A tree in rear of Mt. Gilead church was struck by lightning last Friday and set on fire. It is yet burning.

C. M. Sappenfield brought in several watermelons from his plantation today. He is a hustling farmer, and we extend our thanks for a treat.

Forests are being cleared and the wood haulers are preparing for the winter supply. People of the city should begin to lay in their supplies now.

Mrs. William Winecoff, who has been critically ill for a long time, is reported as being considerably worse, and that there is little hope of her recovery.

John Harrington, one of THE STANDARD'S parishioners and a good old colored man living on Dr. Lilly's plantation west of the city, brought us a cotton boll last Saturday. It is the first one we have seen.

Mrs. J. H. Mason was terribly frightened last evening, when a candle-fly entered her ear. It caused her considerable pain, but a great deal more excitement. Dr. Young was called in and soon relieved her of the unwelcome visitor. Mrs. Mason is one who doubtless knows the seriousness of a "bug in the ear."

If you want a good melon call at A. L. Sappenfields.

The forecast says: Showers tonight; fair and cooler tomorrow.

A picnic is being arranged for Thursday night at the home of Miss Flora McEchern, in No. 9 township.

Many a poor sufferer who submits to the surgeon's knife, in consequence of malignant sores and scrofulous swellings, might be cured without an operation by taking Ayer's Sarsaparilla. This remedy expels from the blood all the impurities by which disease is generated.

A runaway, creating considerable excitement, occurred on West Depot street this morning. It was the horse to Cook's baggage wagon. The animal became frightened at a wheelbarrow and ran, but was stopped before any damage was done except a severe cut on the horse's hind leg. Richard Cook was in the wagon, but held fast to the reins.
