## SCALDED TO DEATH.

**A Stove Turned Over and Boiling Water Falls Upon a 17 Months Old Child.**

A very distressing accident occurred at the home of Mr. James F. Russell in No. 1 township, Tuesday about 1 o'clock, when Mrs. Ruessell and her 17-months old daughter, Minnie, were the victims.

Mrs. Russell was engaged in preparing the usual dinner and was busy over the hot stove. Her little child was in the kitchen with her when the stove turned over, throwing the boiling water from a pot and a kettle on to the helpless form of the little babe, which was scalded so badly that its sufferings were only relieved by death, to which it succumbed Wednesday night. Mrs. Russell was also burned, but not seriously.

The stove was a very large one and had stood in one position for fourteen years.

The remains of the little unfortunate child were interred at Rocky River church this (Thursday) afternoon, the service being conducted by the Rev. Cornelius Miller.

## Two Bright Pupils.

At the beginning of the last school year Mr. Thompson, of the High School, offered to the pupil of the ninth grade of the Graded School, standing highest for the year, a scholarship at the Concord High School. At the end of the year Principal Shinn and Miss Leslie were unable to decide between Miss Conie Pounds and Master Fletcher Fink. With the permission of Mr. Thompson they have agreed to divide the honor between the two.

THE STANDARD asks these two worthy competitors to accept its hearty congratulations not only for the material help they have won by meritorious study but for the honor carried with it. The scheme, too, it seems to us, is well conceived and wins the compliments of those anxious to promote education.

## Forest Hill News.

Mr. Edwin White, of Graham, is visiting Mr. and Mrs. J. M. Odell.

The machinery for the new annex to the bleechery has about all arrived and is being placed. They have also installed a dynamo of the brush pattern. Heretofore the city electric plant has furnished them lights.

Miss Annie Stone has gone to Mooresville to attend the picnic.

Mr. Washington Mills has gone to Mooresville for a few days.

Rev. Paul Barringer, of Mt. Pleasant, spent last night with the family of Mr. William Long, at this place.

Mr. Herbert Cook, who has been sick for several days, and who was thought to be improving, is not doing so well, we are sorry to note.

The best regulator to regulate a people is Simmons Liver Regulator. It regulates the liver and the liver regulates the person. If the liver is regular then health is good, but if sluggish or diseased then there is constant biliousness, indigestion, headache and all the disorders of the stomach that one hears of. Try Simmons Liver Regulator and prove this.

## Court Proceedings.

The bond for the appearance of M. M. Furr was fixed at \$200.

## Lawn Party Tonight.

The hose and reel company are sorely in need of funds to defray expenses in sending delegates to the Annual Convention of the State Fireman's Association, which will meet at Fayetteville next week, and in order to raise said funds a lawn party will be held on the graded school lawn this evening from 6:30 to 11 o'clock. It is the duty of every citizen to assist the firemen and it is hoped that their party will be liberally patronized.

Everybody is invited to be there.

We wish to caution all users of the Liver Regulator on a subject of the deep interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator, but J. H. Zeilin & Co., and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible for other medicines represented as the same do not help you as you are led to expect they will. Bear this fact well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.

We ask you to look for yourselves, and see that Simmons Liver Regulator, which you can readily distinguish by the Red Z in wrapper, and by our name, is the only medicine called Simmons Liver Regulator.
