ON THE DIAMOND.

The Reidsville Team Here and the Game in Progress—A Challenge from the Greensboro Team—National League Games Monday.

The Reidsville base ball team arrived in the city this morning and an intensely interesting game is now in progress at the base ball Park. Quite a large crowd is present and the game will no doubt be the best that has been played at this place this season.

Mr. R G Gladstone is manager of the Reidsville team. Their positions on the field are as follows:

Tucker, p; Keatts, c; Mabrey, 1b; Stone, 2b; Roach, 3b; Sloan, rf; Hopkins, cf; Dalton, lf; Fitz, s a. Gladstone, substitute.

Mr. H P Deaton is manager for the Concord team. Their positions on the field are as follows:

Ried, c; Weddington, p; Van Pelt, 1b; Misenheimer, 2b; Fisher, 3b; Caldwell, s s; Brumley, rf; Rogers, cf; Ury, lf. Mills and Hunter, subs.

Caldwell is umpiring the game.

Our boys have received a challenge from the Greensboro club to play two games in this city any date that our boys suggest. The Concord team will probably accept the challenge and the game will come off just as soon as the date can be arranged.

National League games played Monday resulted as follows:

New York 7, Philadelphia 2. Baltimore 14, Brooklyn 5. Pittsburg 3, Louisville 2. Boston 5, Washington 2.

EASTERN LEAGUE.

Reading 6, Newark 9. Lancaster 7, Richmond 2. Norfolk 3, Hartford 5.

Eat 'Em Up Dunn.

Monday night a young man by the name of Dunn was escorting a young lady home from the services at the Gospel tent when a young man passed and said, "Eat 'em up Dunn." Mr. Dunn applied to Justice of the Peace for a warrant for the young man who had thus spoken to him but the Justice thought the offense was too frivolous to justify a warrant for his arrest and no papers were issued.

AGENT MILAN CAPTURED

In Morristown, Tennessee—Short in His Accounts to the Amount of \$1,444.44.

John L Milan, the absconding ticket agent of the Seaboard Air Line office at Charlotte, and who has been in hiding for a week or more, has been arrested at Morristown, Tennessee.

Milan left Charlotte more than a week ago, buying a ticket for Lexington. He, it is said, left the train at Salisbury and did not go to Lexington at all. On the following morning he did not appear at the office as usual and then it became known that he had disappeared. His shortage in toto amounts to \$1,444.44. Milan, it seems, had an accomplice, Bud Hilton, of Morristown, who has been arrested and is now in jail in Morristown. It is said that the American Banking and Trust Company of Baltimore—Milan's sureties—will make an example of Milan. This is the same company that had an experience with Joe Myers and the officers think that Milan will be sent up for not less than three years.

Attempt on the Kaiser's Life.

An accident occurred Monday on the Hamburg express that is believed to have been caused by a conspiracy to kill the Kaiser of the German empire, but the royal family had passed over a few hours previously.

Needing Help.

We learn that one Mrs. Mary Fisher, a widow living at the Carbarus Mill, on what is called Short Row, house No. 25, has met with an unusual course of sickness in her family and is in need of charity.

We hope this matter will receive prompt attention. The distress is due entirely to sickness and is reported through the proper channel, the Chief of Police.

Marvelous Results.

From a letter written by Rev. J. Gunderman, of Diamonddale, Mich., we are permitted to make this extract: I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist church at Bives Junction she was brought down with pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results. Trial bottles free at Fetzer's Drug Store. Regular size 50c and \$1.00.

Our Senator seems somewhat familiar with the lower regions, as he speaks of hearts "as black as the hinges of hell."

Marion made it a jolly day yesterday. We haven't heard of an angry man yet on account of what he said or did. And why should there be any anger? Didn't he get to the United States Senate just that way? And doesn't he want to stay in his \$5,000 berth?

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed, when the languid exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, indigestion, constipation, dizziness yields to Electric Bitters. 50c and \$1.00 per bottle at Fetzer's Drug Store.

SOUTHERN WAR SONGS.

Dr. Herring Receives a Letter from the Author of Southern War Songs.

Dr. H O Herring has in his possession a copy of Southern War Songs, Camp-Fire, Patriotic and Sentimental.

Previous to the re-union Dr. Herring wrote the author, W L Fagan, who was formerly Captain Co. K., 8th Alabama Regiment, desiring to procure copies for the Confederate veterans and in reply among other things Capt Fagan says:

"Thirty-one years ago, I lay down near your depot, sick and sorrowful I was home and bound from Appomattox. C. H. The retreat from Richmond was a long painful march without food. I staggered along the road and finally lay down at Concord, N. C., waiting for a train, and when I got on one I was arrested by President Davis' order."

The book referred to is a compilation of all Confederate songs, but it seems that Capt. Fagan's efforts have not been properly appreciated.

WARNING.

We wish to caution all users of Simmons Liver Regulator on a subject of the deepest interest and importance to their health—perhaps their lives. The sole proprietors and makers of Simmons Liver Regulator learn that customers are often deceived by buying and taking some medicine of a similar appearance or taste, believing it to be Simmons Liver Regulator. We warn you that unless the word Regulator is on the package or bottle, that it is not Simmons Liver Regulator. No one else makes, or ever has made Simmons Liver Regulator, or anything called Simmons Liver Regulator, but J. H. Zeilin & Co., and no medicine made by anyone else is the same. We alone can put it up, and we cannot be responsible, if other medicines represented as the same do not help you, as you are led to expect they will. Bear this fact well in mind, if you have been in the habit of using a medicine which you supposed to be Simmons Liver Regulator, because the name was somewhat like it, and the package did not have the word Regulator on it, you have been imposed upon and have not been taking Simmons Liver Regulator at all. The Regulator has been favorably known for many years, and all who use it know how necessary it is for Fever and Ague, Bilious Fever, Constipation, Headache, Dyspepsia, and all disorders arising from a Diseased Liver.

We ask you to look for yourselves, and see that Simmons Liver Regulator, which you can readily distinguish by the Red Z in wrapper, and by our name, is the only medicine called Simmons Liver Regulator.
