Goose grease is in great demand in this end of the city. We presume this is to aid the running qualities with an eye single to the coming town election.

Messrs. Daniel Stiller and B N H Miller left this morning for Stanly and Montgomery counties. Mr. Miller goes to settle up some business concerning an estate and Mr. Stiller will likely call on some of the fair sex.

## It May Do as Much for You

Mr. Fred Miller, of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pains in his back and also that his bladder was affected. He tried many so called kidney cures but without any good result. About a year ago he began use of Electric Bitters and found relief at once. Electric Bitters is especially adapted to cure all kidney and liver troubles and often gives almost instant relief. One trial will prove our statement. Price 50c and \$1.00 at Fetzer's Drug Store.

## A Negro Desperado Shoots an Officer.

Ell Marshall, a desperate negro, wanted for theft, was apprehended by Constable Ed Nevis, near Pineville, last Saturday. When ordered to halt he quickly fired on the officer and sent a bullet into the breast of officer Nevis that passed just above the heart and lodged in the lung. The officer fell from his horse and Marshall ran.

The wound was at first thought to be fatal but Mr. Nevis seems to be improving.

Parties with blood hounds are chasing Marshall and he will almost certainly be caught. \$100 reward is offered by the people of Pineville for Marshall's arrest.

## A Whale On Our Beach.

The Wilmington Messenger tells us of a whale that was thrown on Wrightsville beach last Thursday. The monster was 35 feet long and 8 feet high.

The Roanoke News tells a thrilling story of a whale in the river only a few miles below the city (Weldon) on the same day. The creature was alone and attacked a little boat and knocked it into smithereens and capsized another that came to the aid of the crew. All were good swimmers and escaped.

The story of the fight with the whale in the Roanoke river would be calculated to make one's hair stand on end and the picture of the whale high and dry on Wrightsville beach would be curious if the whale were not something of a fish and April 1st a day to tell things that would be criminally false at all periods of the year.

## For the Benefit of the C. V's.

Charlotte is to have, on the nights of the 19th, 20th, and 21st, an exhibition of the projectoscopic views of the principal battles of the late war. This interesting entertainment is to be given for the benefit (and we suppose, the satisfaction, of course) of the Confederate Veteran camp of Mecklenburg.

Splendid idea! Why not Concord secure the same thing, Capt. Caldwell?

## Gone Into Effect.

Mecklenburg's new road commissioners have made formal demand upon the county Commissioners and have promptly received the chain gang and all things pertaining thereto. Now for the efficiency and the economy and the rock buying and the labor hiring from men of each and all parties.

## Notes From No. 7.

Mr. Willis, who has been making furniture for F H Isehour for some time, has returned to Concord.

Mr. A M Nussman and family spent Sunday near Heilig.

Messrs. Isehour and Nussman are having machinery moved to Salisbury preparatory to do business in that place.

Miss Lillie Nussman closed a five months term of school at Nussman last Friday.

For some time past one of our young gents has been wearing a dignified expression and putting on airs of solemnity. We have just learned the cause. He says "It is not good for man to be alone," and in consequence of this will, at Easter, take unto himself a better half for a helpmeet and companion.

## CATE.

## Wants no Tobacco Now.

Willie Willeford, who had contracted the habit of chewing tobacco, subjected himself to the hypnotic treatment of Prof. Parker last Saturday night.

Will says he does not want any more tobacco but gets tired being asked a whole lot of questions that he can't answer. He only knows that he does not want any tobacco.

Prof. Parker will be on hand at Oaton's Hall tonight.

## Killed Six and Wounded Four Geese.

A very ugly piece of news comes from the Poplar Tent neighborhood this morning. Robert Holbrooks, the young son of Robert Holbrooks, Sr., says that on Monday afternoon one Ed Johnston went to his father's pasture and drove all the geese, a dozen or more in number, on to his land, and began shooting them. The boy says his mother ran to the pasture and plead with Mr. Johnston to cease his killing her geese, but of no avail. He says that when Mrs. Holbrooks reached the pasture line, Johnston hollered to her not to cross the fence or he would shoot her. Johnston succeeded in killing six and wounding four geese. Holbrooks is very much perplexed at the affair and will probably endeavor to prosecute Johnston.
