CONCORD, N. C., MONDAY JUNE 21, 1897

WHOLE NO. 1,749

GONE TO NASHVILLE.

Ten Regulars and a few Volunteers Go to the Great Reunion.

The number of Confederate veterans who left for the reunion at Nashville this (Monday) morning was not as large as was expected, due to busy harvesting season and the high railroad rates.

Cabarrus Camp, No. 212 in charge of Commander D A Caldwell, will land in Nashville tomorrow morning at 6 o'clock. They went over the Southern route, via Ashville, Paint Rock and Chattanooga.

Among the old veterans in line were: Commander C A Caldwell, W M Weddington, W A Blume, M C Walter, Thomas S Shinn, Alfred Klutz, William Beayer, N E Harris, R G Mabery and Caleb Cline.

Mr and Mrs. John P Allison and Misses Mary Dale and Bessie Craige accompanied the veterans. Mr. and Mrs. Allison will spend some time with Mr. and Mrs. Craige at Columbia, Tenn., before they return.

Messrs John C Wadsworth and Shakespeare Harris joined the Mecklenburg veterans at Charlotte and journeyed over the Sea Board Air Line.

The veterans will probably return Saturday.

A Scholarship Divided.

At the beginning of the last term of the graded school Prof. Holland Thompson offered the pupil making the highest marks during the term, a free scholarship to his, the Concord High school. At the close of the school the marks won by Miss Carrie Pounds and Master Fletcher Fink were a tie and it has been decided that the scholarship is to be divided between the two.

Can't Get Together.

The fourth meeting of the board of school commissioners was held this morning for the purpose of electing a superintendent for the school of the city, but it seems that the board can't pull themselves together and unite on one man.

The name of Prof. Curtis, of Shelby, has been dropped by request. The candidates now are: James F Shinn, of this city; J A Bivins, of Albemarle; W C Allen, of Wilson.

Only two ballots were taken, the first resulting in a vote of 2 and 2 for Shinn and Bivins. On the second ballot Shinn received two votes and Allen two.

The board could not agree, and adjourned to meet again.

Tobacco Is Injurious.

The Fayetteville Military Annual, discussing the effects of tobacco gives the following statistics that seem rather forcible:

"Six years ago the official physician of Yale College found that in a class of 147 students, 77 who did not use tobacco surpassed the 70 who did use it to the extent of 10.4 per cent. in increase of weight, 24 per cent in increase of height, and 26.7 per cent. in increase of chest girth, with an average gain of 77.5 per cent. in lung capacity. In four years at Amherst College, tobacco abstainers made over tobacco users an average gain of 24 per cent. in weight, 37 per cent. in height, 42 per cent. in chest girth, and 75 per cent. in lung capacity." These striking facts are full of meaning.

The Storm Saturday and Sunday.

During the past week this section has been visited by severe thunder storms. Saturday afternoon the atmosphere was full of electricity, and the flashes that played over the wires in the city were pretty. Lightning struck the top rear corner of the National bank building, but did no damage. On the plantation of Robt. Russell, just beyond the depot, a shock of wheat was struck by lightning and was entirely consumed.

Sunday afternoon trees were blown down and the electric light wires in various parts of the city were burnt and broken in two. The rain accompanying the storm was heavy and washed the land considerably. No damage has been reported.

The Double Track Not Needed.

It now appears that the Southern has solved the problem of freight jams between Salisbury and Greensboro by means of completing the line from Mocksville to Mooresville, whereby it can send the through freight by either route and avoid the necessity of the double track from Salisbury to Greensboro spoken of sometime ago.

Mr. J W Haden Dead.

Mr. J W Haden, of Davidson county, but much identified with Salisbury died Saturday. Mr. Haden had been married three times. His third marriage was to the widow of the late M L Holmes.

The Salisbury Sun says Mr. Haden was in his 67th year.

Meetings Continue.

The protracted meeting at Bays' Chapel, Cannonville, will continue for several nights, and probably throughout the week. There is no lack of interest in the revivals. Rev. McGee extends a cordial invitation to the public to attend.

Formed a Co-Partnership.

Mr. R H Beasley, of Goldsboro, has arrived in the city and has formed a co-partnership with Mr. James W Hamilton and the two will conduct a first class photograph business. Mr. Beasley comes highly recommended as a fine artist and finisher.

The deaths by lightning in the storms the latter part of last week, as far as we have noticed, were, one negro woman in Salisbury, two at Bessemer, one white girl at Haw River and a white man at Bogart, Ga.

Election Tomorrow.

Bonds or no bonds? Will you vote? The polls will open tomorrow morning at the usual hour at the various voting precincts. Do not fail to vote if you want improved streets and other improvements.

Old People.

Old people who require medicine to regulate their bowels and kidneys will find the true remedy in Electric Bitters. This medicine does not stimulate and contains no whiskey nor other intoxicant, but acts as a tonic and alterative. It acts mildly on the stomach and bowels, aiding strength and giving to the organs, thereby aiding nature in the performance of the function. Electric Bitters is an excellent appetizer and aids digestion. Old people find it just exactly what they need. Price 50c and \$1.00. per bottle at Fetzler's Drug Store.
