Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had consumption and that there was no hope for her recovery, but two bottles of Dr. King's New Discovery saved her life. Mr. Thomas Eggers, 129 Florida St. San Francisco, suffered from a dreadful cold, approaching consumption, tried without result everything else then bought a bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful it is such results, of which these are samples, that prove the wonderful efficacy of this medicine in coughs and colds. Free trial bottles at Fetzler's Drug store. Regular size 50c, and \$1.00.

Truck Farming.

Dr. Dabney, assistant secretary of agriculture, in an address says that no single industry has brought more money into the South in the past 30 years than truck farming. The annual crop of early potatoes, beans, cabbage, lettuce, asparagus, fruits, strawberries, watermelons, etc., he says are worth a great deal more to the South in actual cash than its lumber, tobacco, the mineral products of any other great staple. He estimates the crop along the Atlantic coast at \$20,000,000 for 1896.

ASK the recovered dyspeptics, bilious sufferers, victims of fever and ague, the mercurial diseased patient, how they recovered health, cheerful spirits and good appetite; they will tell you by taking SIMMONS' LIVER REGULATOR.

The Cheapest, Purest and Best Family Medicine in the World!

For DYSPEPSIA, CONSTIPATION, Jaundice, Bilious attacks, SICK HEADACHE, Colic, Depression of Spirits, SOUR STOMACH, Heartburn, etc. This unrivaled remedy is warranted not to contain a single particle of MERCURY, or any mineral substance, but is

PURELY VEGETABLE,

containing those Southern Roots and Herbs which an all-wise Providence has placed in countries where Liver Diseases most prevail. It will cure all Diseases caused by Derangement of the Liver and Bowels.

The SYMPTOMS of Liver Complaint are a bitter or bad taste in the mouth; Pain in the Back, Sides or Joints, often mistaken for Rheumatism; Sour Stomach; Loss of Appetite; Bile is alternately costive and lax; Headache; Loss of Memory, with a painful sensation of having failed to do something which ought to have been done; Debility; Low Spirits; a thin, yellow appearance of the Skin and Eyes; a dry, cough, often mistaken for Consumption.

Sometimes many of these symptoms attend the disease, at others very few; but the LIVER, the largest organ in the body, is generally the seat of the disease, and if not regulated in time, great suffering, wretchedness and DEATH will ensue.

The following highly-esteemed persons attest to the virtues of SIMMONS' LIVER REGULATOR: Gen. W. S. Holt, Pres. Ga. S. W. R. R. Co.; Rev. J. R. Felder, Perry, Ga.; Col. E. K. Sparks, Albany, Ga.; C. Masters, Esq., Sheriff Bibb Co., Ga.; J. A. Butts, Bainbridge, Ga.; Rev. J. W. Burke, Macon, Ga.; Virgil Powers, Supt. Ga. S. W. R. R.; Hon. Alexander H. Stephens.

We have tested its virtues personally, and know that for Dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world ever saw. We have tried forty other remedies before Simmons' Liver Regulator, and none of them gave us more than temporary relief; the Regulator not only relieved, but cured us.—Ed. Notes from the Organ.

The Sunday school at Organ has suspended for the winter. The members of Organ church are scattered over quite a wide territory and it seems as if it were not convenient to attend Sunday school when the weather is cold.

Daniel M. Weaver, who lived near the Rowan line, moved last week to Kimer. Mr. Weaver is a good clever young man just starting out in life with one of the best of little women as a companion. Our best wishes go with them to their new home.

Rufus, Moose and family, of Sumner, spent Christmas with C. E. Best.

M. J. Barger, who suffered a stroke of paralysis some weeks ago, is improving. He is able to visit his near neighbors.

Mrs. Mariah Lippard is spending the holidays in Mt. Pleasant with her daughter, Mrs. Geo. W. Blackwelder.

Jno. L. Cruse, formerly one of our boys, but now doing a lucrative business in Danville, Va., is visiting the scenes of his boyhood days right often. By the way, Mr. Cruse is a widower. He says he does not love the ladies of Danville less, but those of old North Carolina more.

