THE MOONLIGHT RIDE.

The Bike Party Last Night By Miss Richmond Was a Delightful Affair.

Miss Jenie Richmond gave a pleasant bike party to a few friends last evening and despite the mud and damp atmosphere, the moonlight ride on the splendid track at the old fair grounds was a most delightful occasion. After an hour's ride, the party returned to the home of the hostess on North Main street, where Miss Richmond freshened her guests by serving ices and cake. The party went in couples as follows:

Miss Nannie Cannon, Rev Rankin; Miss Jenie Richmond, W M Stuart; Miss Lalla Hill, O L Smith; Miss Sallie Erwin, Dr. Marsh, Miss Mary Montgomery, Chal White; Miss Lois McDowell, Ed F White; Miss Fannie Young, Milton Hartsell.

The Fourth Gone.

Died in township No. 4, on July 10th, Mauda Wertz, infant daughter of Mr. and Mrs. J Ervin Early, aged 3 months and 5 days. It was buried at Center Grove on the 11th, after an appropriate sermon by the pastor, Rev. J Q Wertz. The stricken parents have four little graves side by side in the church yard, four claims to draw them nearer heaven. May God bless them. S. W. W.

Township Sunday School Convention

The Sunday School Convention of No. 10 township will meet at Mill Grove church on the first Saturday in August next. All churches embraced in the convention are requested to furnish chairs.

JOHN H. LONG, V. Pres.

Cuddle Items.

Mr. B W Pressly gave us a call and reported that the Nesbit and Pressly flour mill is now running and is in every way a success.

The Cuddle neighborhood has not had the best of seasons lately and are in need of rain.

The health of the community is very good.

Wheat that has been threshed is turning out satisfactorily and the quality is good.

Bethel Campmeeting.

At a congregational meeting of Bethel church, in No. 10 township last Sunday, it was decided that a campmeeting would be held at the Bethel harbor, beginning on Friday before the 5th Sunday in August.

Mr. Jake Newell, of Flow's, was in the city and says the chickens are beginning already to hold indignation meetings, and that corn will not tassel and fill out on account of the approaching camp.

It May Be Unconstitutional.

Superintendent Mebane has telegraphed Gov. Russell to hasten to Raleigh to hold a meeting of the Council of State to obtain a construction from the Supreme court of the new school tax election law. Such men as A C Avery and J O L Harris believe it to be unconstitutional. This should be settled in time not to detract from the cause.

Will Go to Monroe.

Concord's crackerjack battery, Messrs. Will Weddington and Richmond Reed, will go to Monroe tomorrow, where they will assist Monroe in two games, Thursday against Wadesboro and Friday against Matthews.

Weddington has made an excellent reputation for himself in the box, and Reed is equal to the best behind the bat.

The Bitten Boy.

Mr. W M Barrier was in the city today with his son, Paul, who was bitten Sunday evening at his home, in No. 8 township, by a dog believed to have rabies. Dr. P A Barrier accompanied them here for consultation with physicians, to arrive at a conclusion whether or not to take the patient to the Pasteur Hospital, in Baltimore, for treatment. There is no known remedy in medical science for hydrophobia, unless it is in the Pasteur treatment.

There is no certainty that the dog had rabies but the symptoms were very suspicious. It is hard to rest with such fearful chances and the father has about concluded to take the boy to the hospital. Paul is about eleven years old and seems cheerful and not much alarmed. His brother was thought at first to be bitten but says he received his slight wound from their own dog amid the confusion attending the savage attack.

Allen Hurlocker, who was bitten at the same time, refuses to have any thing done for himself than the cauterizing that Dr. Barrier gave the wound.

While on this subject we will answer the inquiry—why not apply the mad-stone?—by saying that there is probably nothing but delusion in the mad-stone and people would do well not to depend upon it.

"Merry Go Rounds" Bicycle Club.

In response to the call printed in THE STANDARD Friday last, twenty-five ladies of the city met at the home of Mrs. S J Lowe at 10 o'clock this morning and organized a permanent bicycle club, to be styled "Merry Go Rounds." The meeting was called to order by Mrs. S J Lowe, following which the election of officers took place, resulting as follows:

President—Mrs S J Lowe.
Vice-President—Miss Sallie Belle Erwin.

Secretary—Mrs. J F Yorke.
Treasurer—Miss Laura Leslie.

Committee on arrangement—Mrs. Gowan Dusenbury, Mrs. D L Bost and Mrs. N F Yorke.

Committee on invitations—Miss Nannie Cannon, Miss Lalla Hill, Miss Elizabeth Gibson.

It was decided that the "Merry Go Rounds" would give their first outing Thursday night next, to meet with Miss Nannie Cannon at 6.30 o'clock.

Refreshments will be served at the bicycle park.

The gentlemen are not eligible to membership, but will be quite in evidence at the "Merry Go Rounds" Bicycle Club entertainments.

Home From Florida.

Mr. Willis Dorton, of Flow's, in No. 10 township, arrived in the city this (Tuesday) morning on his way to his native home from Florida where he has been engaged in truck farming for three years past.

He lives at Augallie, Fla., and is pleased with the happy results of his efforts in farming in that tropical climate. He has just finished gathering the melon crop and is now enjoying the vacation season, all farm work being temporarily suspended.

Mr. Dorton will spend several weeks in the county with relatives.

PERFECT and permanent are the cures by Hood's Sarsaparilla, because it makes pure, rich, healthy, life and health-giving BLOOD.

PERSONAL POINTERS.

WARNING.

We wish to caution all users of Simmons Liver Regulator on a subject of the deepest interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator, but J. H. Zeilin & Co., and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible, if other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.

We ask you to look for yourselves, and see that Simmons Liver Regulator, which you can readily distinguish by the Red Z in wrapper, and by our name, is the only medicine called Simmons Liver Regulator.

BELL, HARRIS & CO.

Our undertaking department is complete, and will be under the care of Mr. Bell. All calls are promptly met, day or night.

A petition signed by a number of colored persons, was presented to the board of education last Monday asking that Rich Hammond, colored, be appointed a school committeeman for this township. The board refused the petition on the ground that under the new school law Hammond, in the event of his appointment, would have jurisdiction over white schools. The respectable white people of Anson county will applaud the action of the board in this matter. They feel that in paying taxes to keep up the colored schools they are doing all they can, in reason, be expected of them.—Messenger and Intelligencer.

It used to be "king cotton," but it is "king grass" now. The hay crop is worth \$477,000,000, the corn crop \$471,000,000, the cotton crop \$283,000,000, the wheat crop \$163,000,000 while all the others are below \$100,000,000. — Greensboro Record.
