion and consequent impure blood. The "Discovery" makes the appetite good, the digestion strong, assimilation easy, and the blood rich and pure.

STILL AT IT.

Commissioners Peg Away at Routine Business.

Up to the dinner hour the commissioners had done nothing beyond transacting routine business, such as passing on bills, hearing petitions, etc.

At the afternoon session Tuesday the office of coroner was filed by the election of Mr. George Walter in the place of M. C. his brother, who had failed to qualify.

Mr. Will Parnell was made keeper of standard weights and measures; Wm. Junker gets the repairing of the city clock, while Ira Me-haffey will pull the bell rope, when occasion requires.

As had been generally expected, W. L. Parish gets the superintendency of the county chain gang. Much interest has been manifested in the selection of this officer, as there were quite a number of applicants. Mr. Parish's bid was \$3 75, which included guards, firemen, blacksmithing, etc.

A Sudden Death.

Mrs. Wiley Bost died very suddenly at her home 2 miles east of this city last Tuesday night, Dec. 1st. She was well as usual and ate a hearty supper, retiring at 9 o'clock and was dead at 11 o'clock. Some strange heart trouble is supposed to have caused her death so suddenly. She was about 76 years of age. Her death was a severe shock to those around her and to those who knew her. The remains were laid to rest in Cold Water Evangelical Lutheran church yard.
