James vs. the Western.

The case of James vs. the Western North Carolina Railroad has been warmly contested in the Rowan Superior court and is peculiar. The jury gave a verdict for \$15,000 damage to the estate for the killing of Will James in the collision on the Western road. Judge Starbuck decided as a point of law that the Western North Carolina Railroad is not responsible for the accident under the management of the Southern Railway. This partially non-suits the James's and they appeal to the Supreme court while the Railroad company appeal also on the ground that the verdict is exorbitant. So the appeal is mutual. The case now will have to await the fall session of the Supreme court.

Mt. Nebo, N. C., April 21, 1897— I have been a great sufferer with sick headaches, but since taking Hood's Sarsaparilla and Hood's Pills I am entirely cured, and I do not forget to recommend this medicine to my friends—Lucinda Fleming.

Hood's Pills cure all liver ills—25c.

A Prosperous Career.

The Salisbury World of Friday says: A meeting of the directors of the Patterson manufacturing company was held at China Grove Thursday. The company was reorganized yesterday, the new company purchasing from the old one 800 bales of cotton at 7 cents. After deducting \$600 for wear of machinery a dividend of 5 per cent was declared and 1 per cent applied to the sinking fund. All the old officers and directors were elected except B. O. Crane, who has sold his stock in the mill. Dr. Stebbens was elected in his stead. Mr. R. J. Holmes, of this city, attended the meeting. This mill is perhaps doing as well as any in the state and is a credit to the county. Under the pilotage of its present efficient manager W. J. Swink and superintendent T. J. Ross this mill bids fair to continue a thus far prosperous career.

It May Do as Much for You.

Mr. Fred Miller, of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pains in his back and also that his bladder was affected. He tried many so called kidney cures but without any good result. About a year ago he began use of Electric Bitters and found relief at once. Electric Bitters is especially adapted to cure all kidney and liver troubles and often gives almost instant relief. One trial will prove our statement. Price 50c and \$1.00 at Fetzner's Drug Store.

Cotton Factory Burned.

Passengers coming in on the South bound train today (Saturday) state that a disastrous fire occurred at High Point this morning just before day. It is said that a large cotton factory with complement of machinery, which has been standing idle for more than a year, was completely destroyed. We were unable to get full particulars, but were lead to believe that the mill was set afire.

Mr. El Fields was owner of the mill, over which there is much litigation.

Anniversary Celebration.

The 290th anniversary of the settlement of Jamestown, Va., was celebrated Thursday at that place. Allusions to Pocahontas and Capt. John Smith were strictly in order of course.

The Greeks and the Turks are still pounding away. The armistice is not yet effected. The latest favors the Greek arms.

Lee Alexander Killed.

A tragic accident occurred a mile southwest of Huntersville yesterday afternoon, by which Lee Alexander was almost instantly killed.

Lee and Junius Alexander, Frank Patterson and Earnest Alexander made up a hunting party and spent most of yesterday in the woods and fields.

The accident occurred near the old Andrew Alexander residence. Junius Alexander was carrying his gun under his arm, the breech in front and the barrels pointing directly behind. He was carrying a bird in his hand. In some way the gun was accidentally discharged.

Lee Alexander was walking a few steps behind Junius, and the entire load took effect in his left breast.

He walked forward a few steps and fell dead.

He did not live three minutes after the accident.

The body was taken to the Alexander homestead, placed in a casket and then conveyed to Mr. Abner Alexander's in Hopewell. The funeral took place from Hopewell church today.

The father of the victim was attending the commencement at Huntersville when the accident occurred.

Lee and Junius Alexander were cousins, and about the same age, 18 years.—Charlotte News of 14th.

The cure of Rheumatism has often taxed medical skill but its prevention has been very easy and by an occasional use of Simmons Liver Regulator. It keeps the liver well regulated, and the system free from poison. Therein is the secret of health. "I have used it for indigestion and constipation and also found it gives relief from a touch of rheumatism."—N. Hughes, Lordsburg, N. M.

Mrs. Stonewall Jackson.

Mrs. Stonewall Jackson passed through New Orleans Tuesday last on her way from Dallas, Tex., to her home in Charlotte, N. C. She was met at the depot by a large delegation of Confederate veterans. Capt. H. H. Ward, president of the Army of Northern Virginia, acted as spokesman and with a few well-chosen words welcomed Mrs. Jackson to the city. The lady acknowledged the pretty compliments and shook hands with the veterans. A carriage conveyed the party to the Louisville and Nashville depot and subsequently, under the escort of Colonel Lombard, to the Pickwick Hotel, where a lunch was had.—Daily Sun.

A Man Who is Tired.

All the time, owing to impoverished blood, should take Hood's Sarsaparilla to purify and enrich his blood and give him vitality and vigor.

This condition of weakness and energy is a natural consequence of the coming of warmer weather, which finds the system debilitated and the blood impure.

A good spring medicine is a necessity with almost every one. Hood's Sarsaparilla is what the millions take in the spring. Its great power to purify and enrich the blood and build up health is one of the facts of common experience.

The court house at Lexington, Ky. that cost \$120,000 took fire Friday, 14th, while the County Superintendent was examining fifty school children in the Court room. All escaped but the building was lost.

WARNING.

We wish to caution all users of Simmons Liver Regulator on a subject of the deepest interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator, but J. H. Zeilin & Co., and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible, if other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.

We ask you to look for yourselves, and see that Simmons Liver Regulator, which you can readily distinguish by the Red Z in wrapper, and by our name, is the only medicine called Simmons Liver Regulator.
