WHOLE NO. 1,684

A Good Citizen Departed.

Mr. Jesse W Miller, of Mt. Ulla, Rowan county, died last Friday at 11 o'clock at his home.

The deceased has been a sufferer for many years from kidney disease, and the fatal period was extended beyond the period feared by many of his closest friends.

Mr. Miller has been for many years a leading citizen in Rowan county, a pillar in the church to which he was so devoted, and an earnest advocate of educational interests. His zeal for the literary institutions at Mt. Pleasant was most marked, and rarely did he ever fail to be present to discharge his duties and impart his counsels as member of the board of directors of North Carolina College which has lost in him a most valuable advocate and supporter.

Mr. Miller's first marriage was to the daughter of Mr. Jerrie Barringer, by whom he has two surviving sons. His second marriage was to the daughter of Mr. Alexander Brown, the widow of Rev. Jacob W Barrier, who was at the time of his death, in 1868, pastor of the Enochville charge. Mr. Miller was bereft of his second wife about 6 years ago. Two sons and two daughters mourned her loss and now join the senior two in the bereavement of their venerated father.

We extend to the bereaved family our sincere sympathy while we feel that we have in a peculiar sense lost in him a brother.

TO CURE A COLD IN ONE DAY

Take laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. 25c.

Will Stay Till Wednesday.

Dr. Gardener, the new manager of the Root-Tea-Na Concert Company now here, received a letter yesterday from a personal friend in Salisbury asking him not to come with his free concerts for today and tomorrow as it might interfere with the interest in the "Story of the Reformation" to be elucidated by Mrs. Monroe. The doctor has generously acceded to the request and will remain here till Wednesday at least.

We commend the doctor's magnanimity and are glad to have that thrilling music with us longer.

It May Do as Much for You

Mr. Fred Miller, of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pains in his back and also that his bladder was affected. He tried many so called kidney cures but without any good result. About a year ago he began use of Electric Bitters and found relief at once. Electric Bitters is especially adapted to cure all kidney and liver troubles and often gives almost instant relief. One trial will prove our statement. Price 50c and \$1.00 at Fetzner's Drug Store.

The Levees Break.

The floods in the Mississippi have continued so unabatingly that a number of breaches have been made and cannot be repaired till the flood subsides. The damage in New Orleans is very little yet, but in many places much loss is inevitable. Boats are running in the submerged parts and a number of dead have been found, chiefly from starvation, though nervous excitement may have caused some deaths.

Till the waters subside many of the rich bottoms will be in no condition for crops any more this year.

Bond Issue Election Recalled.

The election called to take place on Monday, the 19th day of April, for the issue of bonds, has been cancelled on account of a change in the general election laws of the State as enacted by the last legislature. A copy of the election law was not obtainable until this morning, when upon a close perusal it was discovered that the procedure of the board of town commissioners was contrary to certain provisions of the law, thereby making the election to be held on that date void.

An election for the issue of bonds is not considered a town election, and the power of appointing registrars and judges for holding said bond election is left to the Superior Court, Register of Deeds and the Chairman of the board of county Commissioners, instead of being left to the town commissioners as under the old law.

The matter will be straightened out immediately, and it is very probable that the election will be held in June.

There was a called meeting of the board of town commissioners this morning when the town Clerk was instructed to notify the registrars and judges previously appointed that they would not need further to proceed with the preliminaries to the said election and have accordingly been called off duty.

A Clever Quartet.

The quartet, Messrs. La Rue, Stonfer, Warner and Laurens, of the Root-Tea-Na Medicine Company, who are as clever and as accommodating a set of musicians as ever visited our city, have won completely the hearts of our people with their splendid music. They have not only responded to requests to sing and repeat upon the streets, but have visited many homes in our city and entertained their hosts and friends in the most superb style. And again, on Sunday morning the men assisted the choir at the First Presbyterian church. In the afternoon they sang at All Saints' Episcopal church and at night they joined the choir at Forest Hill Methodist church. Our people will regret very much to see them leave. They will go to Salisbury Wednesday.

Chattanooga's Fire.

Chattanooga had a destructive fire Saturday morning. It was started by an explosion in the boiler room of one of the buildings. Richardson block was totally destroyed. The loss is estimated at \$500,000. Much of the most deplorable loss is in books and records of railroads, insurance companies, etc.

When bilious or costive, eat a Cascaret, candy cathartic, cure guaranteed, 10c, 25c.
