

Daily Concord Standard.

Vol. XII.—No. 13

CONCORD, N. C., TUESDAY MAY 25, 1897.

WHOLE NO. 1,728

THE FOURTH SESSION.

of the North Carolina Teachers' Assembly will be held in Morehead City June 15th to 20th.

This enterprise that had received a stunning blow through some mismanagement seems to be again on the road to that high stage of usefulness for which it was originally designed. It received new impetus from the present efficient secretary, Mr. Charles J. Parker, who is a tireless worker in the educational field.

Morehead City is a favorite seaside resort and the accommodations are ample. Special rates will be secured and an unusually fine assembly of the leading educators will be present. The programme will be most complete and it embraces the very topics that a progressive teacher would like to hear discussed. We herewith append it for the benefit of those who will attend and we suggest that they keep a copy and carry it with them:

Technical Grammar.
Mental Arithmetic the foundation of Mathematics.

The Educational Value of Geography.

The German Schools.

What Should the Schools do about Cigarette smoking.

Helen Keller and the Education of the blind.

Special Work of the Academy in our Educational System.

Care of the Eyes.

Sanitation.

X-Rays, Experimental Approach to their Discovery. (Full set of Apparatus.)

The Past and Present of our Seashore. (Illustrated with Stereopticon.)

The New School Laws:

(1) The County Supervisor.

(2) The Township system.

(3) The Local Taxation Feature.

The Mutual Relations and Duties of the State and the School.

The Child and the State.

The Personal Equation of Education.

The Aesthetic Education.

Relation of the Parent to the School.

Christian Education.

Economy of time in Teaching and Consequent Enrichment of the School.

Course.

Friction in School-Management Reduced to a Minimum.

Co-Education.

Night Schools for Working People.

An Educated Electorate.

The Educational Mission of Journalism.

The Object of the Teachers' Assembly and the Place it Should Occupy in our Educational System.

Industrial Education.

Public Schools and their Needs.

Benefit to be Derived from Proper Visitation in the Public Schools.

What Means can be used to Induce the Public School Teacher to Broaden his Culture?

The Necessity of a Uniform System of Examinations for Teachers.

The Frequency, Purpose and Mode of Conducting Teachers' Meetings.

A course of Pedagogical Study for the Professional Improvement of Public School Teachers.

How the Work of the Superintendent can be Made Most Effective.

What the City Public School can

and should do for the Child.

What the City Public Schools can do to Promote Patriotism and good Citizenship.

How Best to Keep the Mass of the People in Harmony with the Growth of Educational Ideas.

Are our Colleges Just in their Treatment of our Preparatory Schools?

The High School Course as a Preparation for life.

The True Mission of the Academy in North Carolina today.

The Interdependence of the Public School, the Academy and the College.

The High School Student as a Public Teacher.

There is nothing that causes women greater discomfort and misery than the constantly recurring headache. Men suffer less with headache. "My wife's health was very indifferent, having headache continually and just two packages of Simmons Liver Regulator relieved her from all headache and gave tone and vigor to her whole system. I have never regretted its use."—M. B. Uebord, Mt. Vernon, Ky.

Mr. Correll's Employer Dead.

Mr. Edward Fasnack, a prominent jeweler, of Raleigh, died suddenly at 12 o'clock. He was a Swede and came to this country twenty-seven years ago. Mr. A. B. Correll, of this city, was in the employ of Mr. Fasnack, and may continue with the establishment.

Marvelous Results.

From a letter written by Rev. J. Gunderman, of Diamondale, Mich., we are permitted to make this extract: I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist church at Rives Junction she was brought down with pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results. Trial bottles free at Fetzer's Drug Store. Regular size 50c and \$1.00.

At the Gospel Tent.

The meeting last night was fairly well attended and the earnestness and enthusiasm was inspiring. The singing is especially well calculated to make one like to be there, and regardless of the difference of customs and modes of presenting the glad tidings of redemption to fallen man, every Christian heart longs for the breaking of the bonds of vice and alienation of those possessed of evil influences and a coming to that only knowledge that is life eternal.

It is to be hoped that our sister congregation, so radically different from all the others in the one tenet on baptism may be built up in numbers and strengthened in faith and the knowledge of Him whose we all are and whose benign presence we all hope to enjoy when these divisions shall be no more. The meetings are continuous every night.

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed, when the languid exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alternative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, indigestion, constipation, dizziness yields to Electric Bitters. 50c and \$1.00 per bottle at Fetzer's Drug Store.

PERSONAL POINTERS.

—Esquire W. J. Hill is spending the day in Charlotte.

—Mr. M. J. Freeman went up to Salisbury this morning.

—Miss Mary DeVane, of Wilmington, is visiting Miss Fannie Hill.

—R. P. Benson has returned from a week's visit to his brother, Mr. J. C. Benson, at Wilmington.

—Salisbury World: H. T. Cranford, formerly of this city, but now a resident of Concord, was in the city yesterday. He returned to Concord this morning.

—Mr. Charles Propst has gone to China Grove to-day. He is preparing to begin work on the houses Capt. Propst is to build for the Paterson Manufacturing Company.

Rev. J. E. Peterson Dead.

The Lincoln Journal chronicles the death of Rev. Jesse R. Peterson.

He passed away at his home in Gaston county on Saturday, the 15th, and was buried at Stanley Creek church on the 16th.

Rev. Peterson had been in the ministerial work for 65 years in that venerable branch of the church known as the Tennessee Synod.

His was a life of noble Christian service, unadorned by touch of aught but meekness and simplicity and his death marks the fall of a true Christian hero.

Charlotte had just one too many interesting episodes in her gala week. It is the sad story of one Rev. B. D. Smith, of Catawba, who arrived in the city, took a room at the hotel, then proceeded to the bar room, was soon drunk and became the victim of robbery to the extent of \$121. A notorious expeditious black bird by the name of French, will probably be convicted of the robbery, if the renowned tangle-leg makes his appearance against him at the court.

WARNING.

We wish to caution all users of Simmons Liver Regulator on a subject of the deepest interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator, but J. H. Zeilin & Co., and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible if other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.

We ask you to look for yourselves, and see that Simmons Liver Regulator, which you can readily distinguish by the Red Z in wrapper, and by our name, is the only medicine called Simmons Liver Regulator.

J. H. ZEILIN & CO.
