## DIED THIS MORNING.

**Mrs. Catherine Murr Passes Away, Which Ends a Useful Life.**

Mrs. Catherine Murr, wife of the late Stephen Murr and mother of Messrs. Dave, George and Ed. Murr, and Mrs. J. F. Harris, of this city, and the late Mrs. M. L. Ritch, of Salisbury, died this morning at 10 o'clock at her home on East Depot street. Mrs. Murr had been in declining health for some time, but not until several days ago was she taken with the fatal spell of pneumonia. She was 68 years of age and was an earnest Christian lady, much loved by her children, grandchildren and a large circle of friends. She was a consistent member of St. James Evangelical Lutheran church. Besides the four children who are left to mourn her death, are Mrs. W. A. Patterson, her sister, and Mr. Jno. Suther, a brother.

The funeral service over the remains of the deceased will take place from the residence tomorrow at 1 o'clock by her pastor, Rev. O. B. Miller. The interment will occur at the Lutheran cemetery.

### Marvelous Results.

From a letter written by Rev. J. Gunderman, of DeMott, Mich., we are permitted to quote this extract: "I have no hesitations in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist church at Lees Junction she was brought down with pneumonia succeeding La Gripe. Terrible paroxysms of coughing would last hours with little intermission and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and gave satisfactory results. Trial bottles free at Feltzer's Drug Store. Regular size 50c and \$1.00."

### A Young Horse Thief.

Friday morning Mr. D. B. Cox, a young farmer of near Mt. Pleasant, came to town horseback and put his beast in a stall in rear of Parnell's blacksmith shop, and went about his business with the merchants.

At 3 o'clock Mr. Cox started home, but on reaching the stall found that his horse was gone. Inquiry was made about his horse, when it became known that Paul Pruett, a 14-year-old white boy living on East Depot street, had taken it out for a ride. Pruett rode the horse to Forest Hill, where he threw the saddle upon the ground and left it. He then took the horse to the wood beyond the cemetery and tied it to a small sappling, returning to town a-foot. About 6 o'clock Chief Boger and Mr. Cox went to the home of the boy and made him tell where he had taken the horse. The animal was found just where the boy had left it. Mr. Cox was given the privilege of thrashing the boy, and didn't do a mean job of it, either.

This is the third or fourth time the little fellow has stolen horses out of their stalls, and after riding a while, hiding them.

## GOOD ROADS MOVEMENT.

The Cost of Road-Making in the State of North Carolina.

The State of North Carolina has been very progressive in the movement for good roads. Prof. J. A. Holmes, State geologist, has prepared a report on the subject which shows the money raised in North Carolina for road purposes to be \$109,000. The largest amount (\$36,000) is raised by Mecklenburg county; the next largest (\$12,000) in Buncombe, and third (\$9,300) in Forsythe. The total number of counties that have adopted a road tax is about thirty. They are working their roads now by this system either wholly or in part.

Reports from a number of counties working convicts on their roads show that it costs less to work them on the public roads than it does to feed them in the county jails. In Wake, for instance, it costs twenty and one-half cents; in Mecklenburg, Forsyth, Durham and Alamance it costs twenty cents per day per convict to work them on the public roads. This cost includes board, clothes, medical attention and salaries of the guards. Whereas in these same counties, when these prisoners are kept in jail, it costs on an average of 28 cents per day per prisoner to support them. The report shows, furthermore, that the convicts enjoy better health when working on the public roads than when in jail. The report will be a valuable addition to the literature on the employment of convicts and the good roads movement.—Manufacturer's Record.

### WARNING.

We wish to caution all users of Simmons Liver Regulator on a subject of the deepest interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator, but J. H. Zeilin & Co., and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible, if other medicines represented as the same do not help you as you are led to expect they will. Bear this act well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a diseased Liver.

We ask you to look for yourselves, and see that Simmons Liver Regulator, which you can readily distinguish by the Red Z on wrapper, and by our name, is the only medicine called Simmons Liver Regulator.
