CONCORD, N. C., THURSDAY SEPTEMBER 2, 1897

WHOLE NO. 1,85

TELEPHONE IN THE SKY.

Albemarle wants to speak to Concord by phone.—The line will go by way of Mt. Pleasant.

The citizens of Albemarle are very anxious to connect with Concord by telephone. Several of Albemarle's enterprising citizens will ask of our county commissioners at their meeting next Monday to be allowed to build and operate in Cabarrus county a telephone line along the public road leading from Concord to Albemarle. The order will doubtless be granted as the line will not interfere with the road in the least. The public road is the most direct route and Mt. Pleasant will be on the line.

The Police Force Increased.

The city's police force has been increased by putting on two men. Mr. Adolphus Bost has been sworn in, his beat being at Cannonville. Mr. T. R. Penninger has been sworn in and will keep order at Forest Hill. They wear blue suits with brass buttons.

Mr. M. B. Hartsell found a purse in the reception room at the depot. The purse contained \$21, 1 ten, 2 fives and 1 one and several papers and receipts. From the receipts in the purse it was found that the purse belonged to Robt. Jones, colored, of New London. Jones got his purse and money.

NEW COTTON.

Cotton is King and Concord is a King Cotton Market—Three Bales of the Fleecy Staple Sold Here Today—The First of This Year's crop.

Early this morning Mr. James K. Deaton came to town with a sample from a bale of new cotton and placed it on the market. This was the first new cotton offered for sale here this year and the bidding was lively. Mr. D. P. Dayvault was the highest bidder, he paying \$10.25 per hundred.

Mr. R. W. Benfield, of No. 2 township sold the second sample, Mr. Dayvault being the buyer, paying \$8.12 per hundred.

Mr. R. W. Allison sold the third and it was the first bale delivered at the platform, it being delivered at 11 o'clock. Mr. Benfield's bale was delivered at the platform at 12 o'clock, it being the second, Mr. Deaton's bale having not yet arrived.

Up to 2 o'clock Mr. Deaton's bale was not in. Mr. Deaton says that more than half his bale was ginned when he left with the sample this morning. It is supposed that some mishap occurred at the gin or on the way to town. The cotton was being ginned at Caleb Goodman's gin 3 miles north of town.

Mr. Deaton has the honor of selling the first bale and getting the highest price; Mr. Benfield for selling the second and Mr. Allison for selling third but delivering the first.

Later—Mr. Deaton's cotton arrived and was weighed at the platform at a few minutes before 3 o'clock.

Both Legs cut Off.

The Press-Visitor says Charles Warren, a 17-year-old colored boy got both legs cut off below the knee and his shoulder bruised by a moving train Tuesday in Raleigh. His injuries will probably prove fatal.

Red Cabbage.

Mr. Samuel W. Tarlton, of No. 4 township, brought into THE STANDARD office today a cabbage head that is a freak in color only.

The leaf is almost a blood red color, though the inside when cut shows the regular white color. This coloring extends to the very heart.

It is said to be a variety, but Mr. Tarlton bought a paper of seeds, most of which produced the ordinary kind.

Landed a Shark.

Mr. H. M. Barrow, of this city, who is spending some time at Ocean View, writes THE STANDARD as follows:

"We are having a fine time, fishing and surf-bathing, but to cap the climax, F. L. Robbins, J. R. Young and your humble seryan, landed a shark 6½ feet long, weighing 150 pounds, this afternoon, and we feel handsomely repaid in the fishing line, should we be unlucky for the rest of our stay. Concord is still on top, and it just took three little 'land-lubbers' to break the record here, for the season."

Mr. Robbins and Mr. Young will return to the city in a few days and Mr. Barrow will return later.

The Survey Ordered.

South Main street will be graded at an early day, the survey having already been ordered. The street and side walks will be made a perfect grade from the Lutheran church to the old Fair grounds.

Work will begin soon after the survey is completed.

COMPLETE SHUT OUT.

Concord Defeats Stanly Creek a Second Time with Fisher in the Box.

It was a splendid effort on the part of the Stanly Creek baseball nine Wednesday afternoon, when they played the home team.

Little Joe Fisher pitched for the Concord boys and his balls were magnificent and caught the visitors napping at almost every bat. Joe is little less than powerful and with Reed behind the bat and the remainder of his support in the field, the game was beautiful, our boys making only two errors during the entire nine innings.

Rowe, of Newton, pitched good ball for Stanly Creek, but had miserable support, making their side of the game uninteresting.

The score by innings resulted as follows:

Stanly Creek—0 0 0 0 0 0 0 0—0.
Concord—0 0 5 1 1 2 3 0—12.

The Stanly Creek boys were a clever, gentlemanly set of boys and were delighted with their treatment while here.

Salisbury arrived this morning and the game is now in progress at the Southside Park.

Some horses can be bought for \$5 others will cost \$100, any difference. So with Furniture. Ours is the Standard. We get more for our goods. Why? It costs more to make them, they are better, they last, they give satisfaction, insuring comfort. Customers see these points and are willing to buy a good horse. We have just bought two car loads of furniture, each weighing from 12,000 to 15,000 pounds. Does this mean anything? Why of course, when freight rates on small shipments are as high as \$2.49 per hundred pounds. We wish to please our customers, therefore we carry all grades of furniture. Hat racks from 10c. to 5 00, 7 00, 8 00 to 25 00. Rockers from 40c. 75c. 1 00, 1 25, 2 00, to 10 00. Parlor suits Silk and Plush from 15 00, 20 00, 25 00, 35 00 to 50 00.
