CONCORD, N. C., TUESDAY, JANUARY 26, 1897.

WHOLE NO. 1,627

AT THE CAPITAL.

Proceedings of the General Assembly in Brief.

IN THE SENATE.

The bill was favorably reported amending divorce law so as to add the words: "Unless the wife re-marries then the husband may also re-marry," and add the words, "Unless the husband re-marries then the wife may also re-marry."

The following bills and resolutions were offered:

To authorize the Governor to appoint two additional justices of the peace in any township whenever in his discretion he may believe the ends of justice will be promoted by such additional number, their terms to end the first Monday in December, 1898, for these first appointed, and those for each succeeding term shall begin on the date given above; whenever the Governor thus appoints justices one shall be of a political party different from that of the majority of the justices in said township, and such appointments of additional justices shall be made by the Governor whenever the resident judge certifies it to be desirable.

To require the registration of the names of partners in business concerns, &c.

To repeal section 1, chapter 170, acts of 1887, and to include in the list of benevolent societies exempt from insurance tax, the Knights Templar and Mason's Life Indemnity Company.

The question of visiting the University Wednesday to attend the inauguration of President Alderman came up. It was decided that the Senate attend in a body and that there be a night session at 8 o'clock Wednesday.

The resolution instructing the Senators and Representatives to vote for free silver was made a special order for Thursday at noon.

IN THE HOUSE.

To regulate assignments, providing that all conditional sales, assignments, mortgages or deeds of trust which may be executed to secure any debt, obligation, note or bond which gives preference to any creditor of the maker, shall be absolutely void as to pre-existing creditors.

To amend The Code so as to allow grand children of certain ex-slaves to inherit and become distributors of their estates.

To prevent affrays; to punish slander and to amend The Code in reference to Sunday trains.

To authorize clerks of Criminal Circuit Courts to probate deeds and take private examinations of feminine covert.

Mr. Cathy (resolution) pledging the present Congress to the election of United States Senators by the direct vote of the people.

Mr. Dockery—To charter the Eastern Hospital for the Insane at Goldsboro, and to provide for the government of the insane. (Both these bills were summarized by noon Friday night).

Mr. Freeman—to protect stock-raising and improve the same.

Mr. Peace—to provide that land-owners shall pay for one-fourth of the fertilizers used by tenants, unless when the land is rented he tells the tenant he will not pay for any fertilizer.

Mr. Brown—Providing that the board of the county commissioners shall appoint on the first Monday in April each year a township road supervisor, to have charge of all road work and to be paid for his time.

Mr. Ranson—to change the age when road duty shall begin from 18 to 21 years.

The bill to allow a woman a divorce if her husband is in the penitentiary was tabled. It seems to have been drawn to cover a special case.

Dr. J. L. M. Curry, agent of the Peabody fund, addressed the Legislature by request on the subject of education. The Doctor is bold in his charges that North Carolina is not well up in education and that

legislators are cowardly in voting appropriations. He pleads that the colored population must be educated as a cure for existing ills and that those who would absorb Cuba would find themselves with 750,000 more to educate and look after. He claims that if North Carolina is too poor to educate she is altogether too poor to not educate.

FIRE IN SALISBURY.

A Part of the Smithdeal Block Swept Away This Morning.

Mr. W. A. Sells came in from Salisbury this morning and informed a STANDARD reporter that a big fire had occurred in that place and that a large portion of the Smithdeal row on Fisher street had burned down before the flames were gotten under control by the firemen. The fire originated in a negro physician's office, between the ceiling and roof and covered the entire building before discovered. The store rooms were occupied by Litchenstein's tailor shop, Hurah's furniture store, a dressmaking establishment, doctor's office and individual sleeping apartments.

Fire was discovered about 9 o'clock and had made great headway when the firemen reached it. The amount of damage is not known.

Cure For Headach.

As a remedy for all forms of Headach Electric Bitters has proved to be the very best. It effects a permanent cure and the most dreaded habitual sick headaches yield to its influence. We urge all who are afflicted to procure a bottle, and give this remedy a fair trial. In cases of habitual constipation Electric Bitters cures by giving the needed tone to the bowels, and few cases long resist the use of this medicine. Try it once. Fifty cents and \$1.00 at Fetzner's Drug Store.

"Potash in Agriculture."

Is the title of a pamphlet, published by the German Kali Works, No. 93 Nassua Street, New York, N. Y. This book is known to many of our readers from its first edition, published a few years ago.

The contents embody a collection of results obtained with fertilizers at our Experiment Stations. It would appear from these conclusions that many brands of fertilizers now on the market do not contain as much potash as they should for the production of the best results. It would certainly pay every farmer to write for a copy of this book, which we understand is sent free.

WARNING.

We wish to caution all users of Simmons Liver Regulator on a subject of the deepest interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator, but J. H. Zeilin & Co., and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible, if other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.

We ask you to look for yourselves, and see that Simmons Liver Regulator, which you can readily distinguish by the Red Z on wrapper, and by our name, is the only medicine called Simmons Liver Regulator.
