You are too young, no matter what your age, to lose your hair. Save it by the use of Ayer's Hair Vigor. It removes dandruff, prevents baldness, restores gray and faded hair to its original color, and makes it soft, glossy and abundant. No toilet is complete without it.

Last Tuesday night while the southbound vestibule train was passing High Point, some miscreant threw a rock through a car window. The missile struck a lady, Mrs. D J Sully, of Providence, E. I., in the breast, causing her to faint and to experience great pain. Mrs. Sully was taken to Charlotte and treated, and is now quite over the shock.

All the elements which nature requires, to make the hair beautiful and abundant, are supplied in Ayer's Hair Vigor. This preparation keeps the scalp free from dandruff, prevents the hair from becoming dry and harsh, and makes it flexible and glossy.

The Goldsboro Argus says that Frank Baker, a loud-mouthed and offensive negro politician of Dudley, Wayne county, was assassinated in his store last Saturday night, while waiting on customers. He was shot from outside the store. Baker had the town incorporated by the late Legislature, against the wishes of a majority of the people, and this is believed to have led immediately to his killing.

Self-denial is the one thing most difficult to inculcate and always hard to practice, especially when there are good things to eat within reach. But there is no self-denial necessary if you take Simmons Liver Regulator. It promotes digestion, prevents dyspepsia and a dose after a hearty meal of delicacies will prevent any discomfort. It's the best good-night toddy.
