OUTING CLUB ORGANIZED.

A Harmonious Meeting Well Attended—Officers Elected.

About sixty of the two hundred stockholders interested in the race track and ball ground, met at the fireman's hall last evening and perfected an organization, electing officers etc. Mr. Ed F White called the meeting to order and occupied the chair during the meeting. Mr. John L Miller stirred the object of the meeting in a brief talk, and told of how successful he had been in securing subscriptions for season tickets.

It was then determined that the officers of the association should consist of president, vice-president, secretary and treasurer and five directors. The president, vice-president and secretary were instructed to select the directors.

Messrs. C W Swink, S J Lowe, J A Kennett, Ed P Hill and Dr. W C Houston have been appointed as the board of directors.

The officers are to prepare a constitution and rules by which the company is to be governed, and are to be submitted at a meeting to be held Thursday night, after which time Mr. Miller will receipt for money.

The directors together with the president, vice-president and secretary shall have the power to contract and meet all obligations and will be vested with power to appoint such amusement committees as will be necessary to successfully carry out plans for any event that may come under the regulations of the club.

Indications point very favorably to an "Outing Club" that will be a credit to the city and one that will be in keeping with our progress.

All humors of the blood, from the small pimple to the dreadful scrofula sore are cured by Hood's Sarsaparilla, which thoroughly purifies, vitalizes and enriches the blood.

Hood's Pills cure nausea, sick headache, indigestion, biliousness. All druggists. 25c.

Commissioners Meet.

The board of town commissioners met last night, and had quite an interesting meeting. After the reading of the minutes of the previous meeting routine business in issuing orders etc, was transacted.

The electric light committee reported several new lights.

Tax Collector Boge's report was read and accepted.

Among the most interesting incidents of the meeting was the discussion of the payment of attorney fees. Messrs. Montgomery and Crowell are retained by the commissioners for advice at a salary of \$50 per annum. They were employed as prosecutors for the city, for which they made extra charges. They were employed as prosecutors for the city, for which they made extra charges. There was objection to the order being paid, but the majority voted for its payment. Messrs. R F Coble and R A Probst argued against the payment of extra charges to the attorney and argued that their names go on the list that way.

A Household Necessity.

Cascarets Candy Cathartic, the most wonderful medical discovery of the age, pleasant and refreshing to the taste, acts gently and positively on the bowels, liver and bowels; cleansing the entire system, dispelling colds, curing headache, fever, habitual constipation and biliousness. Please buy and try a box of C. C. C. to-day. 10, 25, 50 cents. Sold and guaranteed to cure by all druggists.

Prof. Eckford closed his dancing school Monday night and has gone to Greensboro, where he will teach a class. He is a master of his profession and did his work here with great satisfaction.

Cascarets stimulate liver, kidney, and bowels. Never sicken, weaken or gripe. 10c.

A Few Items from Coddle Creek.

Farmers are about done planting cotton seed, and are waiting for rain to bring them up. They are planting a large crop this year.

The condition of Dr. Jno. B Pressly remains very much the same as it has been for some time. He has been confined to his bed for a week past.

Mr. C A Archer is no better. He has been sick for several months past.

The regular communion was held at Coddle Creek church last Sabbath. The Pastor was ably assisted by Rev. Jno. T Chalmers, of the Associate Reformed Presbyterian church, of Charlotte. He is a very fine preacher and we hope his labor among us will be greatly blessed.

Since our last communion meeting we have received from Bethpage Presbyterian church by certificate the following persons: Capt. T A Fleming and wife, Mr. R W Fleming, Mr. O O Gillon and wife, Mr. R M Kimmons and family, Mr. J O Alexander and family, making sixteen in all, and two others by profession of faith.

By a unanimous vote of the congregation, Capt. Fleming was received as an Elder and Mr. C O Gillon and Mr. R W Fleming as Deacons. They formerly held these offices at Bethpage church.

Mr. B W Pressly is putting up a wind mill. This is a great improvement over the old way of windlasing the water up.

The patrons at the different offices on this mail route are circulating a petition asking the postoffice department for daily mail instead of three times a week as it has been heretofore.

SUBSCRIBER.

Just try a 10c. box of Cascarets the finest liver and bowel regulator ever made.

Dr. Geo. Lippard, son of P W Lippard, of this place, died of pneumonia at his home in Davie county Wednesday, April 21. Mr. Lippard received a telegram stating that his son was very ill. Mr. Lippard and wife started immediately to the bedside of their son, but did not arrive until after the Dr. was dead. He leaves a wife who was very sick at the time.

Mrs. Jennie Lippard who has been very ill with pneumonia, we are glad to learn, is rapidly improving.

Lew's Bonds has a freak in the way of a calf, that has two tails, the odd one located on its shoulder. This calf will have the advantage over other calves in fly time.

The thought of so many of his fellow creatures being beheaded and their bodies carved and devoured at St. John's this week was too much for Mr. G E Lentz's old barn rooster to overcome. He died of heart disease, superinduced by dreadful anticipation, last Sunday morning.
