CONCORD, N. C., MONDAY AUGUST 2, 1897

WHOLE NO. 1792

## NO ELECTION.

**School Commissioners Again Fail to Elect a Superintendent.**

The board of school commissioners met in the graded school building at 8:30 o'clock this morning, but again failed to elect a superintendent.

The first ballot resulted as usual—in a tie—Prof. Shinn receiving two votes, and Prof. Lewis, of Kinston, N. C., two. At this point the name of Prof. Shinn was withdrawn, a letter from him being read in which he stated he could not accept the position if elected.

The name of Prof. Nathan E. Aull, of Newberry, S. C., was presented as a candidate for superintendent, and the second ballot was taken, resulting in a tie vote—Lewis 2, Aull 2. No further balloting was done, and here the matter rests.

Rev. J. J. Payseur was appointed a committee of one to look after the repairing of the school building.

## Court Proceedings.

The following cases have been disposed of in the Superior court this morning:

State vs. Bob Bost and Troy Holdbrooks, assault with deadly weapon, guilty; two months on chain gang.

State vs. Jim Coggins, trespass, guilty; sentence to chain gang one month.

State vs. Will Seals, larceny; not guilty.

State vs. Eli Kennedy, failing to list poll and property, judgment suspended on payment of one half the cost.

State vs. Mattie Stafford, judgment suspended upon the payment of the cost.

State vs. Will Meacham and Jesse Meacham, failing to pay fines and costs, sentenced changed to two months on public roads.

State vs. Chas. Cooper, failing to pay fine and cost; changed to two months on public roads.

State vs. Dock Lindsay failing to pay fine and costs, sentence changed to two months on public roads.

State vs. George Cruse, failing to pay fine and costs, sentence changed to two months on the chain-gang.

## Struck by a Train.

Mr. John Parr, a young man, of Clifton, S. C., was struck by the train on the Air Line near Charlotte Saturday night and fatally injured.

Mr. Parr and brother-in-law, Mr. L. D. Doby, operators in the Clifton Mill, took the Charlotte bound train Saturday afternoon, intending to go there and spend Sunday with relatives of Mr. Doby. They got off the train at Belmont to get some fruit and the train pulled out without them.

The two men had reached the outskirts of the city when Mr. Doby saw a train approaching. He called to his companion, but before he could get out of the way the train was upon him.

The young man's skull was crushed and his brains exposed. He was carried to the hospital in Charlotte, where he lingered a short while.

Mr. Parr was 21 years of age and had lived in Clifton the greater portion of his life.

## Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had consumption and that there was no hope for her recovery, but two bottles of Dr. King's New Discovery saved her life. Mr. Thomas Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching consumption, tried without result everything else then bought a bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in coughs and colds. Free trial bottles at Fetzner's Drug store. Regular size 50c. and \$1.00.

## GRAND JURY REPORT.

**They Find the County Institutions in Good Conditions.**

The grand jury made the following report to the court Saturday evening:

To the Honorable Judge R. L. Coble of the Superior court, 5th Judicial district:

We, the grand jurors for the July term, 1897, of Superior court of Cabarrus county, respectfully report:

1st. We have acted on all papers that have been presented to us, and returned the same.

2nd. The committee appointed to visit the county home report, that there are now thirty inmates who are all well cared and provided for and the county farm is in fine condition, but for the use and convenience of the inmates would suggest that the county commissioners build another out-house.

3rd. We, as a body, visited the county jail and found it clean and no odors arising therefrom; the prisoners report that they are treated well and their food well cooked and prepared. We call the attention of the commissioners to the necessity of fixing two of the sewer pipes in the front room that leak through floor and damage the building and the health of the jailer. There are two windows in the jail—one on the north, the other on the south side of said building, that need to be fixed.

All of which we respectfully report.

W. A. BOST,

Foreman Grand Jury.

## Forest Hill News.

Mrs. H. C. Ralmer gave her Sunday School class a yard party Saturday evening. Ice cream, cakes and melons were served and a delightful time was enjoyed by the little folks.

Mr. and Mrs. J. B. Simpson and Mrs. W. D. Sherwood and children, of Leaksville, N. C., are visiting Rev. J. Simpson's family on Simpson street.

Mr. T. H. Cook is confined with sickness at his home on Church street.

The Forest Hill Juvenile missionary society will give their annual lawn party on next Wednesday night on the lawn in Mr. P. G. Cook's yard on North Church street. Cream, melons, cakes, fruits etc., will be served. All those who take part in the preparation of the good things will be dressed in handsome costumes, which may look a little tacky. Everybody is invited to attend.

Some smart Alecks in this part of the city took advantage of the courtesies allowed them by the town authorities Saturday night, firing pistols and tearing down electric light wires and creating a general disturbance. The parties who participated are not strangers.

## Short on Convicts.

Superintendent H. H. Blackwelder, of the county chain gang, states that owing to the leniency of Judge Coble at this term of court, there will soon be a shortage in convicts. He calculates that by December there will not be more than twelve convicts on the gang. As the works on which the convicts are engaged require forty men, it is likely, Mr. Blackwelder says, that this county will reinforce the gang from other counties.

The plat of land belonging to the James E. Long estate, which was bid in at a previous sale by M. J. Corl, and which brought \$181.25, was resold today by Dr. L. M. Archey, administrator, for \$251, Mr. P. M. Morris being the purchaser.

## LEAVE TO-MORROW.

**The Delegates to the State Firemen's Association.**

Messrs J. L. Brown and Eli Goldston, delegates from the Concord Hose and Reel Company, will leave for Fayetteville at 6 o'clock tomorrow morning, to attend the meeting of the State Firemen's Association. It is to be regretted that the entire company could not attend the meeting, but the interests of our company will be well looked after by her two thoroughly capable delegates.

A big time is anticipated by the fire laddies, as this will be their largest meeting ever held.

A large and interesting program has been arranged, with cash prizes ranging from \$20 to \$75. There will also be a number of inter-State contests, in which teams from other States will take part.

## Mr. A. F. Graeber Dead.

Mr. A. F. Graeber, father of our citizen, Mr. H. A. Graeber, died at his home in Burlington on last Saturday.

The deceased was a master workman in his day.

His late years have been attended with much ill health and he spent them in earnest preparation for the change that he knew was approaching and which he met with Christian resignation. He was buried on Sunday, August 1st. He was 70 years of age.

Our sympathies are tendered the bereaved family.

Mrs. Graeber is a paralytic and is liable to follow the husband at any moment.

The very best material will be used throughout in these buildings. Contractor Brown has already begun the manufacture of the brick, and his machines are being worked to their full capacity.
