ART, SCIENCE, INDUSTRY.

The Woman's Exposition of the Carolinas, May 1st to June 1st, to be held in Charlotte—Famous Paintings and Drawing to be there.

CHARLOTTE, N. C., Feb. 20, '97.—The management of the Women's Exposition of the Carolinas announce this morning that the famous painting, "Breaking Home Ties," by Hovendon, which was probably the most popular picture at the World's Fair and which at the Atlanta Exposition attracted so much attention, will be placed on exhibition here.

This famous picture is the property of Mr. Charles O. Harrison, Provost of the University of Pennsylvania.

The art exhibit will exceed anything that has been seen in this section, with the exception of the Atlanta Exposition.

Charles Noel Flagg, the famous portrait painter, whose portrait of Mark Twain won him the gold medal at the World's Fair will make an exhibit.

Louis Rhead, the leading Poster artist, and the Gentry Co., will unite in an exceptional collection of art posters.

The Society of Washington Artists, and the Washington Water Color Club, will co-operate in sending down an exhibit of their best work.

Mrs. Rhoda Holmes Nichols, one of the most prominent water color artists in this country, signifies her intention of exhibiting two or three choice pieces of her work at the Exposition. Mrs. Nichols goes abroad in April.

An exhibit is being arranged for that will undoubtedly prove very interesting, embracing as it does, a product of North Carolina kaoline, from which beautiful egg shell porcelain is made. It is the intention to have the product displayed through the process of manufacture, from a crude state into that of the finished article.

Preparations for the Exposition are now well under way, and the prospects are extremely gratifying. The Exposition will embrace the month of May.

Trial Justice Court.

Evan Taylor and John Johnston, two countrymen, were arraigned before Esquire W. J. Hill Friday afternoon, charged with an affray. From the evidence given, the two men had agreed upon a "fair fight" and entered the ring on mutual grounds. Attorney W. G. Means represented Taylor and Attorney Crowell appeared for Johnston. Esquire Hill decided that both men were guilty and imposed a fine of \$1 and the costs upon each.

A Great Book Free!

When Dr. R. V. Pierce, of Buffalo, N. Y., published the first edition of his great work, The People's Common Sense Medical Adviser, he announced that after 680,000 copies had been sold at the regular price, \$1.50 per copy, the profit on which would repay him for the great amount of labor and money expended in producing it, he would distribute the next half million free. As this number of copies has already been sold, he is now giving away, absolutely free, 500,000 copies of this most complete, interesting and valuable common sense medical work ever published—the recipient only being required to mail to him, at above address, twenty-one (21) one-cent stamps, to cover cost of mailing only, and the book will be sent post-paid. It is a veritable medical library, complete in one volume. Contains 1008 pages, profusely illustrated. The Free Edition is precisely the same as that sold at \$1.50 except only that the books are in strong manilla paper covers instead of cloth. Send now before all are given away.

The wife of Rev. James Peeler, of Enochville, died this morning, of consumption.

A COLLISION.

Two Bicyclists Run Together On Main Street—No One Hurt.

If there is not already there should be enacted a law requiring every bicyclist to carry a lantern on the front end of his wheel while out at night.

Last night Mr. Hines, the candy maker, was going down Main street at a stiff speed when Crawford Steele, the young man that stays at Miller's grocery store, collided with Hines. Steele was in the act of straddling his wheel off the bridge at Dry & Wadsworth's furniture store, and was going with considerable force when Hines and himself met. Neither of the young men was hurt, but the front wheel of Steele's bicycle was shattered.

Accidents will happen, of course, but as a preventative wheelmen should be required to use the lantern and bell.

White Gets Out and is Re-Arrested.

White, the Indian doctor, paid his costs this morning and was released from jail. In half an hour afterwards he was in the hands of the law again and will probably spend a while longer in jail. It will be remembered that White at this term of court was convicted of practicing medicine without license. He was tried and found guilty. Judgment was suspended and White was required to pay cost and leave the State. He went to jail and stayed there a few days, but this morning succeeded in raising \$35, the amount of the cost, and was liberated. His freedom was short-lived, however, as he was arrested in less than half an hour afterward charged with practicing medicine in Stanly county without license.

He was taken to Albemarle on the Yadkin train this afternoon by Deputy Sheriff Robt. Monroe and will have to stand trial at the next term of Stanly court.—Salisbury World.

Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had consumption and that there was no hope for her recovery, but two bottles of Dr. King's New Discovery saved her life. Mr. Thomas Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching consumption, tried without result everything else then bought a bottle of Dr. King's New Discovery and in two weeks was cured. WARNING.

We wish to caution all users of Simmons Liver Regulator on a subject of the deepest interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator, but J. H. Zeilin & Co., and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible, if other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.

We ask you to look for yourselves, and see that Simmons Liver Regulator, which you can readily distinguish by the Red Z on wrapper, and by our name, is the only medicine called Simmons Liver Regulator.
