The little fellow had been sick for a long time and his death was not unexpected. The funeral will take place from the home tomorrow morning at 8:30 o'clock, conducted by Rev. W. C. Alexander, following which the remains of the little fellow will be taken to the family burying grounds at Rocky River church for interment.

Mr. and Mrs. Query and the little brothers and sisters have the tenderest sympathy of friends in this sad bereavement.

## Marvelous Results.

From a letter written by Rev. J. Gunderman, of Diamondale, Mich., we are permitted to make this extract: I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist church at Rives Junction she was brought down with pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results. Trial bottles free at Fetzer's Drug Store. Regular size 50c and \$1.00.

## A Pig in the Church.

Sunday morning Master Joe Fisher, sexton at St. James' Lutheran church, entered the basement and lo, and behold, met face to face with a little black shote. The pig ran through one of the windows into the basement, breaking one of the large glasses. The supposition is that the pig was chased in by dogs.

## Ed Hall an Inventor

After three years of hard study and manipulation, Mr. Ed. H. Hall, of this city, has invented something that will some day make him fame and fortune. It is an electrical danger signal for railroads, to prevent disastrous collisions. The models show that the invention required considerable skill and study. Mr. Hall has a railway and two little engines at the electric light station, where he has been trying the virtue of his invention. All who have seen it, pronounce it a most valuable signal for railways. It can be connected as a semaphore service, flash light signal, and in many other ways. He will patent it.

## Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed, when the languid exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, indigestion, constipation, dizziness yields to Electric Bitters. 50c and \$1.00 per bottle at Fetzer's Drug Store.

## Salisbury Journalism.

The first appearance of the Salisbury Daily Sun made its way to our office. It is neat and newsy. J. X. Roueche and Clint N. Brown are the proprietors, and Leroy Smith is its city or local editor. It will be Democratic in principle and confine its business to matters of a local nature. Success to it.

Mr. John S. Smithdeal, so well known here, has recently taken to the quill, and is pushing the pencil in the capacity of local reporter for the Salisbury World.

## WARNING.

We wish to caution all users of Simmons Liver Regulator on a subject of the deepest interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator, but J. H. Zeilin & Co., and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible, if other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.

We ask you to look for yourselves, and see that Simmons Liver Regulator, which you can readily distinguish by the Red Z on wrapper, and by our name, is the only medicine called Simmons Liver Regulator.

J. H. ZEILIN & CO.

Take Simmons Liver Regulator.
