### China Grove Items.

Our Literary Society met at Miss Bettie Patterson's last Tuesday evening, but owing to sickness only one of the fair maidens turned out, but I must say to the honor of the bachelor of the club that she was handsomely entertained. The regular programme was dispensed with and Mr. W V White, of Cincinnati, who is not only a designer and draftsman but also a talented musician, delighted the few assembled with some very choice vocal solos.

Miss Ethel Patterson and Master Bernard left Thursday morning for Thomasville where they go to visit P. v. and Mrs. Clapp.

Mr. A L Patterson gave a very amusing entertainment at the Academy last night with his Gramophone. Half the proceeds to go to St. Marks church.

Dr. A J Crowell performed a very difficult operation on Jno. Laffer about two weeks ago for appendicitis caused by parched peanut getting into the appendix. I think this is the fourth operation ever performed in the county and it is the first to have recovered. The Dr. Tells me that if the patient should finally get well that it will be very unusual as the man had a general peritonitis at time of operation caused by rupture of appendix into peritoneal cavity.

The marriage bells are still to be heard in the distance. On next Wednesday evening Mr. Preston Linn and Miss Grace Shullenberger will be married at Zion German Reformed church.

Everything is moving O. K. in "China". Would be glad to see Uncle Sam lend Cuba a helping hand. PROVOST.

### Two Children Burned.

The Durham Sun says that on Wednesday evening screams were heard in the house of Luke Sparkman, colored, when it was found that the clothing of three children left in the house was burning. Their ages were 7, 4 and an infant. The two older ones died during the night but the infant was saved. Much sympathy is felt for the distressed parents who were away at the time.

Cascarets stimulate liver, kidneys and bowels. Never sicken, weaken or gripe. 10c.

One truck farm of 600 acres in North Carolina in one year, says the Star of the South, sold the following produce: 9,000 barrels of potatoes, \$36,000; 100,000 head of cabbages, \$12,500; 2,000 bunches of spinach, \$2,500; 2,000 boxes of beans, \$2,000; 1,000 boxes of peas, \$1,000; 5,000 bunches of asparagus, \$1,600; radish crop, \$500; peets, \$400; 4,000 barrels of citron melons, \$4,000; tomatoes, \$1,000; sales of milk (65 cows) \$4,000—total, \$65,500.

### CONTRACTOR ITTNER RESIGNS WORK.

Elizabeth College Faculty Selected. Catalogues to Be Issued Within Sixty Days.

Work on the Elizabeth College will now be prosecuted vigorously. Contractor Ittner arrived yesterday morning and all necessary papers were promptly signed, sealed and delivered. In the afternoon he, in connection with his foreman, Mr. W B Talley, of Atlanta, Architects Dempwolf, and Messrs. King and Fisher, of the building committee, went to the college grounds, made all preliminary arrangements, and this morning will witness the beginning of active operations. The building is to be completed on or before September 20th. Its architectural style is of the most modern, meeting all the requirements for a first class college, and it will be an object of pride and beauty to the city and to the South. The building, when completed, without furnishings, will cost not less than fifty-two thousand dollars.

The college authorities have almost completed the selection of a faculty, and they say that the prospective catalogue for season 1897-98 will be issued within sixty days.—Charlotte Observer.

### This is Your Opportunity.

On receipt of ten cents, cash or stamps, a generous sample will be mailed of the most popular Catarrh and Hay Fever Cure (Ely's Cream Balm) sufficient to demonstrate its great merits. Full size 50 cts.

### ELY BROTHERS,

56 Warren St., New York City. Rev. John Reid, Jr., of Great Falls, Mont., recommended Ely's Cream Balm to me. I can emphasize his statement, "It is a positive cure for catarrh if used as directed."—Rev. Francis W. Poole, Pastor Central Pres. Church, Helena, Mont.

### It May Do as Much for You.

Mr. Fred Miller, of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pains in his back and also that his bladder was affected. He tried many so called kidney cures but without any good result. About a year ago he began use of Electric Bitters and found relief at once. Electric Bitters is especially adapted to cure all kidney and liver troubles and often gives almost instant relief. One trial will prove our statement. Price 50c and \$1.00 at Fetzer's Drug Store.

### The Negro's Clever Scheme.

The invention of the Columbus negro of a patent comb to straighten the curly (?) locks of his race and make them glossy and flowing like the white man's, is not based upon the same conception of the negro's ambition or vanity as was the scheme of a clever Yankee to have Bibles printed containing pictures of colored angels.—Columbus Enquirer Sun.
