## Notes from the Organ.

Mr. W P Barnhardt has secured a site and will build a dwelling soon.

Mr. Jas. Long, of Taylorsville, who has been working in Southern City for some time, spent last Sunday night with his cousin, H A Cruse.

Mrs. Lovina Beaver is suffering with erysipelas in her face.

Mr. N M Barnhardt, superintendent of the County Home of Cabarrus, was visiting his son-in-law, Orlin Cruse, Esq., last Saturday. Mr. Barnhardt is a clever, genial gentleman and we are always glad to have him with us.

Mr. D M Boger, our popular merchant, is all smiles, not on account of any great success in business, neither is it because butter is selling at ten cents, but because he has a new clerk—there is a little girl at his house.

Communion meeting at Organ church the second Sunday in July, preparatory services on Saturday before at 2 p. m.

Mr. James Yates has rented the Allison Bost farm for next year. James M Hipp goes on the Harris Bost farm, near Lower Stone church.

The anniversary at Organ church last Sunday was a success in the full sense of the word. The sermon in the morning, the addresses, recitations and the music were all very good. The secretary read the following report, showing that though they are few they are in earnest: The W. H. and F. M. Society of Organ church, Rowan county, N. C., was organized by Rev. W R Brown, July 7, 1888, and has been actively engaged in the work from that day to this. The fifteen original members who met to organize the Society were, Susan Bean, Ellen Bost, Mary Bost, Mary E Brown, Laura Holshouser, Camilla Klutz, Maggie Barger, Katie Beaver, Bettie Bost, Elizabeth Fesperman, Jennie Fesperman, Ellen Holshouser, Mary Holshouser, Ella Klutz and Joann Smith.

Since that time the following named ladies have been received as active members and have served for a longer or shorter period of time, viz:

Dovie Holshouser, Eva Ann Holshouser, Jennie Beayer, Creasie Bost, Laura A Miller, Maria Cruse, Agnes Heilig, Sallie Faggart, Mary M Miller, Mary A Miller, Margarette Miller, Ellen Miller, Rebecca Bost, Lizzie Klutz, Ellen Cox, Mattie Holshouser, Carrie Miller, Mary Lee Miller, Clara Klutz, Daisy Klutz, Ellen Smith, Eudora Bost, Abbie Cox, Ellen Beaver, Bessie Denny, Effie Klutz, Mattie Earnhardt and Lou Cruse.

Of these 44, one has died, Mrs. Dovie Holshouser, 9 have married, 2 have ceased to be active members; leaving 32 now on the roll. The smallest number of active members that we have ever had was the first year of our existence when there were but 19. The highest number was reached in 1895, when we had 27 enrolled. Our average membership during the nine years has been 23½ per year.

Six of those now on the roll were of the original 15 and from the beginning have been in active work in the society. These are Ellen Bost, Laura Holshouser, Camilla Klutz, Katie Cruse, Jennie Fesperman and Mary Holshouser.

We elect officers annually. The

following have served in the different offices, viz:

As President, Mrs. Mary E Brown, 5 years, Abbie Cox 2 years and Ellen Holshouser and Mrs. Ellen Cox one year each.

As Vice-President, Ellen Holshouser 4 years, Ellen Bost and Katie Beaver each 2 years, Mary E Brown and Abbie Cox 1 year each.

As Recording Secretary, Katie Beaver 2 years, Mattie Holshouser, Joann Smith, Lizzie Klutz, Ella Klutz, Carrie Miller, Ellen Holshouser and Eudora Bost each 1 year.

As Corresponding Secretary, Katie Beaver and Mary Holshouser 2 years each, Ella Klutz, Ellen Holshouser, Joann Smith, Daisy Klutz and Mary Lee Miller 1 year each.

As Treasurer, Camilla Klutz and Jennie Fesperman 2 years each, Ella Klutz, Katie Beaver, Joann Smith, Elizabeth Fesperman and Ellen Miller 1 year each.

During the nine years of our existence the following have been elected as honorary members, viz:

Messrs M A Holshouser, John Holshouser, Calvin L Miller, John Brady, William Beaver, John L Miller, L W S Bost, H A Holshouser, C Brown Cox, Ebert W Cox, Willie Josey and Adolphus Holshouser, Revs. W R Brown and Geo. H Cox, Mrs. Sophia Holshouser and Mrs. Dovie Holshouser. One of these 16 have died and 5 have resigned.

Our list of Life Members is as follows: Revs. S Rothrock, D. D., W R Brown, J A B Sherer, F R Propst, Geo. H Cox and Mrs. Ellen Cox. These are still with us except our sainted Rothrock. We have held 85 regular meetings with an average attendance of 12. Nine public meetings and one children's day exercise; in all 96 meetings or an average of 10½ meetings per year. At these different meetings much business of importance has been transacted and much good accomplished.

For our instruction and entertainment and for the carrying on of the work that God has placed in our hands, we have used the Scripture response at roll call, sentence prayers, Bible lessons, watchwords. The week of prayer and self-denial, recitations and select reading, conducted a Nickle Band, made and sold a quilt, and this year members have a cotton patch for the Lord.

Our society has been represented at every meeting of the Annual and Conferential Conventions; many times our members holding important offices and participating in the rendering of the prepared programs, thus keeping us in touch and sympathy with all the work of our Women's Societies in our own loved Synod as well as in that of the United Synod.

Such, then, is a brief summary of our society work, which we feel sure has not been in vain. We, ourselves, have been benefitted, and we are sure that the influence of our work has been and is being felt upon others. But oh! if all you women would only join us, and help us in this blessed work how much more we might accomplish, how much happier we might be, and how much richer blessings from the Source of all good might be ours!

The treasurer's report showed that they averaged \$1.25 per member per annum. U No Hoo.

**WARNING.**  
We wish to caution all users of Simmons Liver Regulator on a subject of the deepest interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator, but J. H. Zeilin & Co., and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible, if other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.  
We ask you to look for yourselves, and see that Simmons Liver Regulator, which you can readily distinguish by the Red Z in wrapper, and by our name, is the only medicine called Simmons Liver Regulator.

**One of the Tallest.**  
One of the tallest men seen in Salisbury for many days was at the depot last night. His name was William Austin, he was from Albemarle, and stood exactly 6 feet 9½ inches in his stocking feet. He was just 21 years old last April and weighs 232 pounds. He has been in Salisbury for several days and thinks of locating here.—Salisbury World.

**Electric Bitters.**  
Electric Bitters is a medicine suited for any season, but perhaps more generally needed, when the languid exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, indigestion, constipation, dizziness yields to Electric Bitters. 50c and \$1.00 per bottle at Fetzer's Drug Store.

In the State printing matter the Council of State, in whose hands it was placed, selects a partisan favorite for the job and decides to let the book work to the lowest bidder. Why this discrimination? Is it to skim off the cream for a pie-counter friend and attempt to fool the people with the lowest bidder scheme upon what remains? This appears to be the size of it. Watch the cost of the printing for the next two years.—Winston Sentinel.