Brantly Beaver and family, of Eli, spent Christmas with his cousin, C. E. Best.

Mrs. Susan Beaver, who has been cooking for Mrs. Smith of Salisbury, has returned.

J. J. Basinger met with quite a serious accident some weeks ago. While cutting rock a piece of steel struck his eye. Although Dr. Barleyson removed the steel he has since lost the sight of that eye.

Mrs. Chauncey Young, of Tennessee, daughter of the late J. P. Rimer, is expected in a few days.

H. J. Best and family, of China Grove, spent last Saturday night with his cousin and brother-in-law, C. E. Best.

Our farmers are taking advantage of the fine weather by breaking their land preparatory to a spring crop.

It is now thought that Rev. G. H. Cox, pastor of Organ church, will remain at least another year. Rev. Cox is a preacher of rare abilities, and he and Mrs. Cox have endeared themselves to the congregation that it would be hard indeed to give them up just now.

A happy New Year to the many readers, and success to THE STANDARD. U. No. Hoo.

The Great Bicycle Race.

The finale of the grand six days bicycle race in Washington city, Saturday last, marks a new era in the cycling history of the world. There were six contestants and the record stands:

Waller, the flying Dutchman, 874 miles and 5 laps; Maddox, of New Jersey, 874 miles and 3 laps; Ashinger, of Chicago, 873 miles and 3 laps; Lawson, the Swede, 871 miles and 10 laps; Hunter, the Frenchman, 871 miles and 10 laps; Foster — 870 miles and — laps.

Ashinger was compelled to see the championship slip from his grasp and Waller now wears the belt.

Mt. Pleasant Items.

Nearly all students have returned to their posts of duty, and have entered upon their work with a zeal which indicates that they intend doing good work this term. We are sorry to learn that several of our best students who were in school before Christmas, will not return. Several new students have entered college and we welcome them, but they cannot fill the place of our old chums and classmates. Several of the seminary girls seem to be deeply interested in the success of our College. One of them on being informed that a certain young man would not return to college, manifested great sorrow. She compares the college to a wagon, and says that neither can run successfully without "Hub."

Dr. Dreher and wife left Monday morning for their home in Salisbury.

Mr. Lewis Heilig, who is employed in business at Lyons, Ga., is spending a while at his old home in this place. He will return about the 15th.

A large crowd of our young people went out to the oyster supper at St. Johns. A good time was reported.

Mr. J. Homer Barnhardt, who has been in school at Trinity College, spent a large part of Xmas vacation in this place. Although he is just in his sophomore year, he preached an able and interesting sermon to a large congregation at the Methodist Episcopal church, Sunday morning.

One of our Sophomore's, while spending Christmas at home, purchased for his girl a nice present, fearing it might get broken if he sent it by mail, he decided to wait and present it himself. As he was entering his room door at the College with the precious bundle in his arms, by some mishap it dropped to the floor. Without one word he picked it up, laid it on the table, and quietly remarked, "its smashed all to the devil."

Mr. Editor, since we visited you last, another Xmas with all its joys and sorrows has come and gone. Another new year with all its unknown mysteries has begun. During this interval that has passed since last we visited you it has been our good pleasure to visit the loved ones at home, the dear old father and mother who watched over us with such unceasing care, when we were young. It made our hearts sad to see our loved ones growing old—those snowy locks and wrinkled brows, tell a sad tale of declining years. So at the beginning of this new year, let us resolve to be better boys, to live purer lives, so that when we take up the duties that shall have been laid aside by our fathers, we may bear them manfully and with honor. ANTONY.

A Storm in Arkansas.

The section from Little Rock to Texarkana was swept by a terrific storm last Saturday night. No loss of life is reported, but only the heroism of a boy who secured a lantern and flagged down the cannon ball train averted a probable wreck where a number of houses were blown about and trees were felled across the track. The rainfall was 4 inches and a great flood prevailed. In Little Rock the waters were a foot deep in the houses and submerged much of the railroad tracks.
