CONCORD IN PRINT.

What She Has Done the Past Year Will Be Made Known.

Beginning next Thursday THE STANDARD will put Concord in print. A general resume of the wonderful progress made the past year in all branches of industry, including everything that has in any manner aided in the material development of our city will be published to the world. The work of her splendid churches and schools, her immense cotton manufacturing plants, mercantile establishments, iron and wood-working industries, roller mills, etc., will be truly portrayed.

This is no small undertaking, and in order to make it complete THE STANDARD must have the hearty co-operation of manufacturers, business men, merchants, and all interested in the continued progress and prosperity of our city.

Matter for these articles is now being compiled, and when our representative calls upon you we trust you will be prepared to give him what information you can, and do your part in advertising our town.

The Discovery Saved His Life.

Mr. G. Cailloutte, Druggist, at Beaverville, Ill., says: To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it. Get a free trial at Fetzter's Drug Store.

Continental Shipplasters

Mr. S C Fulham called at THE STANDARD office Wednesday and showed us five bills of "Continental money." Four of the bills are for \$25 each and the other is for \$100. Each bill is North Carolina money and is redeemable in Spanish milled dollars or their value in gold or silver, agreeable to an Act of Assembly passed at Newbern the 10th day of May, 1780.

Each bill is bordered fancily and has a latin inscription. The paper is the most ordinary, little better than that on which the STANDARD is printed.

Store Burglarized.

The store of Dave Overcash, located near Hart postoffice, in Rowan county, was entered by burglars on Monday night. Entrance was effected by boring around the lock with an auger. A considerable quantity of booty was secured, consisting of shoes, shirting, knives, canned goods, and many other articles. The guilty parties have not yet been found.

A NEW CHARTER.

Steps Will Be Taken to Secure One for Concord.

The board of mayor and aldermen met last night in regular monthly session. Present: Mayor Morrison, Aldermen Hartsell, Patterson, Houston, Brown, Crowell, Duval.

After the usual routine business, the question as to whether the ordinance against shooting fireworks be suspended during the holidays was discussed. It looked a little blue for the small boy at first, but it was finally agreed that the ordinance in question be suspended from 9 o'clock p. m., Dec. 24, to 12 o'clock Christmas night, provided, however, that the mayor may at any time declare the ordinance in force if, in his judgment, property is endangered by the firing.

Mr. W T Fisher, who has a store on West Corbin street, near the depot, appeared before the board and prayed relief from a predicament in which the street force had left him. It seems the street directly in front of his store had been cut down several feet and left no way of approach to his store. The matter was referred to the street committee with power to act.

A hose coupling expander and half a dozen lanterns will be purchased for the fire department, and a rack will be built in the hall on which to dry the hose.

The claim of R A Brown against the city for building extra 25 feet on the water tower, which amounted to \$656.28, was satisfactorily arranged last night. Mr. Brown is to accept city script to the amount of \$500—the difference between his taxes and the full claim to be paid in cash.

On motion the mayor appointed a committee to examine the city's charter and ascertain what amendments were necessary to meet the increasing demands of our growing city, and take the necessary steps toward securing such changes by the Legislature. The city is sadly in need of money, and a new issue of bonds is imperative, but under the existing charter an additional issue cannot be made. The chair appointed as such committee Messrs. Duval, Brown and Houston.

No further business, council adjourned.

Drug Store Robbed.

The drug store of Dr. A W Moore, in Mt. Pleasant, was entered by burglars last Monday night. The amount of goods stolen could not be learned, but it is thought the burglars became alarmed and left before they had finished their job, as a kit of tools was found at the door, where they had left them on entering the store. No clue to the guilty parties has yet been obtained.

FROM BRIEF.

Two Marriages—A Family to Move to Texas.

BRIEF, N. C., Dec. 15.—The matrimonial ranks in this section were recently augmented by two marriages: Mr. Vic. Howie to Miss Cora Dry; Mr. Jas. Connell to Miss Carrie Long.

The occasion of a great gathering at Mr. Henry Dry's last week was his public sale of personal property, real estate, etc. Enterprising merchants of Stanly and this county sent representatives with such goods as are most salable on occasions of this kind. It seems that the "Land of Moonshine" was represented also, at least there was a "tiger jungle" at no great distance. This was a general rendezvous for those having empty bottles, and a source of all the reckless hilarity, ribaldry and viciousness of some that were present at the auction. There were more than one resultant fracas, but no fatalities. An hilarious, tipsy youth approached a wagon and declared his intention of knocking off a tire. Some one cautioned him against such recklessness, but he said sneeringly, "I've never yet found the wagon whose tire I couldn't knock off at one blow from the flat." So saying he violently struck the edge of a tire with his nude fist, skinning every knuckle on the hand, while, of course, the tire didn't budge.

Mr. Dry removes to Texas some time this week, we understand. Two families besides his own will accompany him. AUGUSTINE.
