CONCORD, N. C., SATURDAY, JANUARY 23, 1897.

WHOLE NO. 1,623

AT THE CAPITAL.

Proceedings of the General Assembly in Brief.

SENATE.

RALEIGH, Jan. 22.—The Senate was opened with prayer by Rev. D Betts. Bills and resolutions were offered as follows:

Mr. Abell—Bill to amend section 1357 of The Code, relating to depositions.

Mr. Moye—To amend chapter 380 laws of 1889 relating to liens on canal companies.

Mr. Shore—Bill to clear the Yadkin river of timber, etc.

Mr. Rollins—Bill to regulate the law in regard to the dissection of dead bodies.

The calendar was then taken up and a number of bills and resolutions were disposed of.

The President announced the following committee on county government: Messrs. Grant, chairman; Smathers, McCaskey, Atwater and Abell.

Bill for the relief of N T Johnson, a one-legged Confederate soldier, allowing him to peddle without license, passing second and third readings.

Bill for the relief of J L Stewart, a one-legged Confederate veteran, allowing him to peddle without license, also passed second and third readings.

HOUSE.

Mr. Petree—To give deputy clerks of the Superior Court power to probate deeds and conveyances.

Mr. Lawhorn—To protect cultivated grounds from the ravages of poultry, by making it a misdemeanor to allow poultry to go on or remain on such ground after one day's notice by its owner.

Mr. Daniels, of Dare—To prohibit the shooting of wild fowl in that county from "batrys."

Mr. Meares—To pay registrars and judges of election \$1.50 each for services last election day and \$1.50 each to persons who carried election returns of election to the county seat; that not to apply to counties where such officers have already been paid.

Mr. Abernethy—To amend The Code as to pauper suits by striking out the words "one or more witnesses" and inserting "by two disinterested witnesses and by the affidavit of one or more practicing attorneys."

A bill to make it a misdemeanor to disturb a political meeting caused much cross firing, when an amendment was added looking to restraining the conduct also of the speaker, made the bill meet with general favor. An additional amendment was attached making the law apply also to stage actors.

A bill to incorporate the Moore county & Western Railroad, also caused much discussion, it being claimed that it would be equivalent to a parallel to the N. C. R. R. The bill finally passed its second reading.

A bill to give hotel and boarding house keepers a lien on baggage was lost because it was claimed that it conflicted with the constitutional allowance of \$5.00 worth of personal property.

A bill to reduce clerk's fees from \$5 to \$4 per day was discussed but pending discussion the House adjourned.

Reception Last Evening.

Mr. Charles J Harris entertained most charming the many friends of Mr. and Mrs. Brevard Ervin Harris, at the St. Cloud.

Mrs. M C Dusenbury had affairs in charge—it would be superfluous to add that the reception was a success.

The halls, parlors and dining room were beautifully decorated in ferns, ivy and potted plants. Carnations and hyacinths graced the tables, that were so heavily laden with all the dainties of the season.

Meedames Gowan Dusenbury and R S Young, Misses Annie Booth and Rose Harris met the guests in the reception room, conducting them down the hall to the parlor, where they were received by Mr. Chas. Harris assisted by Miss Sallie Belle Ervin, who introduced each guest to the "guests of honor," Mr. and Mrs. Brevard Harris.

Concord's orchestra, with its sweet music, added much to the pleasure of the evening.

The guests left at a late hour, hoping to be remembered when Mr. Brevard Harris is called upon to return the compliment to his brother. M. J. S.

The Discovery Saved His Life.

Mr. G. Cailoutte, Druggist, at Beaverville, Ill., says: To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it. Get a free trial at Fetzer's Drug Store.

Will Use Cabarrus Quartz.

A portion of the plantation of Mr. A B Young, in the Rocky Ridge section of the county, several miles southwest of town, has been leased to a company of Charlotte men who will utilize the large quantities of white quartz found on the surface out there.

The company will use the quartz in experiments, but the nature of the experiments was not learned. Mr. Fred Olier is at the head of the movement, which is a new enterprise.

Salisbury to Have a New Daily.

H J Gasque, editor of the Carolina Watchman, at Salisbury, was in the city and tells us that Messrs. Joe X Rouesche and Clint N Brown are soon to establish a daily paper in Salisbury. The first issue is to appear about March 1, and will be published from new material. Mr. Rouesche is an experienced newspaper man, and Mr. Brown has also had considerable experience.—Charlotte Observer.

To Appoint Two Commissioners.

Judge Starbuck has received a petition from citizens of Rowan county, praying for the appointment of two extra commissioners for that county. The application asks for the appointment of J A Fisher, Populist, and George Rose, Republican. Judge Starbuck informed a STANDARD reporter this morning that he had the matter under consideration and that he would take action on the matter in the course of a few days. It is very probable that the appointment will be made.

Committee to Do the Whipping.

The district school, No. 19, taught at the old Pluskett school house in No. 1 township, is not running as smooth as ice. It seems that a small boy was called up for a whipping, and the lady in charge, feeling the task too much for her, reported the matter to the committee. The committee took it upon themselves to "lay it on" the boy and was to do so in the presence of the boy's father. The boy declared his innocence of the charge to the father and the father would not submit to the proposed whipping, which caused a division in the school, and as matters now stand, the school is reported to be in bad shape. It is hoped, however, that all differences will be amicably adjusted within the next few days.

Julian Caldwell Dead.

Mrs. Jennette Caldwell received a telegram this (Saturday) morning from Statesville, announcing the death of her little grandson, Julian, the 7-year-old son of Mr. and Mrs. L C Caldwell. Mr. and Mrs. Caldwell have the tender sympathy of this entire community in the loss of their dear little boy.

Concord and Aberdeen.

A bill granting a charter for the construction of a railroad from Aberdeen, Moore county, to Concord, a distance of 70 miles, has passed its second reading in the House. Mr. John O Wadsworth, who has been in Raleigh for several days engineering the bill, returned last (Friday) night and says the charter will be granted.

The railroad will be built, and is to be complete within four years. Forty millions of dollars are backing the promoters of this proposed road, which is to have a connection with the S-board Air Line.

A Monstrosity.

Two weeks ago last Sunday morn- Dixie McKinley, a woman across the railroad, gave birth to an infant—a perfect monstrosity. The woman was frightened by seeing an elephant when the circus was in this city; and the child has a peculiar shaped malformation protruding from just beneath its nose. It has no roof to its mouth and cannot nurse, eating only from a spoon.

The unhappy mother nearly starved for two weeks, as she concealed the birth until last Sunday.—Wilson Times.

WARNING.

We wish to caution all users of Simmons Liver Regulator on a subject of the deepest interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator, but J. H. Zeilin & Co., and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible, if other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.

We ask you to look for yourselves, and see that Simmons Liver Regulator, which you can readily distinguish by the Red Z on wrapper, and by our name, is the only medicine called Simmons Liver Regulator. J. H. ZEILIN & CO.
