FEMALE TWIRLERS.

A Number of Modest Little Girls Play Ball—Other Games.

One of the smoothest games that has ever been played on the park diamond, was pulled off at Forest Hill Thursday afternoon between the two female nines of that part of the city. There was nothing in the contest, but strait baseball, and nothing to shock the sensibilities of those who are prejudiced against female athletic sport. There was no kicking, no base-sliding and the young ladies didn't use paddles for bats. It was genuine baseball.

Miss Lillie Cook was Captain of the nine known as the "Mashers," and Miss Nellie Williams Captained the "Smasher" nine. Miss Cook's nine was victorious, having made a score of 8 runs against 5 by the opposing team.

Miss Cook won laurels for herself by knocking a two-base hit, landing the ball in the corn field below centre field. Miss Ada McInnis did very excellent work on first base and Miss Loula Goldston did some fancy work as short stop, making several good plays. The batting and running of the girls is something wonderful. At the close of the sixth inning the game was called on account of lateness. The score card, by innings, showed the following:

Smashers—5 0 0 1 2—8.

Mashers—2 0 0 1 0 2—5.

It is said that another game by the same nines will be played Monday next.

Were at Mocksville.

Messrs. Ad. and John Kindly and Sidney Barnhardt, of Mt. Pleasant, attended the annual Masonic picnic, which was held at Mocksville Thursday, the 12th. They went through the country on their bicycles. Returning the gentlemen spent several hours in the city and in conversation with a STANDARD reporter, said that the crowd was immense—that they had attended many big circuses, but had never seen so many people at one time before.

Reidsville Wants What Huntersville Got.

Reidsville claims the crack base ball team of that particular section of the State, and is in dead earnest for a game with the home team next week. The management of the home team have invited the men to come, on condition they give us two games, Tuesday and Wednesday. If arrangements can be made to pull the game off, good ball may be expected.

And This is "Reform."

Mr. W. Murdock Wiley writes the Charlotte Observer that a Republican deputy sheriff in Bancombe can neither read nor write. His daughter reads the papers to him and he remembers as much of their contents as possible. The official is also a member of the county school board.—News and Observer.

SOCIETY SWELLS ROWDY.

A Number of Visiting Young Men Raise a Ruckus and the Guests at the St. Cloud Hotel at 2 O'clock Thursday Morning.

The german at the hall on Wednesday night, complimentary to a number of visiting young ladies, was a decided success, and the participants were delighted beyond expression.

A number of young men, supposed to be gentlemen, hailing from Salisbury and Charlotte, respectively, came over to take part in the pleasures of the evening, bringing with them a quantity of liquor. These young men, about eight in number, put up at the St. Cloud hotel, and after the dance they proceeded to their rooms, where they began to "tank up." After disrobing themselves, old booze and the lack of common decency got the better of them, when they went into the halls for a drill, singing vulgar songs, cursing, swearing and raising Cain in general.

Mr. Shirey, the clerk at the hotel, could not manage the crowd, there being too many for one man, and all drunk at that. There were some threats of violence by the "swells" when the clerk entered the hall, but he soon gave them to understand that they had fallen into the wrong nest to bluff Mr. R. Will Johnston, the night watchman, was called in and assisted in restoring quiet.

Such disgraceful conduct on the part of these young men is greatly deplored by their acquaintances here, and it is hoped that our dear women and the town of Concord will never again be humiliated by their presence, if they cannot come to our town and conduct themselves as gentlemen should.

All the guests in the hotel and people all around in the neighborhood of the hotel were awakened by their songs and curses. It was shameful, and society, if it does its duty, will blacklist every one that indulges in such vicious hilarity.

BICYCLE NEWS.

The Club Gave an Outing—Mrs.

Dusenbury Entertains Tonight. The "Merry-Go-Round" bicycle club entertained a large party of cyclists Thursday night, having met at an early hour for the purpose of taking a long journey towards Glasse's. At 10 o'clock the party, about forty in number, stopped on the beautiful lawn at the Means place above town, where a watermelon feast delighted the wheel men and women. The night was a perfect one for the occasion.

Mrs. Gowen Dusebury will entertain the cyclists tonight on an outing, complimentary to Miss Annie Booth, of Oxford, who is her guest. The evening is looked forward to with great anticipation by those favored with an invitation.

Prettiest Girl in Town.

A number of young gentlemen were seated in a drug store this morning when a strange little girl passed, riding a bicycle. She was exceedingly beautiful and her sweet, dimpled face won the admiration of the twelve young men, who began talking of the strange being and the matter was put to a vote and carried unanimously that the child is the prettiest that has ever visited our town. Upon investigation the young miss was learned to be Rosa May Bernhardt, of Salisbury, the little daughter of Mr. C. T. Bernhardt. She is visiting little Miss Grace Brown.

It is quite in order now to predict the almost immediate collapse of Spanish rule in Cuba since the fall of Spain's brainy premier, but we think people are convinced by now that we all know about as little of what the weather is going to be as what is going to take place in Cuba.
