The Ideal Panacea.

James L. Francis, Alderman, Chicago says: I regard Dr. King's New Discovery as an Ideal Panacea for Coughs, Colds and Lung Complaints, having used it in my family for the last five years, to the exclusion of physician's prescriptions or other preparations.

Rev. John Burgess, Keokuk, Iowa, writes: I have been a minister of the Methodist Episcopal church for 50 years or more, and have never found anything so beneficial, or that gave me such speedy relief as Dr. King's New Discovery. Try this Ideal Cough Remedy now. Trial Bottles free at Feszer's Drug Store.

Mixed Pickles.

The editor of the Willmar, Minn., Argus lives in a house located between a Methodist church and a dance hall. One evening recently there was a gathering in both places. It being too warm for comfort indoors, the editor sat on the veranda and took in the situation. This is what he heard:

"Let us pray—all salute—we beseech thee to join hands and draw near—circle to the left—listen to us—first forward and back—as we all promenade—kneel before thee and balance all—present our petition—grand right and left—for Christ's sake—seat your partners."

The editor was more than saddened at the degeneration of the village and went off and joined a baseball club in order to be neutral.

No Longer a Secret.

Ex Queen Liliuokalani no longer withholds the object of her visit to the United States. It is to defeat the scheme of annexation. She claims that the natives are true to her and that only adopted citizens effected her overthrow and will, if possible, effect annexation.
