CONCORD, N. C., THURSDAY, JANUARY 28, 1897.

WHOLE NO. 1,627

AT THE CAPITAL.

Proceedings of the General Assembly in Brief.

In the General Assembly Wednesday a less amount of work was done than usual. It seems Lieutenant Governor Reynolds did not arrive from Chapel Hill in time and the senate met and adjourned till Thursday.

In the house only 47 members were present.

Mr. Lusk introduced a bill to authorize the Governor to appoint female notary publics.

A lively tilt occurred in the discussion of the law to prevent lynching. Speaker Hileman seemed to have caught some of the spirit of Tom Reed and either went without rule or placed his own construction upon the rules. Mr. McKenzie, of Rowan, was the thorn in his flesh.

Rowan Gets Two More.

The petition of citizens of Rowan county requesting the appointment of two extra commissioners for the management of that county's affairs, was approved of by Judge Starbuck, who today (Thursday) appointed J A Fisher, Populist, and W C Rose, Republican, to fill the places. The commission papers were drawn up today and will be forwarded tonight.

Court To-Day.

The entire day in the Superior Court was taken up in the trial of the rock-throwing gang that raided the house of Porter Gray in the Rocky Ridge section of the county some time last fall. It is a very complicated case and implicates a number of good citizens.

The following cases were disposed of yesterday:

State vs. Luther Oliver, stealing coal; not guilty.

State vs. M L Dry and Eli Harkney, stealing cotton, guilty; sentenced to chain gang 12 months.

State vs. Lam Boger, stealing coal, not guilty.

CASTORIA

For Infants and Children.

The fac-simile signature of *Chas. H. Fletcher* is on every wrapper.

At Philadelphia's big fire on the 26th the weather was so extremely cold that water froze wherever it struck not in the immediate regions of the fire. The firemen, from bursting hose, were sheeted over with ice and it was almost unbearable. Thoughtful citizens made enormous quantities of tea and coffee, soup and rolls and devoted all their powers to the comfort of the firemen, many of whom must have succumbed to the terrible strain, but for such timely relief.

TO CURE A COLD IN ONE DAY
Take laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. 25c.

China Grove Items.

Owing to so much sickness amongst the operatives Patterson's Mills closed down night work a few nights last week.

The mumps and grip seem to have taken possession of our little town. We also have two cases of pneumonia, but think no one is seriously ill just at this writing.

Miss Bettie Patterson came home from Concord last Friday. Miss Jennie Patterson resumed her work in the Concord Graded School Monday morning, to the delight of her students.

Mr. Bruner Goodnight and Mrs. Deal were happily married last week. We wish them both success and happiness. The wheels of progress may stand but man and woman never cease to love and as a natural sequence marriage is the result.

Our town has been over-ran with drummers for the last week, but that is O. K., for drummers are hustlers anyway.

Miss Ethel Patterson spent Sunday at Salem church with her sister, Mrs. Miller.

Messrs. John and Emmett Fisher were in town Sunday. Glad to see the young men down.

Rev. Henderson Miller went down to Mt. Pleasant Monday on some important business. He returned last evening when he joined Mrs. Miller and little Louise, who have been with Mrs. I F Patterson.

Mr. W V White, of the C & G Cooper & Co., is placing the new engine for the Patterson Manufacturing Company.

Mr. Jno. Cline and force are putting the finishing touches on the inside of the new mill.

Mr. W J Swink's condition is very much improved and in the course of time he will again be out among his many friends. Mr. Beatty is a faithful nurse and will give him his undivided attention.

We were glad to meet Dr. Young on the train last evening, he was on his way to Lexington to consult with the physicians there in regard to the condition of Capt. Pinnix.

Mr. and Mrs. Soliday, Dr. and Mrs. Stephens and Mrs. Cora Miller spent Tuesday with Mrs. I F Patterson. Mr. and Mrs. Soliday left Tuesday night for Ohio, their home via Washington, D. C.

Dr. Crowell, Messrs. R H Milton, Arthur L Patterson and T L Ross, went up to Salisbury last night to hear Remenyi. To all lovers of good music we would suggest that they make an effort to hear the great violinist. We never saw one play so skilfully before on a violin.

Rev. Wertz preached rather an interesting sermon Sunday night about Samson and Delilah.

Mr. H W Wilkinson is holding down the Patterson Manufacturing Company's office during the sickness of Mr. Swink. He looks quite dignified and in place while occupying the office chairs.

The ground is covered with a beautiful snow. We think such weather will be good for the coming crop, as the freeze will kill the chinch bugs. PROVOST.

A Good and Valuable Book.

New State Directory for North Carolina in limited edition, price \$5 sent postpaid. Order at once of LEVI BRANSON, d&wapl1 Raleigh, N. C.

Will Not Be Changed.

Chief Clerk John A Sims, of the State Auditor's office, in communicating with a fireman in this city says that it is not probable that the legislature will change the law appropriating \$2,500 annually to the State Firemen's Association, he having discussed the matter with several prominent members and finds that there is great sympathy with the firemen. Mr. Sims is neither a legislator nor a fireman, but assures the firemen that all he can do for them will be done cheerfully. He also stated that Senator Barringer, of Cabarrus, rather favored the abolishment of the appropriation. It is hoped that Mr. Barringer will consider well before voting his sentiments and not vote for anything that will disable such a useful organization as the State Firemen's Association.

No Destitution Here.

"During all the cold, severe weather, there has not been a call for relief from any case of destitution that might exist in the city." So says Chief of Police Boger. "And this is no remarkable, because we have fewer loafers and deadbeats here than any town I know of. Everybody manages to provide for himself and family, except an occasional case of prolonged sickness, and then the physicians and good women take care of them, and they make no demands upon the city."

How many towns the size of Concord in the State of North Carolina or any other State can boast of such record, and how much credit is due to the fact that Concord is a "dry" town?

New Definition—"But tell me, Alice. Is he—well, is he quite a gentleman?" Alice (after a pause): "Well, he's nice looking, and he's got his handkerchief up his cuff."

Old Bachelor (smilingly): "Now that your sister has married, it is your turn." Young lady (sarcastically): "Is that meant as an offer?"

WARNING.

We wish to caution all users of Simmons Liver Regulator on a subject of the deepest interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator, but J. H. Zeilin & Co., and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible, if other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.

We ask you to look for yourselves, and see that Simmons Liver Regulator, which you can readily distinguish by the Red Z on wrapper, and by our name, is the only medicine called Simmons Liver Regulator. J. H. ZEILIN & CO.
