CONCORD, N. C., THURSDAY, MARCH 25, 1897.

WHOLE NO. 1,675

Saw Charlie Junker Killed.

Floyd Sherrill, a 13-year-old boy of this city, was in company with Charlie Junker, who was run over and killed by an express train near Wilmington, Del., several weeks ago. The two boys left here together and had "bummed" all the long journey. Sherrill has returned home and says that he and Junker were preparing to leave the yards near Wilmington and that he (Sherrill) boarded the front end of a freight train and left Junker to get on last. Just as the unfortunate boy was in the act of catching the train, a brakeman warned him not to do so, and in obedience to the command, stepped back on to another track (there being a double track) and at the same instant was struck by the express train.

Sherrill says he saw the train strike the boy but that he did not go back; the train he was on was going at full speed and he was afraid to jump off.

Sherrill tells several accounts of the killing, but the above is about the straightest we could get.

An Excellent Quartet.

Dr. McConkey, a patent medicine man now in our midst, has with him some of the finest singers that have visited our city in many years. In fact the quartette is seldom equalled. Mr. W. C. Stouffer, the first tenor, has a sweet voice that is par excellence; Mr. J. D. Laurens sings a second tenor that is splendid; Baritone Ike N. LaRue is simply out of sight, while Mr. E. Warner, who is possessed of a deep bass voice, is superior to thousands who are considered fine. This quartette gives open air concerts every night and the treat is enjoyed by large crowds of music lovers. It's all free, too.

About the Ice Factory and Steam Laundry.

There is considerable interest manifested on the part of our citizens in regard to the ice factory and steam laundry spoken of by THE STANDARD several weeks ago. Mr. Gowan Dusenbery, one of the main projectors, informed the STANDARD reporter that the enterprise is a certainty, and that the plant will be put in just as soon as a suitable site can be determined upon.

It is the intention of the company to have everything running by the 1st of May.

A Wreck at Blacksburg.

Train No. 11, the Southbound passenger train which passed here at 10.30 o'clock a. m., was wrecked Wednesday two miles south of Blacksburg, S. C. At the 42 1/2 mile post the front pair of wheels under the engine left the track. The engine, tender, mail car, baggage car, second and first class coaches all jumped the track, stopping clear of the main line, all right side up. Four persons were injured, but not fatally. They were: Engineer Chatham, Fireman Halsey, Flagman Chapman and postal clerk Robert Mansfield.

The cause of the wreck has not been determined. All trains going north were delayed for several hours.

Broke Up in a Row.

A concert Tuesday night at Thomasville broke up abruptly in a row.

Prof. Patchen took occasion to deny that he had at some time previously reflected on Southern women and challenged any one to confront him and say that he had. Prof. Rheinhardt accepted the challenge and soon passed the lie to Patchen. The concert came to a quick adjournment.

Two More Drug Stores.

It is rumored on the streets this afternoon that Dr. G. F. Arey and Mr. George Heglar, two prominent men of New London, will soon move to this city and open a drug store.

It is also rumored that Dr. J. O. Mauney, who now lives at Jackson Hill, in Davidson county, contemplates moving here to run a drug store.

Time is about the only thing that will verify the truth or falsity of these rumors.
